Dr. Ted Burnside received medal for excellence

In mid 1982, Dr. Ted Burnside, professor, Department of Animal Science at the Ontario Agricultural College (OAC), Guelph, received the first medal for excellence in genetics research and animal breeding.

The presentation was made at a meeting of the Canadian Society of Animal

Science.

Dr. Burnside is now on sabbatical leave from OAC, and is spending the year (1983) in Australia as a visiting professor. His wife, Lauren, is also in Australia on teacher exchange, and their youngest daughter accompanied them for the duration of the stay.

Dr. Burnside was a

graduate of Centre Hastings Secondary School, and later received a Masters Degree at OAC. He then went to Raleigh, North Carolina, where he achieved

a Doctorate Degree.

Burnside has lectured extensively through Europe and the Middle East, for promotion of better methods of animal breeding;

particularly among the poor countries.

He is the son of the late Max Burnside; and Vera, now living in Madoc.

Seen in the picture is Mr. Roy Snyder, secretary of the Canadian Association of Animal Breeding (left), presenting the medal for excellence in genetics research and animal breeding to Dr. Burnside (right).

Annual Winter Carnival near

Once again, the Annual Madoc Winter Carnival is coming, and the Madoc Chamber of Commerce met at the fire hall January 5, to continue plans for the event. The dates for the carnival are set for January 21, 22 and 23.

Members of the Chamber of Commerce are making concrete plans, even though a lack of snow could tone down the event. Doug Pigden, chairman, expressed an optimistic view, saying he thinks snow will arrive by carnival time.

At 7:30 p.m., January 21, the Madoc Hotel is featuring a "Mister Beauty Pageant" as part of the carnival.

Saturday, January 22, is "Kid's Day" at the Madoc fair grounds (weather permitting). The day will feature "Walter's Mountain", an artificial snow hill for youngsters to play and slide on; games; free hot chocolate; free marshmallows, prizes, contests and a race.

Also to take place on Saturday, will be a bonfire, fishing derby, dart, cribbage and euchre tournaments, an arm wrestling championship.

luncheon, supper, and Winter Carnival Dance.

That same Saturday, there will be a flea market

held at the Kiwanis Centre and there will be no admittance charge. There will be table space available at the centre free of charge to any non-profit organization, or anyone selling home-made handicrafts (non-commercial).

Sunday, January 23, will feature the Firemen's Breakfast.

"It's shaping up beautifully, as long as mother nature co-operates and gives us some snow," says member Kay Peacock.

Our apologies

A picture published in the December 29 issue of The Review had a couple identifying a couple celebrating their 25th wedding anniversary. The line read: "Mr. and Mrs. Gifford." This is incorrect. The couple are Mr. and Mrs. Rayburn Foster twaddly of Belleville.

A story published January 5 headlined "Entrails spilled during crash" misquoted the amount of damages which occurred.

A 1974 Dodge RR5 Madoc suffered approximately \$18,000 damage not \$18,000 as quoted in the article.

Madoc Becker's has new manager

Since the beginning of the new year, Tony Willemssen, Madoc, has been the new manager at the Madoc Becker's Store located on St. Lawrence Street.

Willemssen says Becker's officials contacted him at his home in Calgary, Alta., to offer him the job as manager in December, and shortly afterward, he accepted.

He previously held a position at Revelstoke Lumber, Alta., as an estimator blue-print reader.

Before moving west, Willemssen lived and worked in Madoc for almost 30 years, dating back to his immigration here from Holland in 1953.

"It's nice to be back again. I've travelled all over the world, but personally, I think Madoc is just as nice as anywhere," says Willemssen of the village.

Willemssen says he has always been an active member of the Madoc Fire

Department, and at one time, he served as deputy chief. Presently, he says, he is training officer and building inspector for the department.

Generally, says Willemssen, he had been employed in the building supply business in Madoc from 1953 to 1980. Willemssen is unsure of how the Becker's officials knew of him and his whereabouts, but is happy with the outcome.

"I love to be here because I know everyone and can see them again," he says.

Willemssen's wife, Joyce, is still in Calgary, employed with Trans Canada Oil Industries. Her position deals with computerized accounting systems. She will be returning to Madoc later, says Willemssen.

Bob, Willemssen's oldest son is a graduate of the Loyalist College Civil Engineering course. He also received a diploma at the University of Alberta,

giving him the qualification of Certified Cost Engineer. He is presently project manager at the Spanteec Corporation of Alberta.

His oldest daughter is employed as an auditor for an international hotel chain in Toronto, and youngest daughter is in grade 12 at Centre Hastings Secondary School. Willemssen says she plans to attend the University of Saskatchewan to study chemistry after graduation.

There is approximately \$50,000 worth of inventory in the store now, says Willemssen, and the turnover is consistent.

"These stores, they go you know. They turn over a lot of stock," says Willemssen.

His future plans for the store are: "to stress cleanliness, fresh products, good customer service, and then increased sales."

"I like Becker's, it's a good organization to work for," says Willemssen.

seen here are the employees of Madoc Becker's, with their new manager.

From left-to-right are: Peggy Hyde (assistant manager), Tony Willemssen (manager), Debbie Campbell, and Kathy Pelletier.

Missing for the picture are Connie Thompson and Liz Willemssen.

A letter to the editor

Dear Sir:

I would like to take this opportunity to thank you for your support during the past year, in the way you have provided so much free and excellent coverage of our activities.

Big Brothers and Big Sisters of Centre Hastings is entirely dependent on volunteer support, provided by so many people within the area and the publicity that is obtained through the

media of newspapers is a great way to inform the public of the many and varied tasks that they perform, in helping the Little Brothers and Little Sisters. Your staff have been most helpful as well, providing me and the volunteers with interested and courteous assistance with the inexpensive advertising that your paper offers.

The present success of

this agency, in providing a much needed service to the children of this area, could not have been achieved without this help and support.

I wish you, and all of your staff, a happy and very prosperous New Year, and look forward to your continued interest in this agency.

Sincerely,
Shirley White
Co-ordinator

As we all know, last Saturday was a cool, but gloriously sunny day. Many

families took to the wilds to take advantage of the day, and seen here are an

industrious bunch skating and shovelling ice off a pond. The pond is located

between Madoc and Marmora on Highway 7.

Madoc Township issued most permits

The Council of the Township of Madoc held their first meeting of 1983 on January 3, commencing at noon. Following the reading and adoption of the minutes from the last meeting of 1982, Council examined the Road Superintendent's report and approved the voucher for payment in the amount of \$18,187.15.

Building Inspector Francis Bosley attended the meeting and presented council with a summary of 1982 permits completed and refused. Permits were issued for twelve new houses, four additions to homes, five garages, two for repairs and alterations and three permits for commercial buildings. A total of four permits were issued for plumbing and demolition. Mr. Bosley reported that according to a county

source, Madoc Township had issued the most building permits for any municipality in Hastings County in 1982.

Council carried a motion to enter into an agreement with the Ontario Ministry of Citizenship and Culture in order to take advantage of the BRIC program for restoration of historically or architecturally significant buildings.

The livestock valuer's report was presented to council showing the loss of a lamb in December to wolves. Approval for payment of wolf damage was given.

Mr. Ken McCormack attended council on behalf of the Madoc Township Recreation and Field Association to report on the progress of the new ball diamond. Work is nearing completion on the new

canteen and the fencing should be completed during 1983. It was stressed that the future is bright for the ball park because of the co-operation of a great number of individuals and council in this project.

Three by-laws were passed dealing with internal organization and administration of township responsibilities.

Here are the Legion 363 Bowling results from December 20, 1982.

Men's high single winner was Ron Smith scoring 266; men's high triple, Brian Sharpe, 649; ladies' high single, Sheila Murphy, 225; ladies' high triple, Betty Smith, 548.

Scores over 200 were reached by: Doug Chapman

Letter:

Tree removal in Village

Most of the shade trees in the village of Madoc are at or past their prime and over the next 10 or 20 years most will have to be removed. They are becoming a potential hazard to powerlines, telephone wires, pedestrians and vehicle traffic.

It is right that they be removed. However, we need not follow the stark

treeless example of towns like Maple and King City. We need not wait until all the trees are gone to suddenly start a rejuvenation program. All we need do is replace each tree with a sapling. The small investment for a sapling and an hour labor to plant it, would return dividends measured in 50 and 100 year increments. Not only would new replacement trees provide

an ongoing benefit in shade and natural beauty, but it would demonstrate a positive attitude about the future of our village and a commitment to the generations that will follow.

Our village founders felt obliged to line the streets with trees - we have the same obligation.

Respectfully Yours
Walter W. Cromwell

Huntington discusses employment

At their January 3 meeting, Huntington Township Council discussed creating a temporary employment project to supplement those in the community who have exhausted unemployment insurance benefits.

The federal government recently made \$100 million available to Ontario townships for that purpose, and Huntington could possibly receive a maximum of \$15,000.

Before a grant can be made available, the township must send an application in before January 31, outlining the nature of the project to be undertaken and its title.

The government specifies the project cannot compete with other businesses in the area or be similar to organizations providing voluntary employment. It must begin before the end of March, 1983, and run a minimum of 12 weeks and a maximum of 12 months.

One of the ideas council discussed was to create a brush removal project, perhaps incorporating it with recreation.

Wolves
Three ewes, have been killed in Huntington village by wolves recently. Two of the ewes belonged to John McGuire, and one belonged to Ken Yarrow. The red ewes, valued at \$100 each were attacked

and killed by the throat and partially eaten. At least on one occasion, the animals were attacked inside the barnyard.

Council approved reimbursement to the farmers for the animals.

New Grader

Hiilard Poole, road superintendent for Huntington Township said the township would need approximately \$145,000 grant from the Ministry of Transportation and Communications (MTC), to purchase a new grader.

Council decided, at their January 3 meeting to submit the application for the supplementary road subsidy for the new grader to MTC.

Tudor and Cashel meet

The Tudor and Cashel Council held their first meeting on December 7, 1982, at 7 p.m. The members took their oath of office and Reverend Lyle Horn gave the invocation.

It was moved that Paul Whittaker be appointed representative to the Moira River Conservation Authority for the year 1983 and Goldie Phillips be appointed representative to the Crowe Valley Conservation Authority for the year 1983.

It was moved that the following accounts be paid: Road Voucher No. 11, \$7,102.79; general accounts, \$357.09; Fire permit issuers, \$49.50.

Taxes for the year 1982 will be apportioned on the following properties as recommended by the assessors: Lot 4, Concession 015 11657, Agnes Lavender, \$59.82; Lot 34, Con. 7 015 11665, Domtar Inc., \$59.78; Part Lot 18 EHR015 24900, T.C. Ellis, \$286.57; and 015 24925, Leslie Ray Reps. \$9.58.

Henley, and Cooney moved that the accounts be paid upon the approval of the reeve.

Phillips and Whittaker moved that the Ministry of Transportation and Communications be petitioned for the 1982 road subsidy to December 31, 1982.

It was moved that the

reeve be authorized to sign an agreement with the Centre Hastings Snowmobile Club granting them permission to establish and/or maintain a marked trail for the purpose of snowmobiling and skiing to be located on roads that are not maintained during the winter months in the Townships of Tudor and Cashel from December 1, 1982 to April 15, 1983 providing the trails will be open to the general public at no charge.

A by-law for the purpose of cancellation reduction or refund of taxes for the year 1982 was read a first, second and third time, then signed and sealed.

A by-law for the purpose of appointing Glen Cooney, Deputy reeve to act in place of the head of the council on any board, commission or other body of which the head of the council is a member ex officio under any general or special act except a board of commissioners of police was read a first, second and third time, signed and sealed.

It was moved that the building inspector be asked to assess the amount of work required to bring the building up to an acceptable standard on preliminary OHRP Loan No. 12-48-000022.

The council adjourned to meet again January 11, 1983, at 7 p.m.

Legion 363 bowling results

Heritage cooking new 4-H Homemaking project

Italian antipasto and Middle Eastern Stuffed Squash are two of the recipes 4-H club

members in the Quinte area will learn to make in the

upcoming project, Ontario Heritage of Cooking.

Why do we eat pumpkin pie for Thanksgiving? Who introduced us to peanut butter? Where did the tradition of the Sunday roast of beef originate? These and many more of our food traditions are the subject of the new 4-H Homemaking-club project, Ontario Heritage of Cooking, to be offered in Hastings and Prince Edward counties in January 1983.

Club members will trace our culinary history from pioneer days when the menu was pork, pork and

more pork to the current decade where more than sixty cultures take part in the food chain. At each of the seven meetings members will prepare a multicultural meal with such favorites as Scotch Eggs, Italian Sandwiches and Dutch Peach Kuchen. The highlight of the project - a party with an international theme planned by all club members.

4-H Homemaking, Club leaders in your community will soon be holding their club's first 4-H meeting. If

you will be 12 by March 1, 1983, why not get involved. 4-H leaders' workshops will be held in Madoc on January 17, 18, 1983, in Picton on January 25, 26, 1983, and Foxboro on January 27, 28, 1983.

Contact Valerie Clark, Home Economist, Hastings and Prince Edward Counties at the Ontario Ministry of Agriculture and Food office in Stirling (395-3393) or Picton (476-3224) for further information.

So for 1983, be a winner and become a 4-He!

SHEPHERD'S NOOK

BY KEN YARROW

Last month, my wife and I went to a dance arranged by the local volunteer fire department in Huntingdon Township. It was held in the Kiwanis Centre in Madoc Village.

Nothing so wonderful about that you say. Ah, but there is and here's why I think so.

First of all, plans for this event were made months ago by volunteers. Secondly, when I asked Jim if he thought they made any money, he replied, "This is our annual party and we wanted everyone in the communities to enjoy it with

us. Well, it certainly was a huge success and I am sure everyone enjoyed themselves. The music was great, the fried chicken was delicious, and everyone was in a party mood. By this, I don't mean a big booze up either. I don't know the capacity of the building, but I would guess it was reached. Another thing that was very obvious - not only were people present from Huntingdon, but from a good many other communities as well. Now don't forget, this was all put together by volunteers with

no expectation of reward. The next thing I would like to point out is the place it was held, the Madoc Kiwanis Centre, scene of many a good evening of pleasure. An ex-armour taken over and maintained by yet another non-profit, community oriented group of individuals. The maintenance of this edifice must be high but it seems when money is needed somewhere, they are there to help out. I have heard it said that their books are rarely in the black and, if so, only long enough for them to give it away. The building is always clean, warm, and the service friendly and accommodating. Once again operated strictly on a volunteer basis.

What about those who attended? We see them every day on the street or on their farms. Nothing out of the ordinary - just people. The difference is they are everyday, average people who cared as well about their communities. They realize support is needed for these volunteers and come forth to give it and to show their appreciation.

These events serve many purposes, one of them being a sort of relaxing, letting off steam and forgetting all the little problems night. An opportunity to get together with friends who maybe haven't been seen for a while, share a few jokes, catch up on local news, etc. There are a multitude of places, events, communities, and people like the above. I only used those involved to avoid any slight or injury to any other group in any way.

But to make my point, it is the feeling of mutual togetherness, sharing and concern for each other that makes us Canadians. It is this feeling that has made Canada what it is - a country to be proud of.

Sure, I know criticisms are heard daily, arguments develop, and the economy is at a low. But it is this unique Canadian spirit that will enable us to carry it through. The united, caring and quiet determination will accomplish far more than all the effort by Pierre. He will go down in history as the man who brought the constitution home, but those who think will know it is the Canadian spirit and effort of the common people who kept it going.

Footnote: To all a happy new year. May we have many more such good times together.

Sincerely
Shirley White

Big Brothers and Big Sisters of Hastings

Happy New Year! I hope you all had a happy holiday season, and that Santa was good to you and all families. 1982 was a very good year for our agency in many ways. We made it through the winter left over in the bank to give us a start in 83. Thanks to all of you who gave us so much in the way

of fundraising and also to you that helped to make our events for the children so special and inexpensive. I know all of the kids have benefited in many ways from your help and commitment during the past year. A sincere thank you.

Last year I started, very secretly, a Volunteer of

Year Award, to be awarded to someone who had done more than could be expected in the way of time and commitment to our agency. It was a very difficult task. This year it was even worse! There are so many of you out there, all doing a fantastic job for the agency, that it was almost impossible to choose one

person, over the rest of you.

However, I would like to tell you about a very special person, who has helped our kids "over and above the call of duty". His sheer determination and dedication to helping children is great. During the past year he has helped in this agency, and in so many

ways. He is a Big Brother to three boys, and acts as secretary on the board of directors. He helped in the formation of the recreation committee and helps with their work as secretary. He works at all the events we have for the children, either driving or hauling or organizing or a combination of all three. He sold tickets on the quilts and manned the booth at the fair, drove our float at the Santa Claus Parade (and made the float), arranged for three boys to be enrolled in the local hockey leagues, worked at the overnight camping trip we had, and made sure the site was safe before we all arrived. In addition to all of these, he somehow found time to recruit two Big Brothers and one Big Sister!!!

There are lots of other ways that he has contributed his time, money and effort to our kids. It's really no wonder he gets cranky sometimes. Bill O'Hara, you are very special and I thank you for your reliability and for the way that you can always be relied on to offer help before being asked. There is no question that you would be volunteer of the year in any organization. I am just thankful that you chose this one.

I also want to thank Marion, his wife, for her patience and support and for passing on the innumerable messages to her busy husband.

In closing this special New Year newsletter, I would like to repeat what I said earlier, this agency could not survive without the help and support of all of you. You are all special people. Thank you all!

What to do when there's nothing to do?

BY CATHERINE MILLER
Infant Development
Consultant

It's that time of year again, winter. For we adults, it usually takes most of the month for us to settle back into the routine swing of things after the excitement of the holiday season. For the average preschooler, however, January spells one thing - boredom. Despite the fact that Santa just replenished the toy box and there's mountains of fresh snow outside, just waiting to be discovered, in January parents and preschoolers are tired more often with the question of what to do when there seems to be "nothing to do".

For those days when the weather keeps you house-bound, or you and the children are looking for a special activity to pick up your spirits (or use up some of that pent up energy), the following suggestions may be helpful.

"New" toys become "old" toys immediately

with for an hour or so? Help to restore the "newness" of your child's toys by rotating them periodically. Instead of surrounding him with a dozen toys select a few for each playtime and keep the rest stored away. This lets your child rediscover the toy each time it reappears and prevents the toys from becoming too familiar by just lying around the playroom. It also helps ensure that your child has a chance to practise the skills involved in many activities rather than just a favorite few.

Make a town from an old cotton sheet. Tack the sheet to the floor, table top or piece of plywood. Draw on roads, parks, ponds, etc. with a magic marker. Find small boxes or blocks to use as houses, lego people, animals, and little cars. Be creative. Cut out pictures from magazines and glue them onto the sheet. Adjust the amount of detail to the children's age level. At least half the fun is

making the town, this activity is guaranteed to entertain for hours as the children dramatize trips to the supermarket, zoo, whatever is available in "your town".

Put a chunk of hard snow in a basin. Let the children chip away at it to make a sculpture (using popsicle sticks or similar harmless tools). Once the novelty of sculpting has passed, the activity can become a science experiment. Talking about where the water came from and what happened to the snow should keep your preschooler fascinated. He'll be especially proud of being able to say big words like "temperature".

Make a storybook about your child's Christmas experience. Place photographs (in some logical order) in a photo album or hang them along a piece of string with clothes pins. Have the child identify the people in each picture (eg. mum, dad, grandma, grandpa, baby, etc) and talk about what is going on in

each situation. Older preschoolers might be able to follow the sequence of activities recreated in the photos and make a story out of it. If mum writes down the child's sentences or comments about each photo, you'll have written a book together!

Have a smorgasbord lunch! It's a great way to introduce toddlers and preschoolers to different foods. Take an old egg carton and put a small portion of several different foods in each of the compartments (try things with different textures, as well as different tastes - a piece of broccoli, a dab of peanut butter, a slice of lemon, a cracker). Of course, you can adjust the number of samples by cutting down the carton. Talk about the textures, the tastes, the temperature of the various foods. Make a list of foods the child has tried and liked! It comes in handy later when "I don't like that" becomes a favorite excuse for not eating!

Mr. Vankoughnet further stated that he would like to stress the importance of public input and encourages all interested individuals to write to him in Ottawa about the commemorative stamp.

Loyalist stamp still possible - Vankoughnet

Bill Vankoughnet, MP, for Hastings Frontenac Lennox and Addington recently confirmed that Canada Post is re-evaluating the possibility for a commemorative stamp recognizing

the bicentennial of the United Empire Loyalist migration to Canada to be issued for 1983.

Mr. Vankoughnet stated: "As well as the Minister responsible for Canada

Post, the Hon. Andre Ouellet, the Chairman of Canada Post Judge Rene Marin has not dismissed the possibility that a commemorative stamp will be issued for 1983."

Hastings Novices defeated by Norwood

Hastings Novices went to defeat at the hands of Norwood last Thursday night at home. The youngsters got behind by four goals in the first period and although

they kept fighting they remained four goals out throughout the game losing 6-2.

The four first period Norwood goals all came in

the final four minutes of the period off the sticks of Robbie Walls unassisted at 1:20. Rick Murray assisted by Mark Stewart at 4:06. Leon Jones assisted by Bob

Willford and Mark Stewart at 5:30 and Mark Stewart unassisted at 6:12.

Hastings got on board with a goal by Cory Wilson assisted by Allie Ford and David Sandiland at the 5:30 mark of the second period on a nice three way play.

One minute later Darrel Miles replied for Norwood assisted by Terry Redpath and Rod Rogers at 2:29.

David Sandiland scored on a pass from Brent Alexander to draw in four goals again at 6:16 of the third period. Josh Gentry was also awarded an assist of the play.

Norwood made the score 6-2 with three minutes remaining in the game when Mark Stewart put in his second of the evening assisted by Jason Jones and Rick Murray. Stewart had a four point night for Norwood with two goals and two assists.

An Ennismore player starts a rush in a game against Oshawa in the Norwood

Novice Tournament held at the Brethen Coliseum last

Saturday. See Tourney results page 7.

Norwood Minor Hockey results

Tuesday, January 4, 1983

Tonight saw the Norwood Juveniles on the road to Ennismore for league play. In this contest, the locals returned home winners as they doubled the score on the opposition defeating them 4-2. Scoring for the locals were Donnie McIlmoyle and Steve Jewett each with singles and Mike Roffey added two.

Wednesday, January 5

The Norwood Juveniles were at home to Warsaw tonight. The locals came out on top as they dominated the entire game defeating the opposition by a 7-1 score. Goals by Mike Roffey, Brian Teipstra and Mike Lytle, each with singles, and Steve Jewett

added four.

Thursday, January 6

The Norwood Atoms played host to Keene tonight. Again, the local team dominated the play as they shut out their opponents by a 4-0 count. Dwayne Crawford is credited with the shutout. Scoring were: Warren Gee and David Crowley, each with singles, and David Stewart added two.

Friday, January 7

Tonight the Norwood Peeewe team played host to Havelock. This game was a real contest from start to finish. The play was end to end coming with the locals coming out on top with a 6-4 win. Scoring for the locals

Juveniles win and tie

BY SUSAN M. CUDDY

MARMORA: The Juveniles travelled to Campbellford on January 7th and came out on top again, winning 4-3. Randy Gray scored three goals with the help of Greg Miller, Mike Burris and Jim Maloney. Mike Franks received the other goal, assisted by Dale Prevost.

On January 9th, the team travelled to Lakeland and came up with a 4-4 tie. Lakeland scored the first two goals and Marmora didn't get on the board until 6:25 of the second period, when Scott Terrior assisted by Mike Franks and Tim Willemson, scored. Scott

Terrior fell when scoring and dislocated his shoulder and had to leave the game. Lakeland then scored again but, with 4 seconds left, coach Marcus Strassburg pulled his goalie and with the faceoff in Lakeland's end Tim Willemson assisted by Darcy Cook scored with only one second left on the clock. Mike Franks scored goal number three and Tom Hughes assisted by Jeff Bonter got number four. Lakeland then scored once more to tie the game.

The Juveniles can be seen January 11th in Marmora at 8:30 and January 14th in Tweed at 9 o'clock.

Peeewees beat Belleville

Saturday, January 8, at the Dick Ellis Arena in Belleville, the Madoc Peeeweas continued to win as they edged Belleville "B" Peeeweas 5-4 in an exhibition thriller.

Belleville jumped into a 2-0 first period lead, but before the period ended the mighty Madoc Peeeweas had gone ahead 3-2.

Beginning the second period Belleville tied it up but again before the period ended Madoc led 5-3.

Belleville moved to within

one goal with about 11 minutes to go in the game. With 1½ minutes to go, Belleville was granted a penalty shot and Jeff McMaster, Madoc goalie, outguessed the shooter and came up with a remarkable stop to save the game.

Madoc marksmen were: Brian Forestell, 2 goals, 2 assists; Stephen Bancroft, 2 goals, 1 assist; Brent Forestell, 3 assists; Derek Chapman, 1 goal, 1 assist; and Alan Danford, 1 assist.

Lakefield defeats Port Hope, lost to Port Perry

The Lakefield Blakes' IGA Chiefs led by Rod Taylor's three goals defeated the Port Hope Panthers 9-6 Thursday night in Port Hope. In addition to Taylor's three goals Robb Gilders had a pair with singles going to Chris Palmer, Kevin Gilders, Wayne Hill and Rick Peel. The Panther

goals were scored by Terry Downer and Peter Schoon with two each with singles to Peter Thompson and Sean Wakely.

On Friday night, the Chiefs hosted the Port Perry Mo-Jacks and lost a squeaker 5-4. The Chiefs scored first on a goal by Kevin Gilders only to have Jamie

Bird score two, to give the Mo-Jacks a 2-1 first period lead. The second period saw Jamie Bird score his third goal of the game along with Don Kemp, scoring for the Chiefs.

In the second period there was Chris Palmer, and Robb Gilders making the score 4-3 Mo-jacks after two

period. The third period saw each team score one goal each. Wayne Hill scoring for the Chiefs and Scott Wallace scoring the winner for Port Perry.

The Chiefs next home game is Tuesday, January 18, 8:30 p.m. when they face the first place Lindsay Trent Muskies.

The first goal made by the Blake's IGA Chiefs against

the Port Perry Mo-jacks. The game was on Lakeland

home ice. The result was a

5-4 decision for Port Perry.

ONE FOOT IN THE FURROW

The farm failure rate is high in Canada but is slowing down, according to the Consumer Affairs Department.

But this has not softened the hearts of farmers in this country in their efforts to get some help. In fact, there is an undercurrent of unrest in the boon-docks.

I say this as a constant observer of the agricultural scene although not a working part of it.

From time to time, farm organizations have asked me to be a guest speaker at

various functions. Only a few weeks ago, an articulate member of a local federation of agriculture bluntly asked the members, in attendance if they would support their executive in a mass demonstration. Although a few hands were hesitant when the vote was called it was almost unanimous.

"What you are asking us to do is have blind faith," commented one farmer. "You are not telling us what kind of a demonstration or even where that demonstra-

tion might be."

"I guess that's exactly what I'm asking," was the reply.

He explained: Whenever we lobby senior governments, the federation of agriculture seems to stand alone, just a few executive members and committee people. What he was asking for was a mass rally indicating that all the

farmers in the federation were behind the requests.

"How many would take a day off to join a protest for the federation?" was the question.

Farmers, as the rest of the world are aware, rarely unite. They are fiercely independent. For years they tried to make it on their own with no help from anybody. Until marketing boards for

BY BOB TROTTER

various products were organized, this independence hurt them.

It was surprising, then, to see the almost-unanimous vote at a county federation meeting.

In Ontario, the federation has 26,000 individual members. However, there are about 50,000 farmers in the province. Many members feel the rest of the crowd gets all the benefits of what the federation does but pay nothing for those benefits.

The Ontario federation is going to do some soul searching in the next few months. Members are being asked all kinds of questions such as what issues should be addressed what structural changes if any are needed in the federation and this is a dandy

should there be an automa- check off of all farmers to help finance the federation?

With a few exceptions, most farm organizations have been hampered in their efforts by a chronic lack of money. Administrators and policy makers hired by them have had to suffer smaller salaries. This in turn did not attract

the best people to farm causes.

It takes money to make money. Without top-line people working for farmers, agriculture will continue to be left struggling in the back forty.

This is not to suggest that all those dedicated people working for farm organizations are ineffective. Far from it. What has been done on a shoestring is impressive but what is needed is a lot more money for agriculture's cause.

What form the struggle will take is not apparent yet but you can look for some bright new ideas in the next few months.

Turning to another topic, a few weeks ago I praised the Ontario Milk Marketing Board for its leadership. I named the charter chairman of the OMMB. The name was wrong.

It was a stupid mistake. The first chairman of the milk board, was George McLoughlin, not George McCullough as I wrote.

Sorry about that George. I have given myself 92 lashes with a wet noodle for the measurable mistake.

Midgets lost out in tournament play

Campbellford held an Invitational Midget tournament Saturday, January 8. The Madoc team ravaged with flu sickness were only able to dress 8 skaters for their first game.

Warkworth defeated Madoc 7-1. However, the boys put up a gallant battle and it wasn't until the last 10 minutes, when their "legs fell out" from under them, that Warkworth notched six unanswered goals to break up a 1-1 tie.

Madoc's second game was against Millbrook. For this game two Bantam

players were added to the team roster, making it possible to play another line change.

Madoc held the Millbrook boys at bay and the score was 1-1 up to just a few minutes to play. Millbrook scored to win 2-1. However, Madoc had the better of the play, with goaltending being excellent in both goals.

Mark Tripp scored Madoc's only goal in the first game and Eric Brinks got the lone marker in game two for Madoc. Byron Hobson assisted on both goals.

Bantam Bs defeat

Campbellford

Travelling to Campbellford Friday, January 7, the Madoc Bantam "B" Team won their first game against 2 losses by defeating Campbellford 6-0.

Period scores were: Madoc 3, Campbellford 0 after 1; Madoc 5, Campbellford 0 after 2; and 6-0 at the conclusion of the game.

The Madoc team put on a strong performance to earn the victory.

Scoring for Madoc were: Paul Hagerman, 3 goals; Jason Garniss, 2 goals; Jeff Garniss, 1 goal; Brian Derry, 1 assist; and Jamie Danford, 1 assist.

Midgets squeak out tie with Tweed

6-6 was the final tally in a close game played in Tweed, Friday, January 7. Madoc and Tweed continued their rivalry throughout the affair.

The game itself was fairly clean with only 6 penalties being assessed.

Period-by-period it was a close back and forth battle. In the first period, Tweed had the scoring edge 3-2.

The second period saw Madoc outscore the Tweed fellows 2-1 and brought the score period to a 4-4 draw.

The final stanza saw Tweed leading 5-4 with only 2:19 left when Peter Brady rifled home the tying goal for Madoc.

Scoring for Madoc were: Bob Bronson, 3 goals; Peter Brady, 1 goal, 1 assist; Wayne McGowan, 1 goal, 1 assist; Kevin Bertrand, 1 goal; Byron Hobson, 2 assists; Eric Brinks, 2 assists; and Mark Campbell, 1 assist.

Bancroft forward Brad Laundry broke his stick on this slap shot from the blue

line, as an unidentified Stirling Bantam player defends. Stirling's Riverside

Bantam Blues chalked up 25 minutes in penalties, including a game misconduct,

before defeating Bancroft 4-2.

Midget Blues defeat Lakefield 3-0

Kevin Clarke got three assists and Jeff Vanattan got the shutout as the Stirling Four Seasons Midget Blues defeated Lakefield 3-0 in Hastings Midget league play last Thursday night.

Clarke set up Marty Goeree for the second goal at 2:28 in the second period with a slapshot from the right side that bounced off the inside goal post and right onto Goeree's stick.

He then set up Jim Fennel later in that period, and Rob Elliott in the dying seconds of the third, with Elliott scoring on an empty net.

The game began with a pattern of close checking, explaining the lack of scoring in the first period. But in the second period, the Blues began to throw their weight around and it began to pay off. Lakefield did not seem to be

intimidated (they did not seem as hard-hitting a club), but a stiff jolt pushed them off the puck.

Stirling's hard hitting was clean at first, but there were a few cheap shots on both sides, with the offended player retaliating soon after. The Blues chalked up 18 minutes in penalties, three of them on Goeree compared to 14 minutes for Lakefield. There were no fights.

Norwood Novice Tournament results

The Norwood Novice Tournament, Saturday, Jan. 8, scores were:
Game No. 1, Norwood 4, Warsaw 2; Mark Stewart 1 goal, Kevin Watts 2 goals, Jacob Jones 2 goals and Rick Murray 1 goal.
Game No. 2, Warkworth 4, Campbellford 0; Donnie Young 2 goals, Gareth Evans 2 goals.
Game No. 3, Ennismore 3, Onimice 7; Brian O'Neil 2 goals, Jason Lowes 5 goals, Todd Kuipers 1 goal, Mark Jeffery 1 goal, Steven Fairfield 1 goal.
Game No. 4, Pickering 7, Oshawa 4; Kevin Fraser 4 goals, Jason Fleming 3 goals, Jason Juchan 2 goals, Andrew Gillingham 1 goal, Paul Long 1 goal.
Game No. 5, Warsaw 4, Campbellford 2; Kevin Watts 2 goals, Jason Sharpe 1 goal, Dave Roberts 1 goal, Steven Dyer 1 goal. Campbellford eliminated Warsaw advances to consolation final.
Game No. 6, Norwood 2, Warkworth 4; Bobby Wilford 1 goal, Donald Waters 1

goal, Rick Murray 1 goal, Richard Honey 1 goal, Donnie Young 1 goal, Derek White 1 goal. Norwood eliminated Warkworth advances to championship final.
Game No. 7, Oshawa 3, Ennismore 0; Jason Fleming 3 goals, Ennismore eliminated Oshawa advances to final cancellation.
Game No. 8, Onimice 7, Pickering 6; Jason Lowes 5 goals, Jason Juchan 3 goals, Gerry Lailon 2 goals, Kevin

Fraser 3 goals. Pickering eliminated Onimice advanced to final game went into overtime.

Game No. 9, Oshawa 9, Warsaw 0; Jason Fleming 4 goals, Jason McQuit 4 goals, Christ Menter 1 goal, Oshawa wins cancellation championship.
Game No. 10, Onimice 1, Warkworth 2; Tony Mitchell 1 goal, Jason Lowes 3 goals, Gareth Evans 1 goal, Gerry Lailon 1 goal. Onimice wins championship.

Norwood Minor Sports

Continued from page 5

were: singles to Richard Coughlin, Shawn Ford, Derek Lynch and Mike Payne; and Don Corby added two.

The Bantams hosted a real strong Ennismore team. The locals only managed one goal as they went down to defeat by a 12-1 score. The lone scorer was Richard McGaffin.

The Norwood Midgets also played host to Ennismore. The locals took an early three goal lead only to allow the opposition to come

back; at the end of the second period, the locals were trailing by a 6-5 count.

The locals tied the score at the 7:22 mark of the third period, then took the lead at the 38 second, and added an empty net goal at the 27 second mark to win the game 8-6. Scoring were: singles to Kevin Heffernan, Mike Terpstra, Mike Barr and Jeff Stewart. Craig Dart and Scott Oliver each added two.

Selects lose to Trenton

The Atom "Selects" team from Madoc put on a really good game against Trenton, Saturday, January 8, in a game played in Frankford. Losing only 3-1 was no disgrace as the lads put on a tight battle. This was a marked improvement from their previous loss 8-1 to the same team in November.

Trenton counted the only goal in the first period at the

6:53 mark.

Late in the second period, Trenton added another to lead 2-0. With only 1:29 left in period two, Tim Bailey scored Madoc's only goal, assisted by Angus MacNeil and Scott Sherrin.

This same team heads for Apsley on Saturday, January 15, for an Atom tournament. We wish them luck as they compete.

Marmora Bantams have rough time

In an exhibition game on January 4, the Marmora Bantams defeated Havelock 5-3.

Marmora was leading 5-0 with three minutes left in the game when Havelock scored their three goals. Total penalties for the entire game was 10 minutes.

On January 7, the Marmora Bantams were defeated 2-1 by the Madoc Bantams. With a little more concentration on the game, the result could have been much different. Penalties away from the play (there was a total of 50 minutes in penalties handed out) resulted in both teams playing shorthanded throughout the game. Marmora's lone goal was scored by Steve Meers on an excellent passing play by Dwayne Bertrand. Madoc goals were scored by Lenhy Hyde, unassisted, and Peter Ringelman, unassisted.

January 9, Marmora travelled to Colborne where they were defeated 8-2. At the end of the first period, the game was tied with Craig Nobes and Chad McCurdy combining. At the end of the second period, the score was 4-2 for Colborne with Kelly Cook scoring unassisted. There were 32 penalty minutes handed out in this game.

On January 3, Tweed defeated Marmora 3-2 with four Marmora players sitting out suspensions and one player unable to attend. At the end of the first period it was a scoreless

game and Tweed had taken a 2-1 lead by the end of the second. Chad McCurdy scored the Marmora goals assisted by Larry McGregor and Darin Thompson.

Steve Meers scored Mar-

mora's lone goal in the third period. Scott McTaggart was in goal for all of the Bantam games.

The Bantams would like to thank the Lions' Club for the use of their bus. The

Gray Goose for out-of-town games.

The Bantams play Frankford in Marmora on January 14, at 8:30 p.m., while Tweed visits Marmora on January 21.

 Colling Movers received Championship Trophy from night.

Pee wee Bs lose three

BY SUSAN M. CUDDY

MARMORA On January 4th, Marmora Pee wee Bs hosted Trenton's Shoppers' Drug Mart team and lost 8-3. Trenton scored the first two goals but Marmora retaliated with two of their own. Chris Peters from Dennis Logan and Chris Peters from Dustin Caldwell and Dennis Logan, Trenton then scored six more goals but Marmora had the final say as Chris Peters scored assisted by Brian Sanderson.

On January 7th, Marmora hosted the Trenton Peewees and played a very exciting game. Chris Peters assisted by Dennis Logan and Brian Sanderson scored the first goal but the Weavers came on strong and scored four consecutive goals. Marmora tried to make a comeback with goals by Dennis Logan from Jason Taylor and Cory Jennings and Brian Sanderson from Chris Peters, but time ran out. The final score was Trenton 4, Marmora 3.

On January 8, Marmora travelled to Stirling and were soundly beaten 10-3. Scoring for Marmora were Chris Peters, assisted by Brian Sanderson, Chris Peters, unassisted, and Jody Casselman, assisted by Cory Jennings and Evan Robinson.

Although Stirling scored 10 goals, Jim Barrons definitely played a good game.

Do you know someone who deserves a medal?

If you know someone who has made Ontario a better place to live...through their selflessness, humanity and kindness...tell us.

An Advisory Council of Ontario citizens, whose honorary chairman is the Lieutenant Governor of Ontario, The Honourable John Aird, selects

12 winners from nominations made by you each year.

We need your nominations by March 16, 1983. Nomination forms are available now by writing: Executive Secretary, Advisory Council, Ontario Medal for Good Citizenship, Queen's Park, Toronto, Ontario M7A 1N3.

with the child. Custody and access are issues which seem to cause parents the greatest anger, frustration and bitterness when their marriage or relationship breaks down.

On October 1, 1982, a new law called the Children's Law Reform Amendment Act, 1982, came into force. The new legislation deals specifically with care and control of children and access rights. The new law spells out the rules in areas which up till now have been somewhat uncertain. Here are some examples.

Before the Children's Law Reform Amendment Act was passed, both parents had the right to custody of the child unless the court ordered custody to only one parent. That meant that even though the parents were separated, both of them at the same time had the right to the custody of the child. This caused some confusion in situations where, for example, one parent deserted the family, stayed away for months or years, and then showed up to take the child away. The situation is different under the new law. When one parent agrees that the child should be left with the other parent (or just allows the other parent to keep the child), that parent loses the right of custody for the time being. He or she can only regain the right to custody through a separation agreement or by getting a court order that he or she is to have custody. Unless there is a court order or separation agreement that says otherwise, the only parent with the right to custody is the parent with whom the child lives.

Another change in the law is that the right to access has now been clarified. Just because a parent loses the right to custody doesn't mean he or she has

lost the right to access. The right to access includes the right to visit with and be visited by the child and the right to be given information about health, education and welfare of the child. The parent who does not have custody automatically has the right to access unless a court order says otherwise.

The Children's Law Reform Amendment Act also includes some new rules that will make it more difficult for a parent to kidnap a child from the parent who has custody, go to another province or country, and get a court order there for custody of the child. The new act allows a court to refuse to take jurisdiction over a child, and to refuse to deal with an application for custody, if a parent has abducted the child from another jurisdiction.

This will apply to every province in Canada and to all countries which have signed the Hague Convention on International Child Abduction.

The new law does not mean that parents can't decide for themselves who will get custody and who will get access, if they can agree on those issues. Parents may still decide custody and access through a separation agreement or another contract between them. Parents may also go to court if they can't agree on custody and access, or if they want to change an agreement later.

There are various types of custody arrangements that may be established by an agreement between the parents or by a court order. These include:

1. Sole custody to one parent with access to the other.
2. Joint custody with care and control to one parent and access to the other—

this means that although both parents have a form of "paper" custody, only one parent actually has control of the child while the other has access and visitation rights. Both parents have the right to make decisions about the child's education and upbringing.

3. True joint custody—

this is a rare form of custody in which both parents alternately take care and control of the child. An example of this type of arrangement is a situation in which the child lives approximately half the time with one parent and half the time with the other parent. In order for true joint custody to work the parents' homes should be within the same general area so that the child can enjoy the stability of going to only one school and having one set of friends and companions. This kind of custody is usually possible only when the parents can agree and co-operate. A court would not impose this form of custody on parents who cannot co-operate with one another.

When the parents cannot agree who should have custody, they may go to court for a custody order. The court will make a decision based on the best See Legally page 10

What's ahead in '83

BY D.F. YOUNG
Agricultural Representative

What can farmers expect in 1983? The 1983 Agricultural Outlook, as presented by Agriculture Canada, predicts a slight fall in net farm income again for the coming year. Much of this will come about, say the economists, because of a reduction in cash receipts, particularly in the grains

section. On the positive side, input costs too are expected to fall because of lower interest rates, a depressed farm machinery market, and more stability in the cost of farm fuels. While the projections for the farm economy closely parallel those for the rest of the business community, individual producers will be affected very differently, depending on their equity

position and the commodities they produce. Beginning farmers and those with a heavy debt load will find '83 another difficult year, particularly those whose major income is derived from cash crops—corn, small grains, etc. Those who are secure in their markets, with modest debt, will no doubt find '83 another good year.

According to the projections, pork producers will benefit by the short supplies in the U.S. for the first six to eight months of 1983, with prices ranging upwards to \$85 per cwt. at Toronto. A build-up in hog numbers in the U.S. will, no doubt,

force lower prices into 1984. Beef prices are expected to remain somewhat stronger than '82, particularly during the spring and early summer, dropping again in the fall and into 1984. Milk producers may expect modest gains in price but it is evident that there will be pressure on export markets and lower utilization throughout the industry. Already the Marketing Board has announced an increase in the within-quota levy, along with a hefty increase for over-quota production. This, along with the 2 per cent reduction in MSQ will continue to put pressure on the dairy

industry and make it very difficult for expansion as the price of quota will continue to increase. The grain industry, particularly corn, is the one that is in most difficulty, unless there are some major international sales in the near future. Little improvement in the corn price is predicted for early 1983, in fact, a slight decline is likely. Production in 1982, here and in the U.S., was high despite the weather, and surpluses continue to mount. Future prices will likely be dependent on how effective U.S. policy is in reducing surplus stocks. The bottom line is that, for most farmers, 1983 will be another tough year—a year when it will pay to know your costs, market vigorously and curtail expansion. Few public

programs will offer major assistance to hard pressed farmers, however, some may be helpful and farmers should be familiar with any new developments which might occur in this area.

For instance, producers should be familiar with the various stabilization programs and should take advantage of these programs where possible as a form of security in the marketplace. Others may find the Ontario Farm Adjustment Assistance Program of some assistance again this year, even though it would appear interest rates might not be the problem of the last few years. For those who qualify this particular program will have the effect of guaran-

Continued from page 9 interests of the child. The court must consider all the needs and circumstances of the child including love, affection, and emotional ties between the child and any person claiming custody, the child's family relationship, and who has been taking care of the child. The court will also consider the child's opinion, when it can find out what the child's opinion is. What this boils down to is that the court will try to decide which parent can provide the child with the best, most loving, and most stable home, and where the child will feel most comfortable.

The conduct of the parents towards each other is not an important issue in deciding custody. For example, the fact that one spouse has committed adultery will not disentitle that spouse to custody. The fact

that one spouse has deserted the other does not by itself mean that spouse is not a good parent. Nor do the spouses' sexual preferences necessarily make a difference. For example, where one spouse is living with someone else in a homosexual or a heterosexual relationship, that spouse will still get custody if his or her home is simply a better place for the child to be.

Formal assessment of the parenting abilities of mothers and fathers are now offered in order to assist the court in deciding who should obtain custody and who should obtain access. Normally these are applied for by one of the solicitors at the beginning of the trial and agreed upon between the parties and the judge. Assessments may be ordered by a judge even if one or both parents object.

A recent development in the law is that courts will sometimes appoint a lawyer to speak on behalf of a child. The lawyer's duty is to represent the child's wishes and interests for consideration by the court.

The information in this article is accurate as of November 1982. For more information on this and other topics contact Community Legal Education Ontario, 62 Noble Street, Toronto, Ontario, M6K 2C9. For legal advice contact your local lawyer or legal clinic. Be sure to watch for the next Legally Speaking column, entitled Blowing over 50.

CHSS boasts "Tradewinds"

Last year, Centre Hastings Secondary School (CHSS) began a non-profit restaurant program, as a non-academic job skill oriented course for grade 11 students. This year, the

course includes grade 12 students, and continues to run smoothly.

The 17 students involved with the restaurant called "Tradewinds", do all preparation, cooking, and ser-

vice under the supervision of Irene Cooke and Marg Sykes. The restaurant opens for one hour at lunch and 10:15 morning breaks, and is open to anyone at the school. It has approximately

30 seats available on a first-come, first-serve basis. The menu changes daily, and offers such items as soup, roll, hot dishes, salads, and various muffins and desserts. Prices are

kept low, and Cooke says students often eat lunch at the restaurant.

With money received from a bazaar held at Christmas and slight profits the girls made, a room adjacent to the restaurant has been equipped with cooking facilities for the restaurant. Last year, says Cooke, the girls had to bring in the meals from a room farther from the one used this year.

Students can acquire a possible four credits for the course, which includes hair-dressing and child day care. After the first semester, the girls go out on work experience, spending half their time out working, and the other half at the school.

The room the restaurant occupies also accommodates approximately 12 day care children in a fenced-off section. The child care is strictly for adult students taking courses at the school.

"I like the idea of it being a trades course because girls who want to go into hair dressing or restaurants

get the experience they need. Some girls who don't do as well in regular school courses, switch to this course and do very well. It's the interest factor," says Sykes.

Night school

The night school courses sponsored by Loyalist College at Centre Hastings Secondary School will begin during the first week of February. Registration for the second semester courses will be at the school on January 25 and January 26 from 7-9 p.m.

Several new courses including Welding, Interior Decorating, Men's Fitness and Bartending will be offered. If anyone wishes to teach a new course, they should contact E. Buchanan at the school. A full list of the courses offered will appear in the paper next week.

Centre Hastings Secondary School has an impressive restaurant called "Tradewinds" on its first floor. Grade 11 and 12 girls run the kitchen and dining room

under the supervision of Marg Sykes and Irene Cooke. The restaurant is

one of the non-academic courses offered at the high school.

Ontario cabbage sold for market and processing

Approximately 3,000 acres of cabbage are planted and harvested yearly in Ontario. Although it is all cabbage, there are different types and final products to choose from.

Ontario cabbage is sold both for the fresh market and for processing. Fresh

cabbage may be found shredded and packaged for coleslaw, or more commonly sold as whole heads. For processing, cabbage is used in products such as sauerkraut and cabbage rolls.

As well as being sold directly for consumer use, much of Ontario's cabbage

crop is sold to the food service industry. The vast majority of this cabbage is then eaten as coleslaw in Ontario's hotels, restaurants, and institutions throughout the winter.

Green cabbage is the most familiar type grown in Ontario, but it is not the only one. Also grown are savoy and red cabbage. Savoy cabbage is green with a loosely formed head and is not as firm as regular green cabbage. Savoy cabbage has a slightly flattened head, and leaves that are

crinkly and curly, and is mostly eaten in salads. Red cabbage is easily recognized by its deep red or purple color. Red cabbage is used mainly for salads and pickled products, where its bright red color is most prized.

With the many varieties of Ontario cabbage to choose from, its great versatility, as well as the extended availability and plentiful supply, it's no wonder cabbage is a favorite vegetable among Ontarians.

The Flyers bombard the Kings dur

Game 1 - Flyers 16 - Kings 7.
The Flyers bombarded

the Kings 16-7 for their third straight victory in House League action. This

gained the Flyers a first place tie with the Kings and Canadians at 6 points each.

After the first period, the Flyers had worked up a 7-4 lead. Brad Phillips led the

way with three goals and Kert Rosnuk gaining two in the period. Tim Bailey grifted in two for the Kings in the first frame.

Tim Bailey added his third of the night and drew off the Kings up to within two of the Flyers, early in the last period, but the Flyers had only one thing on their minds "WIN", and they struck for four straight goals to mount up an 11 to 5 lead with about nine minutes to go in the game. Kert Rosnuk scored all four of these goals, and then went on to add one more giving him seven for the night. This is the highest number of goals scored in any one game by a house league player this year. Before all the "smoke cleared", the final rundown stood at 16-7 for the Flyers.

Point getters for the Flyers were: Kert Rosnuk, 7 goals, 2 assists; Peter Denison, 3 goals; Brad Phillips, 3 goals; Jim Bonter, 2 goals; Charlie Neal, 1 goal, 3 assists; Rodney Forbes, 1 assist and Dave Holson, 1 assist.

For the Kings, the point gainers were: Tim Bailey, 4 goals, 1 assist; Jeff Wiggins, 1 goal, 2 assists; Dale Sager, 1 goal, 1 assist; Pat Bailey, 1 goal, 1 assist and Mike Kehoe, 1 assist and

Grey Tobin, 1 assist.
Game 2 - Bruins 5 Canadians 4.

The Bruins finally came up with a well deserved 5-4 win over the first place Canadians. It was their first victory of the year against four previous consecutive losses.

It was a close see-saw battle with the Canadians leading 3-2 after the first period. John Chappelle slapped in two of the Canadian's goals to lead the attack. Tom Deline added the other one. Wade Wickens and Clinton Carswell notched the first period counters for the Bruins.

Going into the last period, the battling Bruins roared into the attack and outscored the Canadians 3 to 1, to win the battle 5-4. Wade Wickens counted his second of the game, as did Clinton Carswell. Charlie Bronson added one to round out the winning Bruins' counters. Gord Preston scored the losing Canadian's only last period goal.

The struggle was tied until just over three minutes to go in the game when Clinton Carswell scored the winner from Wade Wickens for the Bruins.

Scorers for the Bruins: Wade Wickens, 2 goals, 1 assist; Clinton Carswell, 2

The Madoc Peewees saved their energy until last Friday, January 7, at their

home arena, pulling ahead two goals during the final period. The score at the end

of period three was 3-1 for Madoc. This is the 13th

straight victory for the team.

Novices defeat Wellington 8-5

Madoc Novices travelled to Wellington, Sunday, Ja

nuary 9, and extended their consecutive winning streak

to 6 with an 8-5 victory over Wellington.

Wellington led 2-1 after period one.

Wellington moved to 3-1 in the second period, but, the period ended 3-2 for them.

Madoc tied it early in the third period. Wellington again went into the lead 4-3. Then, Madoc struck for four unanswered goals and led 7-4. The team traded the last two goals leaving the final 8-5 for Madoc.

Scoring for Madoc were: Brad Phillips, 4 goals, 2 assists, which gives Brad Phillips 30 goals to date; Tim Bailey, 2 goals; Brad Bateman, 1 goal, 2 assists; Dave Hobson, 1 goal; Robert Tokely, 5 assists; Chad Bateman, 3 assists; Derek Davidson, 2 assists;

and Brian Himburg, 1 assist.

Atom Record now 12-0

MADOC: After playing host to Marmora on home ice Friday, January 7, the Madoc Atoms made it twelve in a row undefeated with a 7-2 romping over Marmora.

Shawn Chapman put Madoc one up with the only goal in period one.

In period two, Madoc rammed three straight past the Marmora goalie to run the tally to 4-0 in the second period. The second period ended Madoc 5, Marmora 1.

Adding two more in the third period, ran the count to 7-1 before Marmora finished the scoring for the night with one more. The final again, was Madoc 7, Marmora 2.

Scoring for Madoc were: Jason Bailey, 2 goals, 3 assists; Jeff Sawkins, 2 goal, 1 assist; Jim Bonter, 2

goals; Shawn Chapman, 1 goal; Pat Graham, 2 assist; Clayton Curl, 1 assist; and Ian Ketcheson, 1 assist.

Minor Midget Fund Raising

MADOC: The Madoc Minor Midget Hockey Fund Raising Draw saw the following winners: first prize: Joyce Dayton, Marmora \$50; second prize of \$35 to Chris Danford.

Madoc, and third prize \$25, went to Joanne Mumby of Springbrook. Each of the winners were also given a hockey stick donated by Darrel Kramp.

On Friday, January 7, the Madoc PeeWees beat the Frankford team at the

Madoc arena with a score of 3-1. That was their 13th straight victory. Seen here

is the Frankford goalie making one of many saves

as the Madoc offensive line moves in.

Pee Wees win 13 straight

MADOC: Playing at home against Frankford proved to be a close affair Friday, January 7, for the PeeWees. Yet they still managed to come through with a 3-1 win, which was number 13 along with no defeats for the year.

The Madoc lads did not

seem to be checking as well as usual, but even with this in mind, they managed to hold onto a scoreless first period finish.

Frankford was the first on the score board in the second period and went ahead 1-0. Before the period ended, Brian Forestell tied

it up 1-1 for Madoc.

Stephen Bancroft with his 31st goal of the year, put Madoc's winning market past the Frankford goalie, in the third period. To make sure of the win, Brian Forestell got his second of the night and 19th of the year, causing the final count

Bantam "A"s beat Marmora

MADOC: In Marmora, Friday, January 7, the battling Bantam "A" team continued their amazing undefeated streak, with a 2-1 win over the Marmora gang. Now the Bantams' streak has been extended to nine consecutive. Team record is now 8-2-2.

The first period was

scoreless.

Period two saw Lennie Hyde grab the only goal of the period for Madoc to lead 1-0.

Peter Ringelman counted his 17th goal of the year to put the Madoc club up 2-0 in the first minute of play in the 3rd period. Madoc was playing two men short at the

time. Marmora came charging right back 45 seconds later and caused a 2-1 score to exist. The game remained that way to the end. Two times, the Madoc team killed-off a two man short situation and did not allow Marmora to score.

This victory still leaves the Bantams in second place, behind Colborne.

Scoring for Madoc: Bantams were: Lennie Hyde, 1 goal; and Peter Ringelman, 1 goal.

Hockey schedule

MADOC: On January 14, the PeeWee team will play Tweed at home at 7 p.m.; at 8:30 p.m., the Bantams will play Colborne in Madoc.

On January 15, the Atoms

will meet Frankford in Madoc at 1:30 p.m.

January 16, at 5 p.m., the Atoms will travel to Colborne for a confrontation with the home team.

Atom "A"s

beat Colborne

Saturday, January 8, here in Madoc, saw the unbeaten, unbeatable, Madoc Atoms slaughter Colborne 10-1 to gain number 13 without a defeat.

It was mighty Madoc all the way, leading 2-0 after one period.

Colborne drew to within one in the second period 2-1, but Madoc tallied three more to end period two 5-1 for Madoc.

Five consecutive unanswered counters for Madoc "put the game away" for Madoc 10-1.

The scorers for this high-flying machine were: Jeff Sawkins, 5 goals, 1 assist; Jason Bailey, 2 goals, 5 assists; Derek Wood, 4 assists; Brad Phillips, 2 assists; Shawn Chapman, 1 goal, 2 assists; Jim Bonter, 1 goal, 1 assist; Paul McMaster, 1 goal; Ian Ketcheson, 1 assist; and Pat Graham, 1 assist.

You're only old once!

BY LILLIAN ZACK

Ready or not, people in western society are expected to "retire" from paid work at 60 or 65.

Compulsory retirement serves a useful social function, but the experience, for individuals, differs widely.

Studies suggest that the middle-class man finds the transition most difficult.

Energy issues

BY JOHN GORMAN

Even if Canadians were given an iron-clad, irrevocable long-term guarantee that adequate supplies of crude oil could be obtained from foreign suppliers, economic arguments would still favor development of our own resources.

It is important for Canada to press ahead with the development of oil sands plants, Arctic and offshore opportunities, enhanced recovery projects and conventional exploration programs no matter how appealing the prospect of plentiful supplies of foreign oil might be.

A flourishing, active oil industry can provide a stimulus to the nation's economy.

A story published in a recent issue of Canadian Science illustrates the economic benefits which could be derived from the construction of fixed platforms for use in offshore oil production.

Says Canadian Science: "As far as money goes, local construction of concrete platforms would pump an estimated \$1.5 to \$2 billion into Newfoundland's depressed economy. Each platform would take about three and a half years to

since his identity, personal time clock, social life and self-esteem have, for so long, been related to his world of work.

If like Dickens' Mr. Micawber, he secretly hoped that "something will turn up" but made no plans to ensure that it would, his retirement can be traumatic. His previous longing for

some 'time to kill' may boomerang.

No longer defined by his work, how shall he fill in the blank after 'Occupation' on a questionnaire? Where are the phoe calls from colleagues seeking his counsel? Are his opinions no longer valued in social situations? When did he become so dependent upon, or so bored with, his wife? His children? (We'll explore this further in subsequent columns).

For the working class man, retirement problems are mostly financial, says Professor Margaret Hillie Huyck of the Illinois Institute of Technology. In her study, many reported little intrinsic job satisfaction and said they would retire early, if they had enough money to survive.

The happily retired are generally pursuing activities they've enjoyed for years. They finally have the leisure to do more fully, what they did, hurriedly, in the past.

Some try new ventures, turning private hobbies into people-related occupations.

Dr. Huyck tells of one friend, a gourmet cook, whose talents could not be enjoyed by his dieting wife. Underestimated, he took his exotic goodies to a retirement home where many were delighted to have a choice other than institutional food.

Society has a responsibility to ensure that working class pensions are not synonyms for penury. With adequate finances and social supports, individuals have choices.

But how does one go about finding something to retire 'to', if, in the past, work has demanded all of one's time and energy?

Courses in retirement planning are being offered by some of the larger companies and are available at the Y and educational institutions. For the do-it-yourselfer, Richard N. Bolles has included a valuable how-to manual and a reading list in the final sector of his own delightful and important book, *The Three Boxes of Life*.

Remember - You're only old once.

Peewee As defeat Frankford and Colborne

BY SUSAN M. CUDDY
MARMORA: On January 3rd, Marmora Peewees travelled to Frankford and added another win to their list of many. Frankford started off the scoring and held Marmora at bay until there was only 42 seconds left in the period. Then Jamie Nicolson scored our first goal, assisted by Jeff Clemens.

Steven Bedore scored unassisted and Mario Bertrand, assisted by Kevin Doyle and Stephen Pascoe, made the score 3-1.

Steven Bedore opened the third period, assisted by Kevin Doyle and Chris Chard. Frankford then scored twice, but Steven Bedore, assisted by Kevin Doyle, and Troy Bertrand, assisted by Mario Bertrand,

finished the scoring, leaving Frankford with a 6-3 win.

On January 5th, the Peewees were on the road again heading for Colborne and brought back a 7-1 victory! Mario Bertrand

scored the team's first two goals with Troy Bertrand assisting on the first goal and Kevin Doyle on the second.

Colborne's lone goal was scored by David Bond at the

start of the second period but Marmora took over and scored five more goals. Kevin Doyle assisted by Stephen Pascoe got things rolling. Stephen Pascoe assisted by Kevin Doyle

scored and then came Mario Bertrand assisted by Stephen Coens. Kevin Doyle scored the last two goals assisted by Stephen Pascoe. The peewees record is now 12 wins and only 4 losses.

Lion's Peewees

LAKEFIELD: Lakefield Chemong Lake Lions' Peewees played two games over the past weekend. On Saturday, the lads lost to Campbellford 4-1 and on Sunday they tied Bancroft on two all game.

In the game against Campbellford, Lakefield scored first on a goal made by Doug Hinan, with the assist going to Jeff Hamilton and Robyn Braine. Campbellford replied with four unanswered goals by D. Louke, J. Pearson and a double from A. Conte.

On Sunday, the team hosted Bancroft. Although the team was outshot badly for most of the game, Lakefield was able to salvage a 2-2 tie. Jeff

McConkey played extremely well, holding the Bancroft sharp shooters at bay for most of the game. The goals for Lakefield were scored by Robyn Braine and Jeff Hamilton with assists going to Troy Davies and Brent Collyer. Bancroft scorers were Morris Eddy and Roger Babbs.

There isn't much competition for the Hastings Ringette team so last week they played an exhibition game with the Campbellford women's team.

cards & flowers. Drs. Fisher, Hunt, Briggs & nurses on 5th floor at B.G.H., my roommate Liisa. Thank you & God bless you all. Florence (Pat) McFadden

CARD OF THANKS

WE would like to thank our son in law John O'Toole & his family, also Mary & Tom Moore, Rolene & Jack, Isobel & Matt Reid & all our many friends from the Toronto, Peterborough & Lakefield areas for the surprise party, gifts, cards & good wishes on the occasion of our 40th Wedding Anniversary. Wishing you all a happy & healthy New Year. Ron & Madge Hall.

I would like to thank my friends, neighbours & relatives for cards & visits while I was a patient in Peterborough Civic & Kingston General Hospital. Special thanks to doctors & nurses on Victoria Floor for such good care. Dennis Blackburn.

WE would like to thank our friends, neighbours, relatives & friends for cards & visits while I was a patient in Peterborough Civic & Kingston General Hospital. Special thanks to doctors & nurses on Victoria Floor for such good care. Dennis Blackburn.

A special thanks to all my good neighbours, friends & relatives, the Rebekah Lodge & United Church, to everyone for cards, flowers & gifts, to anyone who helped me in any way in 1982. Your kindness will never be forgotten. Madeline Mack.

THE family of the late M. Edna MacLean wish to thank friends, neighbours, relatives & friends for their beautiful floral tributes, messages of sympathy & many acts of kindness during the recent loss of our dear Mother & Grandmother. Special thanks to Dr. E. Mendum & nurses & staff and floor campers for their excellent care, & to Rev. David Wainwright for his most comforting words. Thanks also to Glenn Brett of Brett Funeral Chapel for his efficiency & thoughtfulness. God Bless you all. The MacLean Family.

WE would like to thank neighbours & friends for their flowers & cards of sympathy. The many acts of kindness were deeply appreciated during the loss of Murray's late mother, Mrs. Murray & Wynne Menzies.

THE family of the late Robert Daniel Menzies wish to express their sincere thanks to relatives, friends & neighbours for expressions of sympathy & kind acts in the loss of a loved one, for flowers, cards, food & charitable donations. Special thanks to Pastor Percy, Rev. Patton, Shirley Patterson, Brett Funeral Home for their kindness, & Meadow Lake Lodge, Campbellville. Your kindness shall be remembered.

I wish to thank friends, relatives & neighbours, for cards, treats & inquiries received while in Peterborough Civic Hospital & during my turning home. Thanks to the Moncrief family for the lovely gift of Mums, also to nurses & staff. Br. D. Caours. For visit & treats. Br. 389 for card & lovely bowl of fruit & pumpkin pie. Special thanks to Drs. Speller, Turner, Minor & Fagan & last but by no means least my good neighbours, Mr. & Mrs. Herman Wheeler for the many trips to Peterborough & the special treats they provided. Thanks Again, Vernon Althouse.

I wish to thank all my relations & friends & neighbours for all the cards & flowers. For your kindness, love & sympathy at the time of the passing of my wife Dec. 22, 1982. Thanks again. From Edward Rodgers & family.

CARD OF THANKS

I would like to thank the Lions & Legion for the lovely pot of mums they sent me at Christmas. Wishing everyone a happy & prosperous New Year. Dorothy Goller.

MEMORIALS

ANNUM In loving memory of my dear mother Mary Ann, who passed away Jan. 11, 1982. The depths of sorrow I cannot tell. In the loss of one I loved so well. And while she sleeps a peaceful sleep, my memory shall always keep. Sadly missed by daughter Mickey & grandchildren. 11

HARLEN In loving memory of John Harlen who passed away Jan. 6, 1982. It was to walk the road alone. Instead of side by side. But to all their comes a moment. When the ways of life divide. You gave us years of hap-piness. We will treasure through the years. Then came sorrow & tears. But you left us beautiful memories. We will treasure through the years. Sadly missed by wife Lottie & family. 11

YOUNGMAN In loving memory of my dear husband, Eleazar, who passed away one year ago, January 10, 1982. He wished no one a last farewell, or even said good-bye. He was gone before I knew it, and only God knows why. God's Golden Gate stood open. God saw you needed rest. His garden must be beautiful. He only takes the best. Always loved and remembered by his wife Lavina. 11

MEMORIALS

MEMORIALS

YOUMANS, Eleazor In loving memory of a dear grandfather who passed away one year ago. January 10, 1982. We cannot bring the good times back. Your hands we cannot touch. But we still have sweet memories. Of the one we loved so much. What we would give to hold your hand. Your happy face to see. To hear your voice. And see your smile. That meant so much to us. What you suffered, you told but few. You didn't deserve what you went through. Tired and weary you made no fuss. But tried so hard to stay with us. They say that memories are golden. And well we guess that's true. But we never wanted memories. Papa. We only wanted you. Sadly missed by grandchildren Laura, Jeff, Jamie, Lisa Cindy and Melanie. 11

AYLESWORTH In loving memory of a dear husband. Garfield Aylesworth, who passed away Jan. 10, 1980. Wonderful memories woven in gold. This is the picture I tenderly hold. Deep in my heart your memory is kept. To love, to cherish, to never forget. Deeply missed by wife Jean. 11

YOUMANS In loving memory of my dear dad, Eleazor Youmans, who passed away one year ago. Jan. 10, 1982. Dad is such a special word. A word that brings to mind. A big warm smile, a helping hand. A way of being kind. Devotion to the family. A word of patience too. "Dad" is such a special word. Because it stands for you. Always remembered & loved by daughter, Darlene, & family. 11

PIGDEN, Mary Ann In loving memory of our beloved mother who passed away December 29, 1983. A Mother is wonderful. So is the name. Without one to love life isn't the same. But as long as we live we will always be glad. To treasure the memory of the Mother we had. Always remembered & sadly missed. Your family. 11

YOUMANS, Eleazor In loving memory of a dear father and grandfather who passed away one year ago. January 10, 1982. It's so strange that those we love are just the ones God called home. And took them Home to rest. But everytime we think of Dad we seem to hear God say. "His faith and trust. My promise. You'll meet again some day. Sadly missed by son Guy and family. 11

SEARLES, Lorraine V Who passed away Jan. 18, 1977. So dearly loved by one & all. Her memory is as sweet today. As in the hour she passed away. Lovingly remembered by Husband Garret & Step Sons Lance & Todd. 11

FOUND
FEMALE black collie, med. um size, with Samoyed face. 2 1/2 years old. Found Belmont Lake Havelock area. Phone collect 416-831-7720. 2 13 2

AYLESWORTH In loving memory of a dear father & grandfather, Garfield Aylesworth, who passed away Jan. 10, 1981. From hospital bed to heaven's rest. God took you home to be his guest. You stood the test & stood it well. Just what you suffered no one can tell. We were not there to see you die. To hold your hand or say goodbye. But will remember our whole lives through. The last words we had with you. Lovingly remembered by Harry, Judy & Lynne. 11

LOST
FOUR year old Airedale neutered male needs medication. Answers to Chester. Lost 1/2 miles south of Hastings on Hwy 45. 705-696-9231 or 696-2928. 14

AYLESWORTH In loving memory of a dear father & grandfather, Garfield Aylesworth, who passed away Jan. 10, 1980. His memory is our keepsake. With which we'll never part. God has him in His keeping. We have him in our hearts. Lovingly remembered by his children Harry, Jean, Glenn & Wendy, sons-in-law Steve & Eldon & Judy, grandchildren Lynne, Douggie & Bradley. 11

Springbrook social news

BY HILDA MASON

A family reunion and New Year's dinner was held at the home of Keith Solmes and hosted by John and Carole Solmes of Marmora. The dinner is held each year at this time for the descendants of the late Herbert and Frances Solmes. All families were represented coming from Oshawa, Belleville, Foxboro and surrounding areas.

New Year's Eve dinner guests of Mr. and Mrs. Ralph Wellman were Mr. and Mrs. Gerald Burkitt, Mr. and Mrs. Gerald Broadworth, Mrs. Isabel McIntyre, Mrs. Audrey McFaul and Mrs. Bernice

McKeown, all of Bonarlaw.

Mrs. Nellie Ketcheson, Wallbridge, spent the New Year week with Mr. and Mrs. Malcolm Mason.

Mr. and Mrs. Denton Meiklejohn, Julie and

Bruce, spent a few days during the holidays with the latter's parents, Mr. and Mrs. Harold Moore, at Morrison, and enjoyed some family gatherings.

Mr. and Mrs. Clifford Reid, Belleville, were

luncheon guests of Mr. and Mrs. Ted Preston on New Year's.

Mr. and Mrs. Ralph Wellman were dinner guests of Mr. and Mrs. Sam Gifford, Bonarlaw, on New

Year's Day.

Mr. and Mrs. Ted Preston were dinner guests of Mr. and Mrs. Garth Muir and Nicole, Stirling, on New Year's evening.

Norman Nelson, Toronto, called on Mr. and Mrs.

Ralph Wellman recently.

Mr. and Mrs. Stewart Brownson have returned home after spending the past few weeks with their daughter and family, Mr. and Mrs. Dick Swanson and boys of Livonia, Michigan.

Wellman's Corners

BY MILDRED GRAHAM

Mr. and Mrs. Paul Sharp and Brian, Mr. Ken Wright, were dinner guests on New Year's Day with Mr. and Mrs. Jack Sharp and family.

Mrs. Ken Robinson and Mrs. Sanford Wilson of

Peterick's Corners, were callers of Mr. and Mrs. Gerald Clancy during the holidays.

Supper guests of Mr. and Mrs. Bob Cooney and family on New Year's Day were Mr. and Mrs. Raymond Cooney, Mr. and Mrs. Ron Cooney and family, Mr. and Mrs. Bill Cooney and family, Mr. and Mrs. Ed Cooney and family, Mr. and Mrs. Mark Cooney and family, Mr. and Mrs. Murray Pitman and family, Mr. Garry Locke

Supper guests of Mr. and Mrs. Jack Sharp and family on New Year's Day were Mr. and Mrs. Harry Keating and Marguerite, Mrs. Eva McCormick and Wayne

Mr. and Mrs. Allan Robertson and family, Mrs. Gladys Robertson of Camp bellford and Mr. and Mrs. Shears of Toronto, spent New Year's Day with Mr. and Mrs. George Fleming and family.

Obituary

WILLIAM BURKE

William Burke of Port Hope and formerly of Deloro passed away at Port Hope and District Hospital on December 31, 1982, at the age of 65.

Mr. Burke was born in Deloro to the late William Burke and Margaret Cassidy and is survived by his wife Carma Irene Young and children Tom of Port Hope, Clayton of Port Hope, Fay (Mrs. Jim Boddison) of Lindsay and Doreen (Mrs. Jim Swanton) of Lindsay.

He is also survived by brothers Martin of Toronto, Edward of Madoc, Patrick

of Toronto, Michael of Peterborough and Joseph of Peterborough.

Mr. Burke was a retired supervisor at Eldorado Nuclear in Port Hope and was educated in Deloro and Marmora High School. He was a member of St. Mary's Church in Port Hope.

Funeral mass was held on January 3, 1983, at Sacred Heart Church with Reverend J.P. Carthy officiating. Pall bearers were Bill Owens, Bob Tanacke, Bill Perry, Gerald Fluke, Bill Smylie and Otis Fluke.

Six buildings that house 2,256 permanent wholesale showrooms on a 135-acre site makes up the world's largest market in Dallas, Texas.

OVER 200,000 READERS

**That's right! You can reach over
200,000 readers with our
1983 Summer Vacation Guide**

This is a great idea to reach not only the regular local market but mainly the thousands of tourists, campers and cottagers coming into this area.

⇒HOW!←

Simple! Just place your advertisement in our VACATION GUIDE which will be distributed from Peterborough on the West, to Tweed on the East, Belleville to the South and Bancroft to the North.

*Over 70,000 copies will be handed out FREE
from the Victoria Day Weekend in May
until the Labour Day Weekend in September.*

There has never been such a powerful Summer Vacation Guide produced in the area before.

We will have maps of this area, historical articles of the villages and region and the most comprehensive list-of-events ever compiled.

For more information on how you can take advantage of this unique opportunity, please call and we'll have Gary McPherson come out and see you with more details and advertising rates.

613-472-2431

**Closing date for all coming events and advertising is
FRIDAY, APRIL 29th.**

To make sure you're in this Super Special, CALL US NOW!

Cadets need people for band

The new winter works project for the Madoc area, in co-operation with three area Legions, Madoc, Tweed and Marmora, will employ three area people. They are Roy Matachekie, project manager; Pam Ford, to form a new marching band; and Mark White to research a 50-year history of the Madoc Cadet Corp.

The man behind the application for this grant is Mr. Everett C. English, who is the Commanding Officer of the Corps. He is also the vice-principal of Madoc Public School.

The application was sent in September 30, 1982, and accepted in mid-December. There has been a large amount of local support for this project in the community. We would like to thank Edgar Hussey, President Branch 237, Marmora, Royal Canadian Legion; and the

representatives from the Legion Branches at Tweed, Marmora and Madoc. We would also thank Mr. Gerald Boyce, president of the Hastings County Historical Society; David Brazeau, past president of the Madoc Kiwanis Club Inc.; Mrs. Brenda Hudson, secretary, Madoc Historical Foundation; and Mr. William J. Aylsworth, music teacher, Centre Hastings Secondary School.

At this point, we would like to ask that any former cadets please contact us about any information they may have concerning the Cadet Corps, especially the early years of the corps. We would also like to request that any young person between the ages of 13 to 18 who would like to play in a marching band, please get in touch with us at 473-2487 before 4 p.m.

Queensboro News

Mr. and Mrs. Doug Reid, Dana and Karrie of Trenton, visited Mrs. Arthur Holmes on Sunday, January 2.

Mr. and Mrs. Robert Lynn, Robbie, Sharon and Jeffrey and Mrs. Donald Calton of Grafton, visited Mrs. Will Lynn one day last week.

Mr. Raymond Gordon spent Christmas with Mr. and Mrs. Basil Moore, Belleville and New Year's with Mr. and Mrs. Roy Gordon in St. Catharines.

Visitors of Mr. and Mrs. Alex Clarke during the New Year's weekend were: Mr. and Mrs. Kelly Lucas and Lawrence of Belleville; Mr. and Mrs. James Clarke and boys, Springbrook; Mrs. Patricia Villeneuve and Maurice and Ami; also, Mr. Allan Bates Sr., and Allan Jr. of Stratford; and Mr. and Mrs. John Walker of Queensborough.

Mrs. Arthur Holmes attended the visitation for the late Mr. Reg Workman on

Wednesday afternoon and evening in the Bush Funeral Home in Belleville and spent the supper hour with Miss Gladys Rollins in Belleville. Mr. and Mrs. John Yzeret of Cooper and Mrs. Joseph Ash of Madoc attended the evening visitation also.

Mr. Clarence Ramsay visited Mr. and Mrs. Albert Ramsay and family on Christmas Day and visited Mr. and Mrs. Finch at Springbrook on New Year's Day.

Mr. and Mrs. John Walker spent New Year's Eve with Mr. and Mrs. Boyde Walker in Gilmour.

Mrs. Will Lynn and Mr. and Mrs. Raymond DeClair and family were guests of Mrs. Goldwin (Jessie) Holmes on New Year's Day.

Mr. and Mrs. Walter Wannamaker spent a few days at Christmas with Mr. and Mrs. Elmer Wannamaker of Bancroft.

goals respectively in the second and third period to "run away" with it.

The Madoc team had a really off day and didn't give Bancroft any struggle at all.

The only Madoc marker came from the stick of Doug McCoy from Peter Ringelman.

Mighty Midgets stopped

MADOC: Here on Madoc's home ice, Tuesday, January 4, Colborne spoiled the local Midget team. After running eight consecutive games without defeat, from November 12, they tasted defeat at the hands of the only team to beat them before Colborne. The score was Colborne 3, Madoc 0.

It was an evenly contested battle, but Madoc just couldn't get that rubber before the Colborne goalie, who pulled off outstanding saves throughout the affair. One goal in each period was all Colborne needed.

Madoc Midgets now have won 10, lost 2, and tied 2

Bantam A

MADOC: Madoc Bantam "A" team continues to "pour on the coal" in their winning ways. They extended their undefeated streak to eight games, dating back to November 12. They accomplished this with a hard fought 5-3 victory over their arch rivals, the Tweed Bantams. This was Madoc's third close win over the spunky Tweed gang.

The game was played on Tuesday, Wednesday, January 5. Madoc lads previously defeated Tweed 6-4 on their home ice and then won a return match 6-5 here in Madoc over the same Tweed bunch. Bantam "A" team now has a good 7 wins, 2 losses and 2 ties for a season's record.

During the 5-3 victory game over Tweed, the score was even at 1-1 after the first period.

Tweed jumped into an early 2-1 second period lead, but Madoc 21 seconds later, tied it up 2-2, with Peter Ringelman ramming in his second of three for the night, giving him 19 so far this season. The gang from Madoc went to town and rattled two more goals into the Tweed cage to end the

second period 4-2 for Madoc.

Beginning the third period, Madoc notched the first goal to jump ahead 5-2, with less than two minutes to go. Tweed counted their third of the night, leaving the final score Madoc 5, Tweed 3.

Scoring points for Madoc were: Peter Ringelman, 3 goals, 1 assist; Doug McCoy, 1 goal, 1 assist; Chris Daniels, 1 goal, 1 assist; Mark Burris, 1 assist; and Danny Powell, 1 assist.

Atoms draw

Sunday night, January 9, here in Madoc, the Madoc Atoms and Norwood Atoms put on a close demonstration of hockey to the tune of

Wed., Jan. 12, 1983 Page 23

1-1. This was an exhibition game between two possible contenders in next month's playoffs.

If it was any indication, we could be in for a closely contested series.

With no scoring in the first period, the team traded goals in the second period. Jeff Sawkins got Madoc's only goal from Jason Bailey and Derek Wood. This was the game's first goal and Norwood came right back within the next minute and tied it up.

The third period was scoreless.

In the final minute, the Madoc boys did everything but get that puck over the line behind the Norwood goal. But it didn't happen and the game ended in an even 1-1 game.

\$158 donated to CNIB for books

Canadian Tire cash bonus money collected for a donation to the Canadian National Institute for the Blind (CNIB), totalled \$158. The money will go toward the purchase of talking books for the blind and visually impaired.

A large jar sat at the check-out of the Madoc Canadian Tire Store from December 8, to 24, where customers could put Canadian Tire Cash Bonus donations.

According to a statement to the press released jointly by the CNIB and Canadian Tire, the CNIB Library Service is one of the most popular services of the CNIB. Two hundred visually impaired readers in six counties served by the Belleville CNIB office, will

use the talking books in 1983.

Cost of providing talking books for each visually impaired reader is \$120 per year and CNIB requested customers to donate their coupons to help the cause.

Bantam "A"s defeated

In an exhibition match the Madoc Bantam "A" team went down to a resounding 9-1 defeat by Bancroft. This game was played in Bancroft Sunday, January 9.

Madoc scored the first goal of the game and Bancroft tied it 1-1 at the end of period 1.

Bancroft added 5 and 3

The Madoc Bantams skated away with a 2-1 victory in Marmora last Friday night. It was a hardhitting game

that saw both teams take unnecessary penalties, much to the frustration of their coaches. Richard Chapman

was also not pleased by the performance of the referees by the time the game ended. The Madoc goal-

tender put forth an excellent effort as he was forced to stop several shots from close in on net.

Model School bell on way to ringing again

The 400 pound bronze Model School bell cast in 1878 is well on its way to

ringing over Madoc Public School. A meeting was held

January 12 at Madoc Public School to inform the public of the progress the Bell

Committee, headed by Allan Danford, and the Board of Education have made on the project to build a tower at the public school and mount the bell.

Principal of the school, John Murphy, said drawings for the proposed tower and plaque mount were prepared "a few months ago" by Ernest A. Cromar, architect, Kingston.

The plans show the handsome 24-foot tower built next to the foyer which is in the process of being constructed to meet fire regulations. The tower will be constructed of cement blocks inside and lined with bricks on the outside.

"It would take a tremendous effort to vandalize the tower once it is complete," said Murphy.

Murphy said the committee considered designing the tower in the victorian style, but decided it would not be appropriate. He said the architect adapted the design to coincide with the look of the new school by simplification of the victorian style.

Cost for the tower is

estimated at approximately \$15,000, depending on the rate of inflation by the completion of work.

Danford explained that the committee investigated the possibility of grants for the project, and found two avenues to apply to.

"We could receive a Wintario grant for up to half of the cost of the project, but we must apply in the fall of 1983 to be able to begin work in 1984," said Danford.

Danford said the Ontario Historical Organization may provide some assistance, if the committee can prove the project is of historical value to the province. The committee, is now researching other Madoc Schools to provide the organization with the required information.

Also during the meeting, additional funding was discussed and Murphy explained that the Bell Committee or "Madoc Historical Society" is a registered charitable organization, and any donations offered for the project are tax deductible.

Secretary-Treasurer Branda Hudson said: "The Toronto Dominion Bank, Madoc, has agreed to handle the funds in an account free of charge. Anyone who donates money to me or the bank will receive a receipt for income tax deduction."

Donations and pledges to date already total over \$1,000, said Hudson.

The committee and school said Murphy should go for it and raise money seriously.

See Bell page 2

The Madoc Model School Bell was cast in 1878 and recently a committee was formed to get a tower built

at the public school and have the bell mounted. Seen above is an architect's

drawing of what the school would look like with the tower built beside the foyer.

Hastings and Prince Edward County Health Unit opens new office

On January 10, the Hastings and Prince Edward Counties Health Unit opened a new office at 12 St. Lawrence Street, Madoc, moving from their former location at the Centre Hastings Secondary School (CHSS).

The reason for the move, says Dr. P.J. Halkett, medical officer of the counties' health units, was because the room at the high school was too small and privacy was limited.

"Frankly, the room became too small, and early last year the unit at Belleville saw the need for an increase in services at Madoc," says Dr. Halkett.

Dr. Halkett said the Ministry of Health agreed; so the health unit began looking for suitable relocation.

The unit operated out of CHSS for approximately six years, says Halkett.

The programmes offered at the new location include: public nursing; pre-natal classes; family planning; nutrition; inspection department; children's mental

health services; infant development and family relief (part-time programmes).

Dr. Halkett says that, "apart from a service, it is also an information unit."

The office space formerly occupied by Hawley Hardware, has a kitchenette and meeting room in the back for the various programmes and seminars to be held concerning health. There are also five offices to accommodate Adult Protective Services Worker Ms. Shaheen French, Mental Health Worker Mrs. Deborah Hoffman, and the Public Health Nurses, Mrs. Wilma Cassidy, Mrs. Maureen McLean, and Ms. Janet MacLennan are all public health nurses working out of the new location. There will also be RN (registered nurse) Mrs. Margaret Whitmore and RNA (registered nursing assistant) Mrs. Sadie Robinson working out of the office. Both are residents of Bancroft. Also, RN Mrs. Nancy Lynch, Belleville, will be serving the area.

Secretary of the Madoc office is Sheila Airhart who

has been employed with the unit since August 1981. She says she has been a

resident of Mariposa for the past 20 years. Before working for the health unit,

Mrs. Airhart worked at Johnson's Pharmacy, Madoc.

Of the move Mrs. Airhart says, "This is a great step for us."

Housing Minister Lunches at Mother's

opening

In Ontario, says Bennett, there are 111,000 senior citizens' units, 52,000 senior citizens', 44,000 family

units for the retired, and 15,000 to 17,000 units rented as public housing units under a rent supplement program.

The Northbrook project had been in the serious stage of development from five to seven years, says Bennett.

Seen in the picture at Mother's German Restaurant is Mr. Robert McEwan,

chairman of the Northumberland County High School (left) and his wife, Mary

(centre), and Claude Bennett, Minister of Housing (right).

Hockey schedule

Tuesday, January 18, the Midget team will face Stirling at 7 p.m. on Madoc ice. On Friday, January 21, the PeeWees play Tweed at 6:30 p.m. in Tweed. Also on January 21, the Bantams play at home.

On January 22, starting at 8 a.m., there will be a Madoc Midget Hockey Tournament held at the Madoc Arena. There will be eight teams participating, so come and enjoy a day of hockey.

It's great to see the expression on the people's faces and the thanks they express for helping them," says Bennett.

He said a local ladies' social club provided nice refreshments after the

bell mounted. I think we
have the support and
enthusiasm now to go
ahead and mount the bell
here, we feel we will be
able to complete the project,
especially if we get more
offers of labor and help like
we've already had," said
Murphy.

Also present at the
meeting of approximately
25 people, were Tom
Burnside, chairman of the
Hastings County Board of
Education, Doug Parks,
Madoc Village secretary,
treasurer and member of
the bell committee; Ross
Sprackett, Reeve of Tudor
and Cashel Townships; and
Glenn Franks, Reeve of
Huntingdon Township.

Reeve Franks said, "It

was a pleasant surprise to
see the amount of prepara-
tion done here. I will be
making a donation and can
see the success of the
project in the future."

Reeve Sprackett also sup-
ported the idea and said he
would be making a donation
toward the effort.

Tom Burnside said he has
been aware of the bell idea
for a year and one-half,
since he read about it in the
minutes of a Board of
Education meeting. He sup-
ports the idea fully.

The drawings for the
tower are remarkable pieces
of work. That's thing (the
bell) has a beautiful tone,
you could hear it for miles,"
said Burnside.

Continuing adult education

Continued from page 1
the men's physical educa-
tion course offered during
the day is also new.

The new night courses
include fitness for men,
carpentry, photography,
welding, interior decorat-
ing, word processing, bee
keeping and honey prepara-
tion, and mixology (bar-
tending). The courses that
ran in the first semester and
continue in the second are:
hallroom dancing, ceramics,
sewing, introduction to
computers, oil painting,
dance/rize, small engines,
stained glass and upholst-
ery.

There were 73 adult

students taking night
courses during the first
semester, with 49 taking
one subject and 24 taking
two or more.

Head of continuing educa-
tion at CHSS, Elmer
Buchanan says most of the
adults enrolled in the first
semester night school were
women.

On average, says Buchan-
an, cost for the night
courses are \$1 per hour and
most classes run 30 hours.
All classes require a mini-
mum of eight people enroll-
ed before the course can
run. Courses run an average
of three hours per week, he

says.

The free credit courses
available for adults during
the day include art educa-
tion, business education,
physical education, and any
other regular courses offer-
ed at the school.

Buchanan says, "There
are very few teachers from
CHSS teaching night
school. Most of the teachers
are people in the community
who are interested in
teaching their specialty to
others."

Buchanan explains that a
professional welder teaches
welding, a small engines
tradesman teaches the
small engines course, and
so on.

"Anyone who has an
interest to teach, has to just
contact us and offer it,"
says Buchanan.

Last year, he says, they
ran a flower arranging
course.

"All the night school
courses are interest courses
except mixology, which is a
credit course in conjunction
with Loyalist College," says
Buchanan.

Buchanan is a math
teacher at CHSS, a con-
tinuing education council-
lor, and has been principal
of the night school for the
past two years.

"It's been quite success-
ful since I've taken over,"
says Buchanan.

Buchanan is cautiously
optimistic about the new
men's fitness course start-
ing in the second semester
as a day credit course. He is
hoping the 12 Ontario
Provincial Police officers
who said they are interested
will sign up for the free
course.

Buchanan says he has
received many positive re-
marks about the day credit
courses.

"There's one middle
aged woman who says it's
completely changed her
life," says Buchanan.

Eldorado

UCW

meet

The January meeting of
Eldorado United Church
Women was held January 3
at the home of Audrey
Chambers. Audrey opened
the meeting with a poem
Happiness and the New
Year. Minutes of last
meeting, treasurer report
and business was read.

Mary Blackburn was in
charge of the program,
opening with a reading
Thought Conditions and
Renewal for New Year. All
repeated Hymn 571.

Mary gave the reading
Fitness for Life.
Edith Boyle gave the
reading, He That Hath the
Son Hath Life.

Mary Blackburn gave the
reading Supposing It To Be.
There was also a reading by
Winnie Ketcheson, Out of
This Glory.

Mary Blackburn read
Christ Came Down Jericho
Road and each member
repeated a prayer we were
thankful for.

Allanswered roll call, and
Mary closed with the
benediction.

Audrey served a lovely
lunch on a social time was
spent.

Bridgewater school to integrate students into two schools

January, January
Bridgewater School
ble (retarded)
approved a
to move the
in students to a
S.H. Connor
and move
directly to
ings Secondary
SS). Madoc,
are scheduled
er 1983.

given by the
d. "We are
this is the best
choice for our
d confident that
integration can
set settings. To
anion year, to
as possible, there
for at least that
ncipal in charge
w integrated

settings. The ideal, of
course, would be to have
a primary/junior class in each
of the three communities.
Marmora, Madoc and
Tweed, but at present, the
small enrolment does not
make this an option.

The relocation of Bridge-
water School students has
been under discussion for
over a year. Last spring,
during the Study Commit-
tee's deliberations, it be-
came apparent, integration
for trainable retarded stu-
dents was well worth
pursuing, apart from the
previous recommendation
to close the school for
economic reasons.

In June, 1982, a proposal
was approved by the Has-
tings County School Board of
Education to have all
students move into Tweed

schools in September 1983,
and later, some to move to
CHSS.

Since then, there has
been a decline in enrolment
at Bridgewater, so they only
need two classrooms in-
stead of three, and space at
CHSS has become available
at CHSS in time for the
September 1983 move.

L. Grunig, principal at
Bridgewater, said in the
written statement that:
"One thing must be empha-
sized and I use the same
words as I did in a letter to
you last May. "Integration"
as we see it means that
Bridgewater students, their
teachers and assistants
move into a classroom in
another setting. It does not
mean that our students
would be placed in class-
rooms for instruction with
"regular" students. Inte-

gration is a process by
which there is fostered an
awareness of handicapped
students - some of the ways
they are special, but more
important, the ways they
are the same as other
students. By sharing activi-
ties such as recess, sports
events, assemblies, possi-
ble programs such as music,
library, crafts (basically the
non-academic areas) this
social integration can be
accomplished. Any attempt,
even those described above
would be carefully planned
and supervised and accom-
plished gradually."

The report goes on to say
that one or two students
may eventually join some of
the regular classes, for
instruction (e.g. in the shop
area of the Secondary
School) but would not be a
general expectation for

most students.

"We have been assured
by Mr. Shipton and by the
Hastings County Board of
Education that there will be
no decrease in services to
our students as a result of
any move. (Staffing is based
on the number of students
and degree of special needs
and can fluctuate whether
or not we relocate)," the
report from Bridgewater
School stated.

As a result of the moves,
a number of opportunities
will arise: daily contact with
regular students (more real-
istic environment); use of
available facilities; proximity
to work experience
(community resources); and
an opportunity to be part of
a large school community,
but still have a secure
"home base" with trainable
retarded students and staff.

Wings gain second place tie with Kings and Canadians

January 15
was 8 Bruins 4

The Hawks gained a
second place tie with the
Kings and Canadians by

way of this victory. This was
the second meeting of these
two teams, the Hawks won
the earlier game in the
schedule 7-3 over the Bruins
also.

The Hawks went into a
2-0 first period lead, only to
see the Bruins tie it before
the end of period one, 2-2.
The Hawks outscored the
Bruins 6-2 in the last period
to romp to an easy 8-4
victory.

The game itself seemed a
bit dull as there wasn't that
much thrill to the affair.

Pointgetters were: for the
Hawks: Jason Bailey, 1
goal, 3 assists; Derek
Lucas, 2 goals; Andy
Griffith, 2 goals; Shawn
Gray, 1 goal, 1 assist; Mark

Bossio, 1 goal; and Tim
Osborne, 1 goal. For the
Bruins: Clinton Carswell, 2
goals; John Pack, 1 goal;
Clayton Curl, 1 goal; Wade
Wickes, 2 goals; Robert
Tokely, 1 assist; and Scott
Sherrin, 1 assist.

Game two resulted in
Flyers 8, Canadians 6.

Winning their fourth in
succession put the Flyers in
sole possession of first place
in the House League with 8
points.

Three to one was the
score after period one for
the winning Flyers. The
Canadians had scored to
open the period, but from
then on it was Flyers only
scoring.

With two minutes and

five seconds left in the
game, the Flyers had a
comfortable 8-3 lead, at
least that is what they
thought. The Canadians
raced back and tallied three
more goals to make the
score a tight 8-6. The last
goal came with five seconds
left in the game.

Pointmakers: for the Fly-
ers were: Kent Rosnuk, 4
goals, 1 assist; Peter Deni-
son, 3 goals, 2 assists; Brad
Phillips, 1 goal; Charlie
Neal, 2 goals; Aggo Tough,
1 assist; and Jim Bonter, 1
assist. Scoring for the
Canadians were: John
Chappelle, 2 goals, 3
assists; Angus McNeal, 2
goals, 1 assist; Jason
Francis, 1 goal, 1 assist;
Tom Deline, 1 goal; and Tim
Quinneville, 1 assist.

Loyalists' Association hears Queen's professor

The great ingenuity of these early entrepreneurs was stressed.

Beautiful slides of the historic Bell Rock Mill on Depot Creek in Portland Township were used as illustrations. This mill, however, was not built in Loyalist times; it was first established about 1840, but it is one that survived until 1972 still using water power as a source of power. It is interesting, too, that at Bell Rock there were four types of operation under the one roof: saw mill, flour and grist mill, planing mill, and shingle mill.

Although Bell Rock started as a mill with the traditional water wheel, about 1870 turbines were installed and proved much more efficient than the water wheel. At a much later date, a boiler was added as a back-up source of power. None of the machinery at this mill was purchased new; all had been recycled. Consequently, when the mill was restored it was not necessary to have all the equipment of one set period.

As the millwright had only one source of power, he had to cope with a real challenge of getting the

power distributed throughout the whole mill. He worked out a system of belts from pulleys on a drive shaft.

The shingle mill at Bell Rock is the only one in Eastern Ontario that makes white cedar shingles. These are much in demand by those restoring old buildings as was seen in the recent example of the Bath Town Hall.

Visitors may tour the facilities of Bell Rock from about the first of April until the end of November. This mill is located north and east of Napanee.

Reeve Jack Kippen of Ernestown was welcomed with his wife. His township has an active committee working on celebrations to be held in 1984, to mark the arrival of the Loyalists in Ernestown. Roberta Dewar, a music graduate of Queen's University, accompanied herself on the piano when she sang two historic ballads from the early 19th century. This entertainment was very suitable for this Loyalist gathering in a township in which so many

Loyalists had come to make their homes.

Donald Paul, the generalist for the Branch, reported a certificate had been received for Mrs. Elizabeth (Frost) Miles, Des Plaines, Illinois. Mrs. Miles qualified as an affiliate member; that is, she had documented her descent from a Loyalist ancestor (Johan Eberhart Weeger) but could not qualify as a regular member since she is not a Canadian citizen. The application of Russell Sills, RR2, Stirling, for life membership was accepted with a round of applause.

The nomination committee was appointed to bring in a report at the March meeting. Helen Stagg, Cummings Davenport, Claire Lamont, Ethel Dempsey, and the current president, Mary Mackey. The national UEL essay contest was explained and arrangements were made to have an announcement about this circulated through the four townships covered by the Bay of Quinte Branch. Jessie Demaine reported that an order for 500 additional

Bicentennial souvenir spoons had been arranged.

Following the resignation of Roy Hartman as treasurer of the branch, Jean Davenport, Napanee, has assumed that position; Gwen Smith has continued to serve as treasurer of the museum for 1983. Following a motion of Noreen Smith and Cummings Davenport, the executive has accepted the additional duty of operating the UEL Museum during 1983. As the trust document under which the Bicentennial Endowment Fund operates allows donations to be received only until December 31, 1984, those wishing to support this Bicentennial project of the Bay of Quinte Branch are encouraged to do so shortly.

If you hate flowers, you have anthophobia.

ANNOUNCING THE ALL NEW 1983 MAZDA 626. DESIGNED TO EXCEL.

The all new front wheel-drive Mazda 626 is designed to set a new standard in its class. Absolutely nothing was a compromise. Every concept and innovation was proven in the real world, on an automobile as refined as Mazda ingeniously could.

It is the most thoroughly tested completely tested produced.

DESIGN FUNCTION. Design is an intelligent uncluttered lines surfaces. The most efficient in the world. The Coupe has a drag coefficient of 0.34, the same as a sports car. The result is better handling at

highway speeds and an overall reduction in wind noise. Inside you'll find the new 626 surprisingly roomier. In fact, it offers one of the largest passenger compartments in its class.

The interior design is one of subdued elegance and convenience. The driver's seat adjusts six ways. (On Luxury models it adjusts ten ways.) And the steering wheel tilts, allowing you to create the perfect driving position.

All the controls have been meticulously shaped and located. The dials and gauges are precisely placed for quick communication. The overall sensation is one of complete control.

THE PERFORMANCE WILL MOVE YOU.

For '83, the 626 sports one of the most compact 2 litre engines in the world. The entirely new engine is extremely quiet. Remarkably smooth. Frugal on fuel. And it can move the

626 through its standard 5-speed trans-axle from 0 to 80 km in just 8.0 seconds. The 626 also boasts an impressive

combined fuel economy rating of 7.1 litres/100 km (40 MPG).

THE RIDE OF A LUXURY CAR. THE HANDLING OF A SPORTSCAR.

The 626 front wheel-drive system has been designed to eliminate torque steer, a negative aspect generally associated with front-wheel-drive cars. As well, the 626 now has rack and pinion steering with variable power assistance to ease parking and provide greater stability on the

highway. The new 626 also has four-wheel independent suspension that provides a better ride.

Another innovation for '83 that reflects Mazda's no-compromise philosophy is the new Electronic Variable Shock Absorber System. It's found on both Sport Coupes and the Touring Sedan. Located on the dash is a switch that allows the driver to select either the Normal Auto or Sport setting for the shocks. In effect, it lets the driver create the ideal ride, whether it be greater comfort or a firmer ride on the Sport setting. (The Auto setting selects a firmer ride over 80 km/h.)

You don't have to look very far for quality on the new 626. It's everywhere. But quality is also evident in what you don't see. The '83 Mazda 626 was subjected to the most advanced sound and vibration reduction measures. Making the new 626 one of the quietest cars in its class.

For '83 we have added a versatile five-door Touring Sedan to the line up to complement the four-door Sports Sedan and two-door Sport Coupe. The Sport Coupe

and Sport Sedan are available in either Deluxe or Luxury models.

Mazda's scrupulous attention to craftsmanship and quality standards have helped to make the new 626 virtually flawless. It is a car that others will be measured against.

Mazda designed the 626 to be a total driving machine that abounds with technical innovations. We also designed the 626 to accommodate something most quality cars don't even approach: Your budget.

Come into your nearest Mazda dealer now and see one of the most outstanding road cars available today.

1. New fuel efficient 2 litre engine
2. Luxury Model 10 way adjustable driver's seat

Springbrook social news

BY HILDA MASON

The afternoon unit of the UCW met in the church hall recently. President Gladys Mason opened with prayer. Roll call was. What Did We Enjoy Most About Our Centennial Year? Response to this question was good, with interesting comments.

Reports from various committees were given and received. It was agreed to have a potluck dinner in the church dining hall on February 5th, followed by the regular monthly meeting at 1:30 p.m., instead of 2 p.m., which has been the usual time.

Members were reminded of the annual presbytery meeting at the United Church, Tweed, on February 10th. Linda Jackson, Stirling, was present and explained the History of Stirling book which is being

composed and printed in honor of Stirling's 125th birthday this year.

Eileen Downer was in charge of the devotional and Audrey McFaul conducted the Bible study which was a very meaningful discussion on How to Use Our Bibles.

Lunch was served by the hostesses, Stella Doughty and Betty Wellman.

Mr. and Mrs. Paul Rollins and Kevin were overnight guests of Mr. and Mrs. Frank Tunzi, Scarborough, on Saturday, and attended the NHL hockey game at Toronto that same evening.

The ACW of St. Mark's Church held a card party on Monday evening. Winners were: Ladies, Maude McComb, and second, Mary Morton and Grace Heath, tied; gents, Allan McComb and Isabel McNroy tied for

first and Claude McNroy was second.

The congregational meeting for Springbrook United Church will be held on Tuesday evening, January 25th.

Friends were sorry to hear of the passing of Sarah (Cooney) Robb at Campbellford Hospital on Saturday. Mrs. Robb resided on the

10th Concession, west of Springbrook, until a few years ago, when she moved to Campbellford.

Mrs. Kathleen McMillen, Stirling, visited Mr. and Mrs. Stewart Brownson on Sunday.

Mr. and Mrs. Don McNroy, Allan and Ann, Belleville, Mr. and Mrs. Paul

Rollins and Kevin, were dinner guests of Mr. and Mrs. Hiram Mumby on Monday evening in honor of Kevin Rollins' birthday.

Mr. and Mrs. Allan McComb were luncheon guests of Mr. and Mrs. George Sutherland, Stirling, on Sunday.

New district manager

Ron Kervin, a geologist with Ontario's Ministry of Natural Resources, is the new "District Manager" for the Tweed Administrative District.

Born and educated in New Brunswick, Mr. Kervin graduated from Mount Allison University in Sackville in 1970. He then worked for five years with a private firm as an exploration

geologist on projects throughout eastern Canada and the United States.

In 1975, he joined the Ontario Ministry of Natural Resources where he worked as a geologist and later, Mineral Resources Supervisor in the Maple District just north of Toronto.

Following a variety of training assignments, he served as a policy advisor on mineral resources in the Ministry's Toronto office and worked with field staff on the administration of provincial parks and quarries legislation.

Kervin's personal interests include hockey, curling, golf and music. He and his wife Deborah, and two young children all enjoy outdoor sports and are now living in Tweed.

As District Manager, Kervin is responsible for the Ministry's total resource management program throughout the Tweed District, including forests, parks and recreation, fish and wildlife management, crown land administration, land use planning, engineering services and fire control, and the related administration of funds and personnel.

Total expenditures on these programs during 1982-83 is nearly five million dollars, including several Federal Provincial job creation projects. The Ministry's Tweed District covers 2,519 square miles in the northern halves of Hastings, Lennox and Addington and Frontenac counties.

SPORTS

Havelock 4th Annual Carling's Hockey Tournament this weekend

Hockey fans are looking forward to the Fourth Annual Carling's Hockey Tournament to be held here January 28, 29 and 30, with 24 teams participating.

The event will start off in Havelock Arena, Friday night, January 28, at 7 p.m., Havelock IGA playing the Campbellford Clippers.

At 8 p.m., Trenton Selects play Quaker Oats, at 9 p.m. Chemong Lodge and Tavern play Trenton A and W and the last game of the night at 10 p.m., finds Coombes and Ferguson versus Havelock Hawks.

Saturday morning, January 29, there will be games in both Havelock and Marmora arenas.

At 8 a.m., McIntires play Comfort Centurions in Havelock, and in Marmora, Ontario Canadians are lined up against the Scarborough Oilers.

At 9 a.m., in Havelock, Curry Tire face Durham Hawks and in Marmora, it's Tamworth versus Shady Oaks.

At 10 a.m., in Havelock, Red Oak plays Hosers, and in Marmora, Hastings

against Cavan Corn Huskers.

The final opening games on Saturday are at 11 a.m. with 13th Division versus Fox Theatre in Havelock, and Gibson Star TV versus Merit Personnel in Marmora.

The playoffs will continue until 11 p.m., Saturday, and from 12 noon to 9 p.m. on Sunday.

There will also be a dance both Friday and Saturday nights in the Havelock Belmont Community Centre from 9 p.m. to 1 a.m.

Novices keep on trying

HASTINGS: The novices played better hockey in the last week but continued their winless season playing Campbellford Friday, January 7 and Stirling Thursday, January 13.

In Campbellford we played a really exciting game and the kids never stopped working, said coach Bob Sandiland.

We were behind, but that didn't discourage them. They just kept

coming," he continued. The final score of the game was Campbellford 4 Hastings 1 with David Sandiland scoring for Hastings assisted by Billy Larken and Alfie Ford at 1:39 of the third period.

Stirling came to town to play Hastings and tromped them 8-0 in a one sided run away. The Stirling team though is two or three tiers higher in the ranking of

minor hockey. The team was allowed to join the Hastings and District league after the folding of the league they played in so the one sided game was not unexpected.

Stirling draws on thousands of people to make up a team while we have something like 1500, explained Sandiland, but the boys gave their best against the much stronger team.

Bantam Blues defeat Bancroft

Stirling's Riverside Blues outslashed, outplayed and outscored the Bancroft Bantams 4-2 in Hastings bantam league action at the Recreation Centre last Saturday night, January 8.

Rob Ray, Darryl Deynes, Peter Hagerman and Larry Deilor scored singles for the Blues.

Todd Atkinson got assists on two of those goals, and chalked up nine minutes in penalties before being ejected from the game for

unsportsmanlike conduct. He has also been suspended for one game, but was not the only Stirling player to raise his stick in anger. The Blues racked up 25 minutes in penalties, against Bancroft's 10, with Mike Goeree getting eight minutes.

Brad Laundry and Jamie Reynolds each scored one for Bancroft. Aside from being a smaller team, Bancroft failed to put together much of a passing attack. Most of their best

shots on the Stirling net came as the result of persistence in grabbing the rebound.

Bancroft was also helped along by a contingent of fans that seemed at least as large as the Stirling cheering section.

Rob Ray put in a stalwart performance for the Blues, as did Jamie Reynolds for Bancroft.

The Riverside Bantams' next home game will January 29, against Lakefield.

Pewee A's defeat Trenton Selects

MARMORA: Marmora Pewee As met the Trenton Selects in Marmora on Monday, January 10, and the local squad skated away with an 8-7 victory.

In the first period, Trenton jumped into a 2-0 lead before Marmora's Doug Prindle, assisted by Tim Cassidy, put the locals on the scoreboard.

Once they got their sights set, the Marmora boys just kept shooting away. In the second period, Stephen Pascoe, assisted by Kevin Doyle, Steven Bedore re-

ceived an assist from Stephen Pascoe, Chris

Chard popped one in a goal. See Pewee on page 6

Dukes defeated

LAKEFIELD: The Douro Dukes worked at trying to produce a win on Sunday, January 9, but to no avail. The Bobcaygeon Intermediate C team won by one goal in a 7-6 game.

Wayne Batley of the Dukes is in seventh position in the top ten scorers in the league. He has 29 points. The leader in the top ten scorers is Tim Pearson,

Bobcaygeon, with 46 points.

Last week's results were: January 5th - Bobcaygeon (3) at Campbellford (6); January 7th - Campbellford (9) at Cannington (7); January 8th - Bobcaygeon (11) at Cannington (6). Cannington and Bobcaygeon are tied with 20 points and the Douro team trails with 7 points.

During the second period of a Bantam game held in Madoc January 14, Col-

borne and Madoc had a number of small, violent confrontations [as seen

above]. The Madoc team lost the match with the score of 8-4.

Colborne Bantams repeated their dominance over Madoc Bantam "A" team here on Madoc ice, Friday, January 14. The final 8-4 for Colborne.

It wasn't until way back on November 12, here in Madoc, when Colborne came out on top 7-4, had Madoc tasted defeat. In the intervening time the Bantams had gone 9 without defeat (including a 7-4 win over Colborne, in Colborne December 12).

This victory assured Colborne of first place and

Marmora Atoms down 2-0

BY SUSAN M. CUDDY
MARMORA: Marmora hosted Colborne on Friday night, in a very exciting game in which Colborne won 5-4. The game was close all night and an overtime period had to be played.

Madoc second in the schedule with two games left.

Madoc boys were just plain dull through the first two periods. Even though Madoc opened the scoring with Doug McCoy tallying, assisted by Peter Ringelman, the first period ended 3-1 for Colborne.

Colborne again seemed to run all over Madoc and piled up a 6-1 second period lead.

Madoc boys "came alive" in the third period and frustrated Colborne with their "carrying the play". Grabbing three goals brought the score up to 6-4 with about 7 minutes left. Colborne spoiled the comeback attempt and added 2 more to take the game walking away 8-4.

Madoc pointmen were: Peter Ringelman, 2 goals, 1 assist (giving him 22 goals and 8 assists for a team leading 30 points); Doug McCoy, 1 goal, 1 assist; Chris Daniels, 1 assist; Mark Burris, 1 assist; and Dan Powell, 1 assist.

Huke and Robbie Cole. Same three will be in Colborne on Wednesday

night and game four is in Marmora, Monday, January 24th. Nica Clarey, no. 9 for Colborne, scored all 4 goals.

ONE FOOT IN THE FURROW

He stood on the platform of the local feed mill with one foot resting on the tailgate of his battered, rust-stained pickup truck.

He wore the standard "uniform" of a farmer: a couple of heavy sweaters over a flannel shirt, jeans, heavy boots and a heavy, one-piece overalls.

On his head was the inevitable cap, this one with Co-op above the visor.

An obvious urban dweller hopped on the loading platform from his warm, shiny car. He was carrying a bag of bird feed. The farmer was waiting for his truck to be loaded with feed.

"Well," the cityman said, "are you farmers going to be satisfied with a six per cent increase in

prices this year? I work for the city and I won't get more than six per cent."

"How much did you get last year?" asked the farmer, obviously known to the other man. "And how much did you get the year before?"

"We only got 12 per cent last year," but we got 18 per

cent the year before," was the reply.

"In three years, you will get 35 per cent more in wages. I bet you have doubled your wages in 10 years," said the farmer. "Want to know something? I'm getting about three cents a pound more for my

cattle than I got 10 years ago."

"You know what the increase is for me? About 2 per cent in 10 years. But the tough part of it all is, it costs me a helluva lot more to produce those cattle than it did 10 years ago. Feed prices, for instance, have

gone up more than 50 per cent. Taxes have gone up. And I don't have to tell you how fuel costs have gone up."

"Figure it out. I get a few cents a pound more but it costs me, for heaven's sake, about 40 per cent more to produce it. I'm making less—20 or 25 per cent less—today than 10 years ago."

"How many people do you know are making less today than they did 10 years ago? Hell, even unemployment payouts have gone up, not down."

The city man laughed, but it was hollow laugh.

"What do you think is going to happen to fellows like you? I mean, how long can you stay in business when you are actually making less money than a street vendor?" he asked, interested now in the plight of the cattleman. He added with another chuckle: "What you guys need is a damned good union."

The farmer also chuckled: "We had a farmers union once but it isn't active now. We've got the federation and the farmers' survival

group. I think both of them are going to be more militant."

"Really, all we're asking is some kind of a stabilization plan that will help us through the lean years. This bust-and-boom bit has gone too far."

"If it doesn't change soon, I'm going to be looking for your job because I'll just get out of business."

How many more cattlemen feel the same way? How long will it take before so many of them decide to quit, we won't have enough left to produce the beef needed to keep Canada self-sufficient?

I couldn't help but wonder as the horse feed was piled into the trunk of my car. I watched the city man drive away, roar up the street with a wave of his hand and disappear into the traffic.

The cattleman stepped wearily into his truck, had to slam the door twice to get it to catch, and drove slowly out of town with the rust spots on his 10-year-old truck obvious in the sunlight.

Peewee A's defeat Trenton

assisted by Mario Bertrand, and then Mario Bertrand scored, assisted by Chris Chard. At that point, Trenton notched another goal, ending the scoring in the second period.

In the third period, Trenton came out flying and scored two goals, but Marmora could not be

denied the win. Mario Bertrand popped the twine with an assist from Shawn Prindle. Trenton kept the pressure on by scoring another goal, but Kevin Doyle scored an unassisted goal to get that one back and then Doyle added another goal assisted by Stephen Bedore.

The home team collected 12 minutes in penalties while the visitors collected

10 minutes. Goaltending duties were taken care of by Paul Ramsteger and John Carman.

The next home game will take place on Monday, January 17, at 7 p.m., against Brighton.

Peewee fans are also reminded that the Peewee A tournament will take place on February 12, starting at 8 a.m.

Havelock Bantams split league games

In Hastings and District Bantam hockey action Saturday, January 8, Douro

Liftoff IGA defeated Havelock 5-2. Steve Crossley and Darren Hubble each scored a pair, while Doug Robinson got one. Rick Daynes drew two assists with Shannon Payne, Warren Varga, Robinson, John Clements and Todd Daynes getting one assist each. For the losers, Terry Cation led Havelock with both goals with Jamie Patterson and David Taylor each getting two assists.

Havelock Bantams redeemed themselves Sunday in Warkworth by beating the host team 6-5. Down by two goals, Havelock managed to get on the score board again with 20 seconds remaining in the second period and then bounced back with two quick goals in the third before Warkworth tied the score again at 8:55.

The action-filled game saw end-to-end action on both sides, before Havelock scored their sixth, with 3:41 remaining and then held on for the close win. Jason Ward was a standout in goal for Havelock. Terry Cation and David Taylor both scored twice with Leslie Mann and Jamie Patterson getting singles. Brian Wilde and Taylor got two assists a piece with Kevin Osborne. Troy Ward, Mann and Cation assisting on one. Warkworth scorers were Wayne Merrill netting one goal and two assists. Rick McDonald one goal, one assist. Doug Rock, Darrell Allanson, Kent Bandy each with singles. Rick Hatcher assisted on two, while Todd Brummell had one assist. Havelock and Warkworth each have two wins and two losses against each other in regular season play.

Peewee Bs win

BY SUSAN M. CUDDY
MARMORA: Marmora's Peewee Bs were in action again last Tuesday and beat Stirling with a solid 8-2 win. The top scorer, or the night was Mario Bertrand with 4 goals, and one assist. Next on the list was Chris Peters with three goals and two assists. Mike Wiggins scored one goal. Jason Taylor received two assists and Matt Cuddy, Bernie Coe, Cory Jennings and Dustin Caldwell each received one assist.

Marmora Juveniles play steady, heads-up hockey

BY SUSAN M. CUDDY
MARMORA: On Tuesday, January 11th, Marmora Juveniles hosted Campbellford and won 4-3. Randy Gray scored the first goal assisted by Andy Barrons and David Nickel. Mike Burris followed, assisted by Randy Gray. Campbellford scored then but Randy Gray retaliated, assisted by Darcy Cook.

The second period remained scoreless and at the start of the third, Campbellford scored their second goal. Andy Barrons answered with Mike Burris assisting. Campbellford then scored their third goal but they were too late. Marmora won again with four goals and only 13 minutes in penalties. The juveniles had a good crowd

to watch them perform. The juveniles had to travel to Tweed on Friday, January 14th, and brought home another win. Tweed scored the first goal, but Marmora came back and scored two, the first by Dale Prevost, assisted by Darcy Cook, and the second by Scott Terrior, assisted by Darcy Cook and Jeff Bonter. Tweed scored their second goal and this time Marmora answered with three more goals. Dale Prevost scored unassisted, followed by Darcy Cook, assisted by Jeff Bonter with Andy Barrons scoring the final goal of the game, assisted by Dale Prevost. The juveniles can be seen in action in Marmora, Tuesday, January 18th at 8:30 against Brighton.

Randy Gray was the scoring star of a game in Marmora last Tuesday night in which

the Marmora Juveniles defeated the Campbellford team 4-3. Gray scored two

goals and assisted on another. He is pictured here as his shot eludes the Campbellford goalie.

Pewee As shut out Brighton

MARMORA: The Marmora Pewee A team travelled to Brighton on Sunday, January 16, and handed the Brighton squad a 9-0 defeat. Paul Ramsber-

ger registered the shutout for Marmora. First period goal scorers included Tim Cassidy assisted by Stephen Pascoe. See Pewee on page 17.

Havelock Midget Tournament results

Norwood were the A champions in the all day Midget Tournament held in Havelock Arena last Saturday, January 15. Ennismore were successful in winning the B division. Eight area teams took part in the event.

In the first game, Havelock defeated St. Anne's 3 to 2. Game 2 saw Norwood defeat George Street Church 6 to 1. Warkworth beat All Saints 6 to 1 in the third game, followed by Pickering over Ennismore 3 to 2 in the fourth.

The fifth game was the first of the B series. St. Anne's winning over George Street 3 to 2.

In the sixth game, which was the first of the A series, Norwood overcame Havelock 3 to 1.

This was followed by Ennismore taking All Saints 5 to 2 in the B division and Warkworth overcoming Pickering 8 to 3 on the A side.

In the B championship playoff, Ennismore scored 7 and St. Anne's 5. In the A, Norwood scored 5 and Warkworth 3.

Trophies were presented to both A and B champion teams and the runners-up.

The Most Valuable Player award for the tournament went to Rob McCleary of Warkworth who scored 5 goals and 4 assists over the day.

Norwood Minor Hockey results

Monday, January 10

Tonight saw the Norwood Midget team on the road as guests of Keene. The locals went down to defeat in this contest by a 6-2 score. Kevin Heffernan and Craig Dart were the goal scorers.

Tuesday, January 11

The Juveniles were hosted by Warsaw tonight. The locals put on a real exhibition as they shut out the opposition 4-0. David Crump earned the shutout. Goals: Steve Jewett, Mike Gourley and Kevin Morley and Greg McCulloch all netted singles.

Wednesday, January 12

The Juveniles were at home to Ennismore. In this contest the locals overpowered the opposition by an 8-2 count, singles going to Mike Roffey, Greg McCulloch, Steve Jewett, while Kevin Morley added a hat trick and Mike Lyle, a pair.

Thursday, January 13

Norwood Novice team played host to Warkworth. This game proved close and exciting as both teams skated to a 2-2 tie. Goals for the locals were by Rob Walsh and Mark Stewart.

In the Atom game tonight, the local team faced Hastings. The locals outscored their opponents as they came out on top with a 5-0 shutout. The goaltender earning the shutout was Dwayne Crawford. Goal scorers: Jason Sanford, a single, Greg Snetsinger added a pair and David Stewart, the hat trick.

Friday, January 14

Three games were played at the local arena tonight. In the Peeewe contest the locals hosted Ennismore. The opposition proved a little too strong for the locals as they defeated them 5-2. Scoring were: Jimmy Crawford and Mike Payne.

In the Bantam game it proved quite a close battle when the locals faced Warkworth. This game ended 3-2 in the opposition's favor, but could have gone either way. Scoring for the locals were: Greg Chamberlain and Richard McGiffin.

The Midget game was a hard hitting and fast skating contest. The locals played a real super game as they outscored the opposition 5-2. Goal scorers:

Kenny McGee, Kevin Heffernan, Scott Oliver, Craig Dart and Craig Heffernan.

Saturday, January 15

Two local teams attended out of town tournaments and both returned home a championship winners.

The local Midget team was in Havelock, and in their first game faced George Street, Peterborough, and defeated them 6-1. In their second game they were up against the host center Havelock whom they also defeated. In the championship game, the locals faced Warkworth. This was quite a game with the locals declared winners by a 5-3 score.

The Juveniles attended the Bobby Sayer's Tournament in Colborne. In their first game, the locals played, Cobourg and outscored the opposition 6-1. Their second game saw them up against Campbellford. This proved quite a match, but the locals managed a 2-0 shutout. Sean Allan credited with the shutout. Then in the championship game the locals faced a team from Tottenham. This game also proved to belong to the locals as

they shutout the opposition 5-0 to win the championship. David Crump was chosen MVP and each member received individual trophies and pennants.

Sunday, January 16

Tonight saw three local teams on the road for league action. The local Peeewe team were guests of Warsaw. In this contest the locals returned home winners as they shut out the opposition 2-0. Scott Toms earned the shutout, while the goal scorers were Shane Ford and Richard Coughlin.

The Bantam team was hosted by Warkworth. This game proved quite a battle from start to finish. Warkworth took a two goal lead only to have the locals come

back and tie it up by the end of the second period. The third period was end to end action, with 39 seconds remaining in the game, Warkworth scored the tie-breaker to defeat the locals 5-4. Scoring were: Ronnie Hamersma and Bryan Doherty, each with singles; and Greg Chamberlain added a pair.

The Norwood Juveniles were on the road to Keene. This game again proved end to end action with the locals scoring the tie breaker with 4 seconds remaining in the game as they defeated their opponents 7-6. Scoring singles were: Mike Gourley, Mike Roffey and Greg McCulloch; while Steve Jewett and Mike Lyle each added a pair.

Stirling defeats Madoc

Saturday, January 15, here in Madoc, saw the Stirling Bantams pound Madoc Bantam B's into the ice 12-4.

Saturday just didn't seem to be a day for performance for the B teams from Madoc.

The Bantam B team now has a 1-3 record thus far this

year. Stirling lead 5-0 after period one.

The second period saw Stirling make it 6-0 to begin the period, before Madoc got on the scoreboard with Paul Hagerman scoring unassisted. By the end of period 2, the score stood at Stirling 7, Madoc 1.

Before 6 minutes were gone in the third period, Stirling had advanced their lead to 9-1.

Shawn Adams connected for Madoc's second goal from Paul Hagerman and Brian Derry to bring the game 9-2. The game finally came to a 12-4 finish for Stirling.

Scoring for Madoc were: Paul Hagerman, 1 goal, 1 assist; Shawn Adams, 1 goal; Jamie Danford, 1 goal; Jason Garmiss, 1 goal; Brian Derry, 1 assist; Brian Armstrong, 1 assist; and Wesley Wannamaker, 1 assist.

Obituaries

KENNETH L. WILLMAN
Kenneth L. Willman, former resident of Madoc, died in Victoria, British Columbia on January 5, 1983, in his 65th year.

Mr. Willman is the son of the late Joseph Willman and Flossie Gifford. He is survived by his wife Edna Armstrong of Victoria, British Columbia, and daughter Judy (Mrs. Moalev Larsen), along with sons Kenneth, Wayne, Rick, Roger and

Robert, all of Victoria, British Columbia. He is also survived by sisters Althea (Mrs. Sam Hinds) of Garson, Telma (Mrs. Alex McFaul) and Audrey (Mrs. Gerald McFaul) both of Marmora, and Dorothy (Mrs. Fran Massucca) of Pulaski New York. He is survived by brothers Pat and Arnold of Madoc.

Mr. Willman is predeceased by a son Errol, and brothers James, Irvin and

Elmer.

Mr. Willman was born and raised in the Madoc area. He served with the RCAF during the second World War.

The funeral took place in Victoria, British Columbia; cremation followed.

JOSEPH HOWARD WAYNE COOK

Joseph Howard Wayne Cook, 18, of 69 Davidson Street, Madoc, died at Princess Margaret Hospital, Toronto, on January 5, after nine months' illness.

Mr. Cook was the son of Margaret Suzanne Linda Cook (deceased).

He was born in London, Ontario, raised in the Madoc area, and attended Madoc Public School and Centre Hastings Secondary School, Madoc.

Mr. Cook is survived by one brother and four sisters: Mr. Wayne Cook, Madoc; Mrs. Keith Masters (Bar-

bara) of Madoc; Mrs. Arnold Walker (Marilyn), Marmora; Mrs. Roger Henry (Laura), Marmora; and Maryanne Sharkey, Madoc.

The funeral was held January 8, at the McConnell Funeral Home, Madoc. Interment will take place in the spring at Lakeview Cemetery.

HERBERT LYNN MCCOY

Herbert Lynn McCoy of RR 3, Madoc, died January 5, at Belleville General Hospital. Mr. McCoy, who was in his 91st year, was the son of the late Alex and Ida (Blair) McCoy.

He was the husband of the late Beatrice (King) McCoy. Until his last year, Mr. McCoy lived in his place of birth, Madoc Township. He spent a year at Edward Street Manor, Stirling.

Mr. McCoy has four children: Lynn McCoy, Madoc; Marie Brown, Lanham, M.D.; U.S.A.; Edlene Purdy, Oshawa; and the late Eric McCoy. His two brothers and sisters are: Myrtle

Vermilyea, Belleville; Alberta McCoy (sister), Corbyville; Earl McCoy, Corbyville; and the late William McCoy. He has eight grandchildren, and two great-grandchildren.

Mr. McCoy farmed at Belleville, was educated at Remington and Belleville, Ontario, and was a member of Cooper United Church. He was a lodge member of the Masonic Lodge No. 48, A.F. A.M.

The funeral was held at 1:30 p.m. in McConnell Funeral Home, Madoc, on January 8.

Interment was at Cooper Cemetery with Reverend Hilary Scrutton and Reverend Arnold Creaser officiating.

Pallbearers were: Larry Smith, Gerald Graham, Clayton Whiteman, Frank Pringle, Fred Rollins and Graham Burris.

SARAH ELIZABETH ROBB
Sarah Elizabeth Robb of Campbellford, passed

away at Campbellford Memorial Hospital on January 8, 1983, in her 79th year. Mrs. Robb was born in Springbrook to the late Benjamin Cooney and the late Margaret Shambo.

Mrs. Robb is survived by her daughter, Mrs. Neil Whitton, of Campbellford and two grandsons, Jerry and Leslie Whitton of Campbellford. She is also survived by her sister, Margaret Cooney of Warkworth, but was predeceased by Mary Jane Cooney, Robert and John Cooney.

Mrs. Robb was a housewife and was educated in Springbrook. She was a member of the Springbrook United Church.

Funeral service was held on January 10, 1983, at the McConnell Funeral Home in Marmora with Reverend Beare officiating. Interment took place at Mount Nebo Cemetery.

Energy issues by John Gorman

Would Canada's best energy policy leave our crude oil in the ground until it is urgently needed? The people who endorse this idea argue that current demand can best be met from foreign sources at reasonable prices.

It is an argument which possesses certain academic merit, but when faced with the practical test of securing long range supplies it fails miserably. Canada is a country which runs on oil, and simply cannot afford to run short.

Almost nobody would defend the oil producing nations of the Middle East as models of stability and political calm. At any moment a major conflict could erupt, once again

causing havoc in the world oil supply.

But why not purchase crude oil from the Middle East until the interruption

occurs, and then switch to indigenous Canadian supplies?

Again, an excellent question, the answer to which requires a much more penetrating grasp of the realities of the oil and gas exploration and production industry than is held by those persons responsible for drafting policy in this country.

Even more to the point, though, sound energy solutions will not be achieved in Canada, until Canadians themselves insist on them. This insistence will depend largely on our national understanding of how important an aggressive, sustained effort by the exploration industry is to the supply of domestic crude oil.

Oil cannot be brought to the market by simply turning on a tap. For example, it is known there are somewhere in the neighborhood of one trillion barrels of oil in place in the tar sands of northeastern Alberta, but only a tiny fraction of that oil will ever be tapped. At the moment there is production capacity for perhaps 200,000 barrels per day or nearly 15 per cent of Canadian demand.

It is also known there is oil in the Mackenzie Delta, the Beaufort Sea and at some locations in the High Arctic. It is not known how much there is, and whether there are sufficient quantities to warrant commercial development.

And commercial quantities of crude are known to exist off the coast of Newfoundland at Hibernia, but in the wild seas of the North Atlantic it is not known whether the technology to bring it to market is economically viable.

These exploration and development projects cost billions and take time to evolve. In spite of some rather adverse fiscal arrangements governing oil and gas revenue sharing with provincial and federal

governments, the industry is persevering in the hope that one day satisfactory arrangements for the investor can be achieved.

With crude oil from the existing producing regions of western Canada in an irreparable state of decline it is too great a risk to depend on unstable foreign suppliers.

OPP report

On Monday, January 3, at approximately 4:30 p.m. Richard Roy Parks, age 28 of Tweed, Ontario was driving his car southbound on Highway 62 when Joseph Lawrence Kehoe, age 9 of RR5 Madoc, Ontario who was walking southbound on the west shoulder started to cross the roadway without looking and was struck by the Parks vehicle. Kehoe was admitted to Belleville General Hospital.

No charges were laid as a result of the accident. Constable W.H. Haggerty investigated. Kehoe was treated and released with minor injuries; no broken bones.

On Saturday, January 8, at approximately 7:50 p.m. Bernhard M. Hartan, age 36 of RR1 Claremont, Ontario was driving his van westbound on the Stoco Road when Patrick Timothy Rush, age 16 of RR2 Tweed,

Ontario ran across the roadway into the path of Hartan and was struck. Rush was taken to Belleville General Hospital and is listed in fair condition. No charges were laid. Constable N.W. Papi investigated.

During the week of January 2 to January 8, Madoc Detachment officers investigated 34 general occurrences, including four thefts; three break, enter and thefts; two frauds involving cheques and one disturbance, five twelve hour suspensions were issued, four were charged with impaired driving, four persons were charged with Liquor Licence Act violations, two persons charged with Narcotic Control Act violations and two persons were charged with theft under \$200.

Five reportable accidents were also investigated.

Farrells attend conference

Don and Linda Farrell, RR2, Roslin are the Hastings delegates to the Rural Seminars for Vital People kick off session in Toronto on January 19, 1983. This is the first seminar of a series of seven that will be held in Ontario this winter. The leadership workshop is nicknamed RSNP - Rural Seminars for Vital People.

Last September, Dennis Timbrell, the Minister of Agriculture and Food for Ontario, announced a series

of leadership workshops to be held in winter of 1983 for members of all rural organizations. During the fall months, a committee of eight people representing rural organizations, agri-business and the Ministers met to recommend format and subject matter.

The goal of the RSNP program is to further develop leadership skills within members of rural organizations. The main topic of each workshop is how to run an effective meeting or program. Sessions include setting goals and objectives for your organization, parliamentary procedure, and evaluation. There will be a chance to meet members of other rural organizations and the day will conclude with a banquet and guest speaker. Don and Linda will be promoting the local workshop to various rural organizations in the area. The local meeting is Wednesday, March 2, 1983 at the Ramada Inn, Trenton for those involved in rural organizations in Hastings and Lennox and Addington Counties.

THE MARCH IS ON!

Many physically disabled men and women need your help. Please give generously.

AS PART OF OUR CONTINUING EFFORT TO PROVIDE THE BEST FOR OUR CUSTOMERS

C.H. DAVIDSON MOTORS LTD.

ANNOUNCES
TWO BRAND NEW PROGRAMMES TO GREET THE NEW YEAR

LOW RATE NEW CAR AND TRUCK FINANCING THROUGH G.M.A.C.
UNTIL MARCH 31, 1983

12.9%

Low 12.9% financing is available on new 1982 and 1983 GM cars and light duty trucks on the full amount

financed for the full term of the contract. Chevrolet, Pontiac, Olds, Buick, Cadillac, GMC and Chevy light trucks - '82's and '83's - no ifs, ands or buts. Place factory order before Feb. 28, 1983 for delivery anytime or take delivery from dealer stock before March 31, 1983.

We can't recall when interest rates lower than these have even been offered, and suggest that you contact one of our sales staff for details. It is a unique opportunity to not wait for spring, but buy or order that new car or truck now!

NEW LOW COST SERVICE RENTAL PROGRAMME TO KEEP YOU GOING WHEN YOU'VE GOT TO GO!

SERVICE RENTAL PROGRAMME

IN ORDER TO PROVIDE THOSE CUSTOMERS WHO MUST HAVE A REPLACEMENT CAR WITH THE LOWEST POSSIBLE COST, WE WILL OFFER THESE UNITS AT:
1. \$8.00 RENTAL (plus fuel used) FOR 12 HOURS OR LESS USE.
2. \$16.00 PER DAY (or part thereof) PLUS FUEL FOR THOSE WHO MUST KEEP THE UNIT FOR LONGER THAN A 12 HOUR PERIOD. ONTARIO SALES TAX EXTRA. THERE WILL BE NO MILEAGE CHARGES ADDED TO THESE RATES ON SHORT TERM RENTALS TO SERVICE CUSTOMERS ONLY.

Rental Cost:

Availability:

BECAUSE OF THE LIMITED NUMBER OF THESE UNITS, IT IS ESSENTIAL THAT YOU CALL OUR SERVICE DEPARTMENT JUST BEFORE COMING FOR YOUR SERVICE IN ORDER TO ASSURE YOURSELF THAT WE WILL HAVE ONE OF THESE VEHICLES AVAILABLE FOR YOU. WE ARE OPEN FROM 7:15 A.M. TO RESERVE THESE CARS AT 653-2020. IT IS IMPOSSIBLE FOR US TO RESERVE THESE CARS AHEAD, BECAUSE OF THEIR VERY NATURE.

For Customers With GM C.P.P.:

SERVICE RENTAL CHARGES WILL BE PICKED UP BY THE GENERAL MOTORS CONTINUOUS PROTECTION PLAN, ACCORDING TO C.P.P. CONDITIONS, SHOULD YOU HAVE PURCHASED THE C.P.P. EXTENDED COVERAGE PLAN. HOWEVER, WE STILL NEED TO BE ADVISED JUST PRIOR TO YOUR ARRIVAL IF YOU WILL NEED A CAR, TO ASSURE THAT WE WILL HAVE ONE OF THESE SERVICE RENTALS FOR YOUR USE. CALL 653-2020 ANYTIME AFTER 7:15 A.M. WEEK-DAYS.

No Deductible Collision Coverage:

FOR \$5.00 PER DAY (OR PART THEREOF), WE WILL OFFER OUR SERVICE RENTAL CUSTOMERS THE OPTION OF NO-Deductible COLLISION INSURANCE COVERAGE, WHILE DRIVING A UNIT UNDER OUR SERVICE RENTAL AGREEMENT. IF THIS OPTION IS NOT EXERCISED ON THE RENTAL AGREEMENT BEFORE THE VEHICLE IS PICKED UP, OUR NORMAL DEDUCTIBLE COVERAGE IS THE RENTER'S RESPONSIBILITY.

THE ESTABLISHMENT OF THIS SERVICE RENTAL FLEET, WHICH CAN ONLY BE SUPPLIED TO CUSTOMERS WITH VEHICLES IN OUR CARE, CUSTODY, AND CONTROL FOR SERVICE WORK, IS PART OF OUR CONTINUING EFFORT TO PROVIDE AFTER SALE SUPPORT FOR OUR CUSTOMERS.

Madoc Atom A's runners up at Bancroft

Bancroft was the scene for an Atom Tournament Saturday and Sunday, January 15 and 16.

Madoc Atom As fared really well and triumphed 2-0 over Barry's Bay in their first game.

Both goals were scored in the first period to make the scoring complete for the entire game.

The Madoc Atoms completely outshot the Barry's Bay team nearly 3-1 in average but could not get breaks for more goals.

Brad Davidson and Barclay Sexsmith shared the shutout in goalkeeping.

Shawn Chapman scored the first goal unassisted, and Jason Bailey gained Madoc's second goal from Jeff Sawkins.

Jeff Sawkins was awarded the MVP for Madoc for an outstanding effort.

The second game played by Madoc was against Bancroft. The final tally read Madoc 4, Bancroft 3.

Bancroft led 2-0 after period one.

Bancroft led 3-2 after period two.

Madoc rattled in two unanswered markers in the third period to come out on the winning side 4-3.

Scoring for Madoc were: Jason Bailey, 2 goals, 1

assist; Derek Wood, 1 goal, 2 assists; and Jeff Sawkins, 1 goal, 2 assists.

Jason Bailey earned the MVP for Madoc in this game performing really excellent at centre.

Marty Shaw played a strong game in net for Madoc and was a big factor in holding Bancroft "at bay" for the win.

In the final game for Madoc for the championship against Bancroft, the Madoc boys lost a tear-jerker 2-0 to Bancroft.

Madoc did everything but score throughout the contest. Outshooting Bancroft 23-13, hitting the goal post four times and having a number of tough breaks made the difference in the close loss.

Marty Shaw again made a number of great stops in holding the score down to two goals for Bancroft.

The first goal came with 1:54 seconds left in period two and with only 2:12 left in the game Bancroft added another goal to take the game and the Atom Championship in the weekend tournament.

Shawn Chapman won the Madoc MVP for the game playing top-notch defensive work.

Congratulations boys for a good job done in being runners-up.

Crowe Valley League results

This week's results of the Crowe Valley Hockey League show the Sweat-hogs winners of the league tournament held on Saturday, going down to defeat to the Marmora Woodchoppers 4-3 in the first game on Sunday night.

To show just how competitive this league is, the other two games ended in ties. The Riverside Rats tied 6-6 with Cordova and Marmora ESSO tied 7-7 with the Polaris Stars.

Next week, the Riverside Rats meet the Polaris Stars at 6 p.m., Marmora ESSO and Marmora Woodchoppers go head to head at 7:30 p.m., and the Sweat-hogs meet Cordova at 9 p.m.

The Sweat-hogs remain in first place in the standings with 19 points, followed by Marmora ESSO with 14 points and the Polaris Stars in third with 12 points.

In the tournament on the weekend, the Sweat-hogs took the A championship against the Polaris Stars while the Marmora Woodchoppers won the B division over the Riverside Rats.

A Sweat-hog player skates around a defender and makes this play on the Polaris Stars goalie in action last Saturday. Final score in the game was 3-1 for the Sweat-hogs.

Peewee As defeat Brighton

and Doug Prindle while, Jamie Nicholson collected the other goal, assisted by Kevin Doyle.

In the second period, Stephen Pascoe scored unassisted. Kevin Doyle popped the twine with assists going to Doug Prindle and Jamie Nicholson, and Stephen Pascoe collected his second goal of the night from Tim Cassidy.

Kevin Doyle notched his second goal in the third period assisted by Doug Prindle. Stephen Pascoe got the hat trick with an assist from Tim Cassidy. Steven Bedore scored from Jeff Clemens and Shawn Prindle closed out the scoring unassisted.

Next home game for the Peewee A team is Monday, January 24, at 7 p.m.

**GET YOUR NEW
LICENCE PLATE
STICKER EARLY**

NOW is the time to pick up your licence renewal sticker. Because of the new system, late-comers may find themselves in longer than usual lineups.

WHAT you need is an application form available at any licence issuing office, proof of insurance, ownership permit and the required fee. Fees are \$4 a month based on your birth month. See table below.

WHERE? You can renew at any licence issuing office in your area. Check the sticker you receive to ensure it correctly reflects your birth month.

YOU are responsible for having a new validation sticker by February 28. The sticker goes on the upper right-hand corner of the rear plate on passenger cars; the upper right-hand corner on the front plate of commercial vehicles. If you sell your vehicle, remove the plates and attach them to your new vehicle.

Ministry of Transportation and Communications
Hon. James Snow, Minister Harold Gibert, Deputy Minister

Thanks to Evelyn Porter for preparing our supper. We express our appreciation to the Allan Funeral Home & the Rev. McBride for his comforting words. Thank you to the P.C.W. for serving lunch after the funeral. We also thank everyone who sent cards, flowers & gifts to Irene who, in St. Joseph's Hospital, Gordon Dickey, Leo & Lois Galan, Defton & Helen Ward & family. 5-1 To my many friends who called, sent cards & gifts, food & in any other way helped to make the celebration of my 80th birthday such a memorable occasion, my heartfelt thanks. I wish to especially remember the Ladies' Auxiliary, to Br. 389 Royal Canadian Legion, Prosperity Chpt. No. 63, Order of the Eastern Star, Dorcas Rebekah Lodge No. 98 for their kindnesses. Sincerely Lillian Wilde. 5-1 A sincere thank you to everyone for all the kindness shown to me while a patient in BGH on the 6th level. God Bless you all. Joan Hearn. 5-1 We sincerely thank all our friends & relatives for visits, gifts, phone calls & many lovely cards received on the occasion of our 60th wedding anniversary. Special thanks to our family for making our day a very special occasion. May God bless each & everyone as He has blessed us over the years. Sincerely, Ernest & Stella Reid, RR 4, Stirling, Ont. 5-1 WE are extremely grateful to the Marmora Fire Department for the quick response to my call for assistance in our recent chimney fire. Lois Price & family. 5-1 I wish to thank friends & relatives in Havelock & Marmora for their cards & prayers while I was a patient in the hospital. Ross Carman. 5-1 OUR sincere thanks to all our neighbours, relatives & friends for your get well wishes, cards, gifts & flowers. Special thank you to Dr. Bures, Dr. Mustard, Ambulance Unit & the staff & nurses on No. 2, 5th floor of B.G. Hospital. God bless & all the best for 1983. Mrs. Daisy Brooks & family. 5-1

4-H financial management club leaders and members needed

Money and decision making: two of the most talked about subjects these days have stepped together into a new 4-H project.

The 4-H Financial Management project is a special venture for both Agriculture and Homemaking 4-H Clubs in 1983. The Minister of Agriculture and Food, Dennis Timbrell points out that we must focus our resources towards management, a very important factor in successful living.

Financial Management is a decision making process that focuses on money. The purpose of the 4-H Financial Management project is to introduce the 4-H member to a practical and exciting way to make decisions about themselves and their future.

This new project is divided into six meetings which cover basic material. The project moves from purposes of financial management to setting goals and priorities, through re-

cord keeping, financial statements, and finally focuses on decision making on the basis of the information collected. The whole project takes a very practical approach as 4-H members apply each new skill to a business situation.

For the 4-H members, the project will wrap up with regional competitions and the opportunity to hear the ideas of fellow 4-H'ers on financial management.

This special 4-H club is open to all young people

between 16 and 19 years of age as of January 1, 1983. It offers a challenge and a learning experience for everyone.

Several interested adults have volunteered to be club leaders in many areas of Hastings County. Leaders are needed in the Madoc, Thurlow and Tyendinaga Townships as there are several youngsters keen to be involved. Of course, new leaders and clubs are welcome in any location.

For further information on the 4-H Financial Management Club, contact the Ontario Ministry of Agriculture and Food Office in Stirling.

Teachers applaud Bishop's stance

Letter to the editor:

The most severe and damaging economic recession to afflict Canada in 50 years is currently the central focus of our national attention. A solution is unusually difficult to prescribe since its causes are manifold and it is an

integral part of a world-wide pattern of stagnation. The savage consequences in human suffering and loss of dignity to the unemployed cannot be questioned.

It is indeed heartening to us that the Canadian Catholic bishops have shown

courageous leadership in issuing a call to all Canadians to reassess the goals and to reorder the fundamental priorities of our economic system. The statement is a cry for compassion for the poor and the vulnerable in our society and a prophetic challenge to re-integrate the Christian imperative of justice into our social fabric once again.

This message is neither new nor revolutionary; it faithfully restates for a forgetful generation the powerful, unsettling pronouncements of the papal encyclicals of Pope Leo XIII in 1891 and Pope Pius XI in

1931. The Executive of the Association of Principals and Vice principals of the Dufferin-Peel Separate School Board strongly endorses this statement. It is a powerful plea for a renewal of our economic priorities. As such we welcome it and recommend it to the serious examination of every Canadian.

The Executive, The Association of Principal and Vice-Principals of the Dufferin-Peel Separate School Board, Lorne Howcroft, President.

Mozart's musical ear was so sensitive he knew when a violin string was tuned an eighth of a note off key.

Bethel UCW

The December meeting of the Bethel United Church Women was held at the home of Lynda Cooney, which was nicely decorated for Christmas.

President Verna Clancy opened the meeting with the words: "Happy time again when carols fill the air!" A contribution to the birthday jar was made, and "Happy Birthdays" sung to Dorothy Young. A "thank you" was read from Five Oaks for a donation made to it earlier. A committee was formed to plan the program for the pie social in the spring.

solos and hymns on her electric organ.

Jolly Santa arrived and distributed the gifts from the beautifully decorated Christmas tree. At this time, each discovered her secret pal.

Marion Heath and assistants served a lovely Christmas lunch.

Regular Atom 'A' season cut short

MADOC: The schedule has been cut short for the

mighty Madoc Atom A's. Because of the early need to

begin playoff rounds the final three games in the

Atom A's regular schedule have been wiped out. The local boys will await the winners of the series between the teams placing 2nd, 3rd, 4th and 5th, before entering playoff action.

Let's look at this power house team at the conclusion of their regular schedule. They won 13 and lost 0! Here is a slate of their players and points: Jason Bailey, 23 goals, 20 assists, 43 pts.; Jeff Sawkins, 23 goals, 15 assists, 38 pts.; Paul McMaster, 12 goals, 14 assists, 26 pts.; Shawn Chapman, 11 goals, 10 assists, 21 pts.; Derek Wood, 5 goals, 13 assists, 18 pts.; Jim Bonter, 10 goals, 4 assists, 14 pts.; Pat Graham, 2 goals, 10 assists,

12 pts.; Jason Francis, 5 goals, 5 assists, 10 pts.; Ian Ketcheson, 9 assists, 9 pts.; Sean O'Rourke, 4 goals, 4 assists, 8 pts.; Joey Kehoe, 4 goals, 3 assists, 7 pts.; Tim Osborne, 1 goal, 4 assists, 5 pts.; Clayton Curl, 5 assists, 5 pts.; Gord Preston, 3 assists, 3 pts.; Brad Phillips, 2 assists, 2 pts.; Marty Shaw, 1 assist, 1 pt.

Marty Shaw, Brad Davidson and Barclay Sexsmith shared excellent goalkeeping for the team.

In the 13 games played in the regular schedule the goalies allowed only 13

goals for an amazing 1.00 per game average. Also 4 shutouts were recorded.

By paying tribute to this team, we would be very wrong not to mention the excellent coaching, managing and training that have been done by Harold Bailey, Dave McMaster, Bob Chapman and Bruce Gordon.

Let's get out and really support this team as they soon enter their first round of playoffs. You won't be sorry you went. It is an exciting brand of hockey.

During the Bantam game Madoc, January 14, the against Colborne held in Madoc goalie saved many

hard shots [as seen above]. The Madoc team lost 8-4.

Peeeweewees win tourney

In Bancroft, Saturday, and Sunday, January 15, 16, an Invitational Peeeweewees Tournament was held.

Madoc defeated Toronto 8-0 in their first action. Period scores were: 4-0, 6-0 and ending 8-0.

Stephen Bancroft scored five goals and had 3 assists to lead the team for Madoc. He was awarded the MVP for Madoc. Each winner of this award was given a leather cowboy hat.

Other Madoc pointmen were: Brent Forestell, 2 goals, 2 assists; Robyn Plumbie, 1 goal; Brian Forestell, 3 assists; and Alan Danford, 2 assists.

Madoc's second game in the tournament was against Deseronto, ending up 5-2 for the Madoc Peeeweewees.

Period scores were: 4-0, 4-2, and 5-2.

Scoring for Madoc were: Stephen Bancroft, 2 goals, 3 assists; Brian Forestell, 2 goals, 1 assist; Brent Forestell, 1 goal, 3 assists; Alan Danford, 1 assist; and Steven Brinks, 1 assist. Brent Forestell was the MVP for Madoc in this game.

Madoc then won the championship for this week.

end tournament by edging Bancroft 2-0 in a thriller.

Madoc jumped quickly into a 1-0 lead in the first period at the 19 second mark on a goal by Stephen Bancroft.

Again, quickly taking the opportunity at the 1:30 mark of the second period, Stephen Bancroft notched number two. That was all that the boys needed as they held on to win 2-0.

Brent Forestell and Derek Chapman got 1 assist each in the game.

Derek Chapman got the MVP award for Madoc in the championship game. He played a top notch defensive game breaking up many plays during the game.

The goaltending was excellent for the Madoc champs. Jeff McMaster played the first two periods and Dave Osborne the last period in the 8-0 shutout victory. Then Jeff McMaster played the last two games sensationally. Only two goals were allowed in the three games.

Bancroft (Stephen) beat Bancroft is the shout from the north at the end of the championship game.

Centre Hastings trappers ship furs to North Bay

the evening of Janu-
a large, warm barn
back of Hubert
th's house. RR1 Ma
as filled with trappers
with furs destined for
Bay where they are to
be added and auctioned.
bert Hannah is the
ling financial secre-
of the Centre Hastings
er's Council and was
recording all furs to be
ed and insured under
Ontario Trappers' As-
sion (OTA).

marten, otter, fisher, musk-
rats, raccoon fox (red, cross
silver), timber wolves, cov-
otes, wolverine, and grey
fox.

"When the guys are
trapping is when I see most
of them, but I try to get to at
least one of the meetings a
year."

This is by far the most
active council. The "others
are dwindling," says Fa-
bian.

The pelts stamped during
the night were six fox, one
coy, eight otter, and 294
beaver, reports Harry
Brown, owner of Madoc
Sports.

"You could almost double
the figures here, because
many have been stamped at
the store earlier. The fisher,
mink, and raccoon had to be
stamped by January 10,
because the season closed
December 31," says Brown.

Ken Hannah of RR1
Eldorado says the OTA pays
for the mileage up to North

Bay (\$100 per person). He
says council members pay
\$5 for shipping and non-
members pay \$7. Anything
over 30 pounds, cost 10
cents per extra pound.

"The majority of furs go
to European buyers for
coats, hats, and so on.
Europeans wear a lot of
fur," says Ken Hannah.

The council sends furs to
North Bay five times a year:
December, January, Febru-
ary, March and April.
Prices listed for the furs
depend on supply and
demand. All furs must be in
by January 14, but the
auction does not take place
until January 31 through to
February 3.

Ken Hannah says it takes
10 days for the money to
arrive after the auction.

"We're just trucking for
OTA, once it's recorded and
put on the truck, it's their
fur," says Hubert Hannah
of the procedure.

Posted in the middle of
the barn was a list of
average prices the furs
fetched at the December
sale. The average price of
beaver was \$19.55, mink
\$22.63, fisher, \$145.77,
muskrats, \$3.53, raccoon,
\$18.05, red fox, \$50.14,
timber wolves, \$65.50, cov-
otes, \$18.46, skunk, \$7.

Trapping season starts
October 25, says President
of Centre Hastings Trap-
pers Council Claude David-
son, and the biggest bundle
weighed in this time was 85
pounds.

During the regular meet-
ing held after all furs were
packed into two trucks,
ready for the trip Davidson
asked members to send

letters to the local MPP and
Queen's Park to Minister of
Natural Resources, Allan
Pope asking for "protection
from propaganda against
trapping."

He says there are over
18,000 licenced trappers in
Ontario and for many it is
their only means of income
where employment pros-
pects are "bleak."

Davidson said the anti-
trapping messages in the
media are hurting the
livelihood of trappers.

Seen right is Don McEwen,
Eldorado, holding some
coyotes and fisher he
trapped since the season
opened October 25. Mc-
Ewen's catch to be sent to
North Bay, includes two
coyotes, seven fishers, 15
beaver, one mink and seven
raccoons.

In the centre picture,
Hubert Hannah (right),
recording financial secre-
tary for the "trappers"
council is seen recording all
furs to be stamped and
insured under the Ontario
Trappers' Association
(OTA).

During the Centre Hastings
Trappers' Council meeting
at Hubert Hannah's barn,

RR1, Madoc, many sacks of
fur were placed into the

back of two trucks bound for
North Bay

Thursday night bowling

The Madoc Thursday
Night Mixed League (date
unknown) showed Betty La
Palm as the winner of the
ladies' high single with 226.
The ladies' high triple was
won by Betty La Palm also,
with 181, 226 and 138.

Men's high single was
taken by Ken Adams with
328. The men's high triple
winner was also Ken Adams
with 190, 223, and 328.

Scoring over 200 were:
Art Lessard, 222; Betty La

Palm, 226; Phyllis Jones,
207; Jim Watson, 221; Jeff
Bingham, 223; Ken Adams,
223, 328; Mike, 206, 234;
Terry Miller, 201; Hubert
Tisdale, 240; and Bob
Empey scored 205.

Madoc active during Winter Carnival

Madoc Winter held during the brought people out

of their homes and into the events starting Friday night.

Friday night at the Madoc Hotel, locals gathered to watch and judge four men

entered in the "Men's Beauty Pageant". The crowd was entertained for

hours by the hilarious antics of the men.

Entered in the contest were Bob Bancroft (Aunt Bobby), Steve Johnson (Happy Hooker), Don Norton (Linda Lovelace), and Bill Cook (Red Baroness).

Aunt Bobby and Linda Lovelace won the trophy for the funniest costume combined after putting on a hilarious comedy skit. The Red Baroness won the trophy for "the most likely NOT to succeed". The man that took the show was Happy Hooker, who won the prizes for the best overall and skimpiest costume.

Saturday saw the carnival in full swing, with the whole village buzzing with activity. Out on the ice of Moira Lake, hundreds of people were fishing, drinking, snowmobiling, skating, three-wheel biking, sking on the end of tow ropes pulled by a snowmobile, and some just walked around visiting and watching.

Everyone participating was in a happy winter carnival mood, and didn't care whether their fish won the prize or not.

Early in the day, Brian Williamson, Deloro, pulled out a pike weighing approximately 7 pounds, 9 ounces.

Ray Gauthreau, Ameliaburg, helped pulled the fish in.

John Burnside, head official of the fifth annual fishathon was a very high energy official who was enthusiastic about the event.

"Yahoo," said Burnside after weighing in a fish at 10 ounces. Official winners will not be announced until next week in The Review.

Back at the Madoc Hotel on Saturday, arm wrestling had begun and there was barely standing room available inside the doors. All contestants paid an entrance fee which was donated to the winter carnival fund.

There were eight top winners in each of the categories. Winners were: Price Morris, Jamie Way, Scott Bowes, Linda Lovelace, Top Lydia Veerman, Kevin Trudeau and Ken Gould (the bear).

In the arena was an all-day hockey tournament which saw Madoc Midgets play Norwood in a fast-moving hockey game at the end of the day.

There was also a kids day, flea market and evening dance held Saturday. Sunday morning a firemen's breakfast was held at the fire hall.

Madoc, 55 Russell Madoc, Ontario, was six students at Madoc School of Mines and Northern College

who recently was awarded an INCO Engineering Technology Bursary. Shown above are (back row from left) Danny MacIntyre,

North Bay; Todd Kirkwood, Madoc; Rory Moore, New Liskeard; Front row - Kerry McNamara, LeVack and

Michael Toppi, Chelmsford. Missing from picture - Andreas Nietmann, Warren, Ontario.

Sasquatch sighted at Hazzard's Lake

BY STEVE GOMBOS

On Friday morning, January 21, I had a call from an unknown person saying a strange, hairy creature had been sighted at Hazzard's Lake near Cooper-Remington. I rushed to the scene immediately.

It was a clear, cool day and conditions were perfect for possible pictures of the creature.

I had heard a few bits of information about the creature from locals in the area, but they seemed reluctant to divulge anything concrete.

"Well, there might be one, then again there might not," explained one old timer.

One Cooper woman said she heard the "thing" had been recently sighted running across the lake at 10:10:30 in the morning. "It must be its feeding time or something," she said.

Two women I encountered at Hazzard's Lake that morning, where I was soon to have the most devastating journalistic experience of my life, said the thing

was frequently referred to as the Cooper-Remington Sasquatch.

The women said many of the old timers in the area know all about the creature and have sighted it as far back as 1906. Apparently it has never harmed man or beasts. That fact was quite a relief.

These women were just as determined as I to get a glimpse of the creature that morning.

I quickly trudged down to the level of the lake and hid amongst shoreline weeds to put the element of surprise on my side.

In a matter of minutes, I saw movement as I scanned the horizon. There, running across the lake to my right, was a brown, humanoid hlob. I began to run toward it.

Since I "was" a devoted smoker at that time, the sprint to get within camera range was exhausting. I managed it though, and quickly snapped off a roll of film.

To me, the creature appeared to be about 6½ feet tall. Continued on page 2

Cooper-Remington ch) has been a for conversation in a since 1906 for that was January 21, anyway, it has been again, by reporter Gombos of The Review near the 's Lake north of 's Corners and at location in the same

area. Rumour had it that this beast was very similar in build and stature to a local barn painter, who also has big feet from jumping off barns once he has finished painting them. Rumor had it, too, that this Sasquatch would be making a guest appearance at the upcoming Cooper Winter Carnival.

During the Men's Beauty Pageant held at the Madoc Hotel Friday night as part of the Winter Carnival, the

Red Baroness, better known as Bill Cook, won the prize for the most likely NOT to succeed.

Quintones to play at Trinity

Larry Stackwood, Jack Wood, Cliff Derry, Doug Phillips, Robert Taylor and pianist Lenore West are all members of the Quintones of Madoc, and they would like to encourage the enjoyment of music that they have arranged for their own enjoyment. This group has been singing together for some time now and decided that they would like to put a program together that was composed of songs of the Quintones of Madoc.

The program will be presented on Sunday, January 30, and will be held at the Trinity United Church in Madoc, starting at 8 p.m. and continuing for approximately two and a half hours. Entertainment for the

evening will consist of the Centre Hastings Secondary School band, Tim Osborne of Madoc will sing a solo, a girls' group from Marmora will perform, Gail Emery will be singing, Brad Conroy of Marmora will perform a piano solo, Catherine Fleming of Madoc will sing a solo and Reverend and Mrs. Mack and Mr. and Mrs. Kemp will form a quartet. Kim Garbutt will also supply piano music throughout various sections of the performance. And then of course there is the Quintones themselves. They try to gear their music to the people they are entertaining and they expect the evening to consist

of primarily sacred music consisting of many of the oldtime favorites.

There will be no admission charge but a silver collection will be held, and in keeping with the Centre Hastings theme the Quintones have decided that the proceeds from this collection will be donated to a local agency, Big Brothers and Big Sisters of Centre Hastings. The presentation will be made to members of the agency during the evening.

Altogether it looks like it will be a very pleasant evening for everyone, and the Quintones are looking forward to your enjoyment of their efforts.

Queensboro News

Mr. and Mrs. G. Arinola, treasurer of Bereah, called on friends in the village Saturday morning.

Mr. and Mrs. Dabbs, Holmes and Dean of Tremont, visited Mrs. Arthur on Sunday.

Mr. and Mrs. Alex Lasko visited Mr. and Mrs. Keri Baker and family on Sunday.

Mrs. Lily Bagshaw, 66, of 401, residents of Queensboro, she emigrated from England a few months ago.

Mr. and Mrs. Al Ramsay, Mr. and Mrs. Keri Cassidy and Mrs. Ernie

Pike visited Mr. and Mrs. Don Martin and family in Peterborough on Sunday.

Mr. Alf Sutton is spending two weeks in Cleveland.

Visitors at Mera and Dorothy and Rick Levesque the New Year's holidays were Mr. and Mrs. Lucky Lees and family Yarker. Mr. and Mrs. Douglas Lees and family, Perton. Mr. and Mrs. Ross Lees and family, Cowie Lake. Mr. and Mrs. Glen Spencer and family, Stirling Dorothy and Don Burshaw and family, Belleville. Also Sylvia Byers of Eldorado visited.

Merv and Peter Daniels went to Toronto Wednesday night to the game of the Boston Bruins playing the Toronto Maple Leafs at the Maple Leaf Gardens.

Around Madoc

Mr. and Mrs. Arthur Fleming of Madoc celebrated their 62nd wedding anniversary on Wednesday, January 19, 1983.

Barry Linn of RR 1, Plainfield, was the lucky winner of a grocery basket sponsored by Hart's and Riggs' Women's Institute.

Only the Sasquatch runs at the edge of the woods

feet tall and ran tirelessly. It had quite an ugly face with very red lips, somewhat like a gorilla's. It had sharp blue eyes that fixed their gaze upon my face long enough to send a frightful chill up my spine. His body (it was a He) was covered from head to hoof like foot with brown fur. It seemed to have two streams of long brown fur blowing back from the sides of his head, somewhat like two giant

sideburns.

Once it laid eyes on me, I ran away toward my car. As I scrambled at the shore line, I slipped and fell. To my absolute disgust, my camera had been bumped and the film had popped out of the casing. My ambitious hopes had been crushed.

My rage drove me into a fit of determination, so I ran blindly into the forest in search of the elusive Sasquatch.

By sheer luck, I came across the creature again, moving slowly as if he only moved fast when being observed by human eyes. I got another chance to capture the monster in flight.

A half day of chasing the hairy beast had finally paid off. Five minutes later I was drinking coffee and chatting with two very excited local women who had seen the entire adventure.

Bowl for millions coming

Bowl for Millions is an annual event all over Canada, and is held by Big Brothers agencies as their major fund raising effort of the year. Over the past two years the local Big Brothers and Big Sisters have held very successful Bowl for Millions events in the area raising \$2500 the first year and \$4600 the second year. They are holding this event again this year with the co-operation of the Madoc Bowl and hope to raise even more money to help with their work with the children of Centre Hastings.

Pledge sheets are available at the Madoc Bowl, Big Brothers and Big Sisters office, the high school and at several stores in the village. In addition several volunteers are approaching area residents to ask for their help in this fun event.

The idea is to get a sponsor sheet, ask friends, neighbors and relatives to sponsor you for so much \$ per point. Then you go to the Madoc Bowl and have fun bowling. Al or Brian Sharpe will mark down your score on the sheet (which has a minimum of 100 points anyway, so it doesn't matter how badly you bowl!). Then you collect your pledges and hand them in to the Big Brothers and Big Sisters office by the end of February.

Bowl for Millions week is February 5th, and the opening event is fund raising dance to be held in Marmora at the Lions' Club Hall. Madoc Bowl will make lanes available to groups throughout the week, and Celebrity Day will be held on February 12th. Trophies

will be awarded to the person with the most pledges, both adult and child in the Madoc area, and there will be a trophy awarded to the group that raises the most money in the Centre Hastings area. Bowling will also take place in Tweed at the Bowl o' Way again, and at the Marmora

Bowling Lanes, so there will also be a trophy awarded to the district that raises the most money. This trophy will be presented to the lanes' owners to be held until the following year when they win again of course!

See you at the Madoc Bowl!

Madoc: Godfrey's Growers boast a third place in sales

BY STEVE GOMBOS

"We are the third largest producer of sauerkraut in Canada," says Adam Godfrey, owner of Godfrey's Growers Ltd., Madoc.

In September, 1982, Godfrey Growers' began operation in a new 7,000 square foot production plant located north of Madoc on Hemite Road. The building is still in the process of being completed. Godfrey says they are still putting more production lines in and making modifications to the ones presently in use.

In addition to the sauerkraut production, the plant is also the fourth largest producer of salad in Canada.

In the spring (1982), Godfrey employed 24 people to staff the plant during its busiest season. Now in the winter season there are eight employees.

The salads the company produces include coleslaw, potato salad, macaroni salad and bean salad.

Godfrey says an American company is their biggest competition in the

salad department and Libby's and Bick's are the only companies supplying Canada with more sauerkraut than Godfrey's Growers.

Godfrey's supplies food services, restaurants and retail outlets across Canada.

Godfrey says the whole business is based on cabbage. This year the company grew 20 acres of cabbage which was 20 per cent of the actual amount needed for production. Next year Godfrey hopes to increase the acreage to 40. Godfrey is also the only salad company in Canada that is growing vegetables for making salads, says Godfrey.

In charge of the farm operation is Allan Godfrey's brother Mark.

"I enjoy the business because we're able to produce raw material, develop process and sell a finished product," says Adam Godfrey.

Adam Godfrey moved to Madoc in 1974 from just outside Stouffville, Ontario. At that time, he was

farming cabbage and raising beef cattle. He began making sauerkraut in his garage while still farming.

In 1976, Godfrey decided to focus on growing cabbage and producing sauerkraut. He already had sales clientele in Toronto.

For the past four years, Godfrey has been a member of the Madoc Chamber of Commerce.

Now, Godfrey's is the top supplier of sauerkraut to outlets in Kitchener-Waterloo, a predominantly German area and heart of the Oktoberfest country.

"We thought if we could incorporate the growing and producing process to make sauerkraut, then we could be competitive in the market," says Godfrey.

Until September 1982, Godfrey's still operated out of an expanded version of the original garage on Hemite Road.

"The market demand for our product is strong in both the sauerkraut and the salad areas," says Godfrey.

Godfrey says the trend in

the current market is toward purchasing ready-to-use products so that labor costs and quality problems are kept to a minimum.

"These and the amount of inventory are major concerns of companies to-day in the food business. They must have producers year round that they can rely on," says Godfrey.

The process for sauerkraut begins when the cabbage is brought in, stripped of the outer leaves and chopped. Then the chopped cabbage is put into large holding tanks (wood) where it ferments. Fermentation can last anywhere from six weeks to ten months.

Approximately 600,000 pounds of sauerkraut is in the tanks at one time.

"We make the sauerkraut in the 'Old Fashioned' style, which means its flavor is better. All we do is let it ferment and add salt. It is the only non-pasteurized sauerkraut in Canada, which means it requires refrigeration. Pasteurized products are put in cans and jars," says Godfrey.

Earlier Godfrey said the company does have a special recipe for the sauerkraut but would not go on to reveal it.

From the tanks, the sauerkraut is conveyed to the packaging room where it is weighed and packaged

ready to ship.

"One reason we think we can succeed out here is because the quality of labor we get is high. We've had the same crew for a number of years, and are now gradually expanding the base crew," says Godfrey.

In the summer of 1983, Godfrey plans to put on another 4,000 foot expansion "if all goes well."

He says he anticipates the number of full time staff will increase to 20 people in the near future.

Right now we're looking at the feasibility of long term cabbage storage so we can use locally grown cabbage year round," says Godfrey.

Godfrey's Growers located north of Madoc on Hemite Road, is the third largest producer of sauerkraut in

Canada. The company has recently moved into a new 7,000 square foot plant. Seen here is Adam Godfrey,

owner of the company holding a pack of sauerkraut next to one of the factory's packaging machines.

ONE FOOT IN THE FURROW

BY BOB TROTTER

Ultimate weapon not warheads, but food, says Bob

President Reagan has had to cut defense spending. His deficit is too high. Those who worry about

these things—the military capacity of the U.S.—always analyze military strength. They compare the

number of tanks, planes, nuclear warheads and missile strengths of the U.S. with that of the Soviet Union.

But the military analysts are looking in the wrong direction.

They should be looking at the ultimate weapon: food. And that is where the United States has the upper hand. In spite of five-year plans and a heavy emphasis on agriculture, the Soviets have become dependent on imports to feed their millions.

According to Lester R. Brown, president of Worldwatch Institute in Washington, two 20,000-ton freighters loaded with grain leave every day for the Soviet Union. Although Mr. Brown, like other Americans, forgets Canada. Shipments of grain leave Canadian ports in almost the same long line, heading for

Russia. Well, that is, they leave when the Canadian transportation system and the unions are working.

This flow of grain from the free world is the most important change in the relationships between Russia and the West since the beginning of the Cold War. It demonstrates clearly that North America and Russia have become interdependent. In other words, Mr. Brown says, they need each other.

"The food connection," writes Mr. Brown in a paper prepared for Worldwatch Institute, "does not ensure peaceful relations between the U.S. and the Soviets, but it could become the cornerstone which to build a better relationship. From the American point of view, it could offer an opportunity to take the lead in slowing the arms race."

"From the Soviet point of

view, the need to import grain points up a failure in the Soviet system, a failure that raises the spectre of the need for internal reforms."

Mr. Brown has plenty of statistics to prove his point.

In 1950, the Soviets produced 0.8 metric tons per hectare, the U.S. produced 1.6 metric tons per hectare. In 1982, the Russians had been able to increase production to only 1.4 metric tons per hectare while in the U.S., production had skyrocketed to 4.2 metric tons per acre.

In effect, American farmers produce double that which the Soviets produce.

"These shipments (of food) are an important commercial transaction for the United States (and Canada), but they may also provide insurance against a nuclear attack," writes Mr. Brown. "Although the prospect of destroying its

principal source of imported food will not necessarily prevent...an attack...it is certainly a deterring factor."

For 10 years, we have been worrying about energy shortages. Perhaps it is time this country and the United States bargained with the real source of power. Forget about nuclear missiles and anti-missiles and interceptors and tanks and guns and ships and oil.

Use food as a political weapon. It may not sit well with some who haunt the halls of power, but it is the ultimate weapon.

No nation can force a starving population into battle.

A hungry man is a desperate man, desperate enough to question and overthrow a government.

Marmora Juveniles win two despite flat spots

BY SUSAN M. CUDDY

Marmora Juveniles travelled to Colborne on Monday, January 17th, and with the exception of the flat

tires on the bus, the trip was quite successful. Randy Gray started off the night with an unassisted

goal. Colborne answered back, but Andy Ringelman, assisted by Darcy Cook and Randy Gray, and Randy

Gray assisted by Darcy Cook and Andy Ringelman, brought the score to 3-1. By the time the first period was

over, Colborne had tied the score.

Colborne opened the second period, followed by

Eddie Van Allen and Darcy Cook. Colborne tried again to move ahead, but Marmora came back with six more goals. Scoring were Mike Barris assisted by Randy Gray, Mike Franks assisted by Scott Termon, Andy Barris assisted by Darcy Cook, Randy Gray assisted by Andy Ringelman, Greg Miller assisted by Mike Franks and Randy Gray, and finally Darcy Cook unassisted.

On Tuesday, Marmora hosted Brighton and played the second to last game of the season and brought them back to even score, one for and one less. Brighton started off with two goals but before Scott Termon scored unassisted, Randy Gray assisted by Tim Williamson tied the score. Scott Termon assisted by Darcy Cook scored number three, and Mike Franks assisted by Jeff Brown scored number four. Tim Williamson assisted by Darcy Cook scored the final goal. The score ended 7-4. Marmora is the next scheduled game is February 8th in Havelock against Bancroft.

Norwood Minor Hockey Results

Tuesday, January 18

Tonight saw the Pee wee "B" team on the road to Warkworth. In this game the locals took command from start to finish as they shut out the opposition by a 5-0 score. Andrew Rork is credited with the shutout. Goals scored by: Troy Pearcy, George Moffat and Owen Iles, each with singles, while Dwayne Brown added two.

Thursday, January 20

The Norwood Novices were at home to Ennismore tonight. This was an evenly matched contest as both teams managed two goals each to finish the game with a 2-2 tie. Local scorers were Chris Heffernan and Mark Stewart.

The Pee wee "B" team hosted Ennismore tonight. The locals doubled the score on the opposition to defeat them 4-2. Scoring: Owen Iles and Tim Rose with singles, while Troy Pearcy added two.

Tonight also saw the Norwood Midgets in league play as they visited Stirling. The locals had a poor night as they went down to defeat by an 8-3 count.

Friday, January 21

Tonight saw the league play come to a close. The Norwood Pee wee team hosted Warkworth. A real battle was seen throughout the whole game. It took until the 39-second mark of the third period to determine a winner. The locals

lost 3-2, singles going to Richard Coughlin and Mike Payne.

The Bantam game also proved to be quite a contest, with the locals playing host to Keene. The opposition took a 2-0 lead only to have the locals come back and tie it up. The final score ended in a 2-2 tie. Scorers: Richard McGaffin and Greg Chamberlain.

The Norwood Midgets faced Campbellford to complete their league play. This was yet another game which proved to be end to end action. The locals managed to put on added pressure and came out on top by a 6-4 count. Scorers: singles to Kevin Heffernan, Kirk Lytle, Thomas Kerber, while Craig Dair added the hat trick.

Saturday, January 22

Three local teams took part in tournaments this weekend. The Norwood Atoms in the Peterborough Atom Tournament; the Bantams in Marmora; and the Midgets in Madoc.

The local Atoms played Port Perry in their first game. This was quite a game for the locals as they went down to defeat by a 10-1 count. In their second game the locals met a team from Listowel. The locals were back in their old form as they defeated the opposition by a 6-1 score.

In their third game, the local Atoms faced Ennismore. See Norwood on page 6

My Superstars

Twenty-four rinks attended the Molson's Mixed Bonspiel held in Marmora this weekend. The event was organized and administered by Jack and Endy Fluke.

The Norwood rink of Barry Brown, Darlene

Brown, Jerry Menzies and Eileen Menzies took the first event, defeating Cyril Shaw's rink from Madoc.

In the second event, Garney Brownson's rink from Marmora defeated the Munro rink from Havelock.

The third event saw Ken Gillies of Marmora defeat Raeburn Robinson of Madoc, while the Robin MacDonald rink of Toronto defeated Al Killian of Marmora in the fourth event.

Pee wee B's go down to defeat

Tweed Pee wee A team clouted the Madoc Pee wee Bs for the second time this week, 9-1, here in Madoc, Saturday, January 15.

After routing the Madoc team 11-2 in Tweed, Wednesday, January 12, Tweed made it a clean sweep here

Saturday afternoon, by the resounding score of 9-1.

Tweed led 4-0 after period one.
It was 8-0 for Tweed after 2 periods, including a burst of 3 goals in 35 seconds during the period.
Tweed made it 9-0 with 11

minutes remaining in the game. Kert Rosnuk scored from Pat Bailey for Madoc with 6:20 to go in the game.

This saved Madoc from being blanked.
This leaves the Pee wee B team with no wins, 2 losses and 1 tie, so far this season.

Gilders lead Chiefs to victory

LAKEFIELD: The Lakefield Blakes IGA Chiefs travelled to Cobourg Monday night and came away with an 8-6 victory. The Chiefs, who were led by Robb Gilder's five goals, were never behind in this game as they held period leads of 4-1 and 7-3. Glenn Stevenson played another strong game and scored a pair of goals with Perry McCracken chipping in with a single. Marty Rhodes played another strong game in goal, stopping 40 Cougar shots.

The Cougar goal scorers were Paul Chohiere, Ray West, John Thompson, Bill Jex, Tim Fawcett, and Mark Wood.

Norwood Bantams win one in Marmora tournament

town. This game proved really close with the locals coming out on top with a 4-3 win.

The consolation semi-finals saw the locals up against Wellington. The locals gave it their all, but were down to defeat by a 4-2 score.

The Norwood Bantams played against Havelock in the first game of the Marmora tournament. The locals managed to slip by the opposition by a 3-2 score. This game was to also be used as their final league game against Havelock. Scorers were Richard McGiffin, Ronnie Hamersma and Mike Payne.

In their second game, Norwood faced a real strong team from Wellington. The locals were eliminated as they were defeated 6-1.

Wellington was the team that the local Midgets faced in their first game of the Madoc tournament. This game was a real battle as it took overtime to determine a winner. The locals proved the better as they came out on top by a 3-2 score. Kevin Heffernan was chosen MVP for the locals.

In their second game,

Norwood was up against Campbellford, who were out for a little revenge as the locals had beaten them the night before. There was end to end action, then the locals came to life as they put on quite a display of

team spirit to go on to defeat the opposition 6-2. Scott Oliver was chosen MVP for the locals in this game.

In the championship game, the locals faced the

host center. This was another game with a lot of action. Norwood played super hockey, returning home winners after defeating Madoc by a 3-1 score. Mike Terpstra was given MVP in this game. Each

player received individual trophies along with the championship trophy.

Sunday, January 23

Tonight saw the local Peewee "B" team at home

to Warkworth. In this contest the locals proved the better as they doubled the score on the opposition to defeat them 4-2. Scoring were Tim Rose, Chris Chaplin, Blair Miles and Scott Wark.

Midgets finish schedule on winning note

MADOC: At home, Tuesday, January 20, the strong Midget team from Madoc dropped the Stirling B team 8-3. This leaves the local team with a hot 11-2-3 for the season in wins, losses and ties. The boys ended up in first place in the regular league schedule they participated in.

The playdowns are beginning very soon and the Midgets must advance in B level play-offs because of the inclusion of both Marmora and Madoc players on the team.

Watch for upcoming dates for play off games and support the local boys.

The 8-3 win over Stirling saw Madoc lead 5-0 after period one, 6-1 after two and at the end the score was 8-3.

Point makers were: Doug

Reid, 3 goals, 1 assist; Brennen Devolin, 2 goals, 1 assist; Bob Bronson, 1 goal, 2 assists; Eric Brinks, 1 goal, 1 assist; Kevin Bertrand, 1 goal, 1 assist; Wayne McGowan, 2 assists; Kevin Fox, 2 assists; Mike O'Riordan, 1 assist; Alex Love, 1 assist; Byron Hobson, 1 assist; and Brian Willman, 1 assist.

Here's a look at the statistics for the mighty Madoc Midgets at the conclusion of regularly scheduled games (16 games): Doug Reid, 27 goals, 24 assists, 51 pts; Bob Bronson, 15 goals, 19 assists, 34 pts; Byron Hobson, 12 goals, 13 assists, 25 pts; Eric Brinks, 8 goals, 14 assists, 22 pts; Brennen Devolin, 7 goals, 15 points, 20 pts; Kevin Bertrand, 10 goals, 8

assists, 18 pts; Steve Lamb, 5 goals, 9 assists, 14 pts; Mark Campbell, 1 goal, 10 assists, 11 pts; Wayne McGowan, 4 goals, 5 assists, 9 pts; Kevin Fox, 0 goals, 9 assists, 9 pts; Peter Brady, 3 goals, 5 assists, 8 pts; Mike O'Riordan, 3 goals, 5 assists, 8 pts; Alex Love, 1 goal, 4 assists, 5 pts; Mark Tripp, 1 goal, 1 assist, 2 pts; Chris Daniels, 1 goal, 0 assists, 1 pt; Brian Willman, 0 goals, 1 assist, 1 pt.

Special Tournament here

in Madoc coming up Saturday, January 29. The Madoc Minor Hockey Novice-Atom Invitational Hockey Tournament. Game 1 - 8 a.m., Atom, Warkworth vs. Madoc; Game 2 - 9 a.m., Novice, Brighton vs. Madoc; Game 3 - 10 a.m., Atom, Campbellford vs. Norwood; Game 4 - 11 a.m., Novice, Norwood vs. Napanee; Game 5 - 12 noon, Atom, losers of games 1 and 3; Game 6 - 1 p.m., Novice, losers of games 2 and 4; Game 7 - 2 p.m., Atom,

winners of games 1 and 3; Game 8 - 3 p.m., Novice, winners of games 2 and 4; Game 9 - 4 p.m., Atom A Championship, winners of games 5 and 7; Game 10 - 5 p.m., Novice A Championship, winners of games 6 and 8.

There is a strong possibility that Madoc teams will be in these games. Come out and support your local team and see some sharp hockey.

Madoc second in Marmora

Marmora hosted on Saturday, January 23, an Invitational Bantam Tournament. The Madoc team came out of the day runners-up, after winning their first games and then dropping the championship match. The Consolation Cup comes home with Madoc for their valiant efforts. They were plagued with player sickness; being short of regular players and without injured Doug McCoy, but still showed tremendous persistence in the tournament appearances.

First game: Madoc 4 - Marmora 2.

Marmora jumped into a 1-0 lead at 8:18 of the first period. Madoc boys were not to be outdone and slammed two behind the Marmora goalie to lead 2-1 after one period. Their last goal came with only 21 seconds left in the period.

The second period saw Madoc count the only marker with 1:56 left in the stanza.

Chris Daniels rifled home his third straight goal for Madoc at the 3:45 mark of the third period causing a 4-1 lead for Madoc. With only 1 second left in the game, Marmora managed to make the final count read Madoc 4, Marmora 2.

Madoc point gatherers were: Chris Daniels, 3 goals; Troy Melvin, 1 goal; Dan Powell, 2 assists and Lorne Bronson, 1 assist.

Lorne Bronson played a strong goal keeping job for Madoc and should be recognized.

Second game: Madoc 6 - Tweed 4.

This was an exciting affair. Tweed counted the only goal in period one.

Again in period two, Tweed got the only score making it 2-0 after the second round.

The third period was torrid for exciting action. Tweed led 3-1 at one time, only to have Madoc tie it 3-3. However, with only seven seconds left, Madoc tied it 4-4.

Two periods of overtime were then played and the draw could not be broken.

To decide the winner a shoot-out was staged and Chris Daniels and Troy Melvin scored for Madoc to win a dilly 6-4 over Tweed.

Lorne Bronson made remarkable blocks on the

Tweed shooters in the shoot-out to help hold the victory.

Point getters for Madoc in game 2 were: Troy Melvin, 3 goals; Chris Daniels, 2 goals, 2 assists; Duncan Kosziwka, 1 goal, 2 assists; Dan Powell, 2 assists; and Stephen Needham, 1 assist.

Game 3 for the "A" Championship: Wellington 4 - Madoc 0.

The strong Wellington "A" Bantam team who are in a higher classification than Madoc (house "DD") outclassed Madoc all the way to win the "A" Championship Cup.

Leads of 1-0 after period one, and 3-0 after period two, plus one more goal to boot in period three was all Wellington needed to be champions for the day.

Bantams drop last game of schedule

For the second time in a week, the Bantam "A" team dropped their second game. This time the score was 7-5 to Frankford, here on home ice, Friday, January 21.

Even with this loss that leaves the town with a good 8 wins, 4 losses and 2 ties record after the regular season's games. They remain in second place awaiting playoff action to

begin next week against their arch rivals, Tweed Bantams.

The Madoc team had to play short of men with

sickness plaguing the team, and also with the loss of star Doug McCoy, with a knee injury from last week (he will be out for the rest of the year). The team still managed a commendable effort.

Madoc rammed in the only two goals of period one.

Frankford poured on the steam and tied it 2-2 part

way through period two, but Madoc fought hard and again took a two goal period edge after the second session, 4-2.

It was nearly all Frankford in the last period and they overpowered the Madoc lads and potted four unanswered counters and jumped into a 6-4 lead. The two teams exchanged a goal each in the final 5 minutes making it read Frankford 7, Madoc 5, at the end.

Pointmen for Madoc were: Danny Powell, 2 goals, 1 assist; Duncan Kosziwka, 1 goal, 2 assists; Stephen Needham, 1 goal, 1 assist; Scott Chapman, 1 goal; Chris Daniels, 2 assists; Ross Allen, 1 assist; Troy Melvin, 1 assist; and Larry Bird, 1 assist.

Pewees defeat Tweed 14-0 for 14th victory

Madoc Pewee A team murdered Tweed 14-0 here in Madoc, Friday, January 14.

This wild scoring win gave the powerful Pewees their 14th consecutive league game victory without a loss.

Jeff McMaster, who has played solidly all year in goal for Madoc, earned his

first shutout of the year.

After 1 period Madoc led 2-0.

After 2 periods, Madoc jumped ahead 7-0.

Adding seven more in the third period brought the runaway final to 14-0 for Madoc.

Stephen Bancroft, Pewee scoring ace, added five goals and three assists to

his already league-leading pace. Now he has 36 goals and 29 assists for a leading 65 points (the best in both departments).

Also Bancroft accomplished a five-goal back to back deal, two at end of the second period and three at first of third (two of which were seven seconds apart) in his last pace.

Other Madoc scorers were: Brian Forestell who wrapped in 3 goals and 2 assists (this gives Brian 20 goals and 19 assists for 39 points and second place in scoring position); Brent

Forestell notched 2 goals and 2 assists (his season's total now rests at 14 goals and 16 assists for 30 points

Chiefs - Muskies split in the last minute

LAKEFIELD: The first place Lindsay Trent Muskies, sporting a thirty game unbeaten streak, visited the Lakefield Blakes IGA Chiefs Tuesday night and had to rely on Gord Corniel's last minute goal to keep their streak intact. The

Chiefs, playing one of their strongest games of the season, skated with the Muskies for the entire game.

The Chiefs, at one point in the second period, played two men short for almost two full minutes and did not

allow a shot on goal.

The Chiefs' goal scorers were Kevin Evans, Lyndon Crawford, Roddy Taylor, Robb Gilders, all singles. Robb Gilders also picked up two assists, giving him nine points in his last two games.

Marty Rhodes again came up with a strong game in net for the Chiefs facing 41 shots. The Muskie goal scorers were Gord Corniel with the hat trick and Barry Johnson with the single. Ron Sharmon picked up two assists.

Pewee B's

BY SUSAN M. CUDDY

The Pewee Bs hosted Stearns and Foster on Tuesday night, January 18, and although they put up a good fight, they lost 6-3. Goal scorers for Marmora were Chris Peters, assisted by Jody Cassalman and Dennis Logan. Chris Peters, assisted by John Fegan and Chris Peters, assisted by Jody Cassalman and Matt Cuddy.

On Thursday, January 20, the Pewees took to the ice again and soundly beat Campbellford 11-3. Scoring for Marmora were Matt Cuddy with 5 goals, 3 assists; Chris Peters with 5 goals, 2 assists; Cory Jennings with 1 goal; Jody Cassalman and Bernie Coe with 3 assists; Brian Sanderson and Jason Taylor, 2 assists; Dustin Caldwell and Mike Wiggins and Dennis Logan with 1 assist each.

Stirling's Four Seasons Midget Blues skated

around, and pushed around Norwood's Terjoleen Farms

Midgets to a 9-4 decision in Stirling last week.

Blues defeat Norwood

STIRLING: Rob Elliott got two goals, two assists, two minor penalties, five minutes for fighting, and a game misconduct, as the Four Seasons Midget Blues defeated Norwood Terjoleen Farms 8-3 in action last Thursday night.

Marty Goeree and Rob Jackett scored two each, and Peter Morgan and Chris Carson got the other two for the Blues.

Scott Oliver and Ken McGee scored for Norwood.

Stirling set the pace in the first period, taking a 5-2 lead to the dressing room. Norwood was not able to narrow that lead by more than two goals for the rest of the match.

Both teams put together several impressive-looking rushes that were broken up, and the game was for the most part, a close-checking one. Neither team seemed eager to use the body, but there were a few high sticks. This may or may not have caused the fighting incident that caused referee Barry Wilson to eject Blues player Rob Elliott with 40 seconds left in the match. The Blues scored the eighth goal without him, short-handed.

The Crowe Valley Conservation Authority

P.O. Box 416
Marmora, Ontario K0K 2M0
613-472-3137

JUNIOR RESOURCE TECHNICIAN

The Crowe Valley Conservation Authority has an opening for a Junior Resource Technician.

Wellington wins Bantam A, Marmora takes Bantam B

MARMORA: Here are the results from the Marmora Bantam Tournament held over the weekend:

First game: Madoc defeated Marmora 4-2. Goals were scored by David Scott (Marmora) assisted by Craig Nobes and Steve Lovette. Tyron Melvin scored for Madoc assisted by Dan Powell. Chris Daniels collected the next three goals for Madoc with assists going to Lorne Brownson and Dan Powell. Marmora's last goal was scored by Darin Thompson.

In game two, Tweed defeated Peterborough St. James 2-1. No results were available for game three. Game four saw Wellington down Brighton 6-1.

In game five, Marmora shut out St. James 4-0 with Scott McTaggart getting the

shutout. Goal scorers for Marmora were Kelly Cook assisted by Greg McCurdy, Steve Meers assisted by Kevin Terrior. Kevin Terrior from Chad McCurdy and Greg McCurdy and Kelly Cook from Dwayne Bertrand.

Game six saw Madoc defeat Tweed 6-4. Havelock downed Brighton 5-1. Wellington dropped Norwood 6-1 in game eight.

In the B championship, Marmora defeated Havelock 4-1. Goal scorers for Marmora were Dwayne Bertrand from Kelly Cook, Steve Meers assisted by Kevin Terrior and Jeff Kelly. Kevin Terrior from Steve Meers and Kelly Cook from Dwayne Bertrand.

In the A championship, Wellington shut out Madoc 4-0.

Norwood victorious in Madoc Midget Tournament

All day Saturday, January 23, fans saw some excellent hockey teams competing in the Madoc Midget Hockey Association Invitational Midget Hockey Tournament.

The local Madoc Midget team played in three games, winning two and losing out in the championship battle.

Here is a rundown on all game results: Madoc 6, Tweed 3, Belleville 5, Stirling 4, Campbellford 7, Colborne 3, Norwood 4, Wellington 3 (overtime), Tweed 10, Stirling 2 (overtime).

ling out): Madoc 4, Belleville 0 (Belleville out), Wellington 4, Colborne 3 (Colborne out), Norwood 7, Campbellford 2 (Campbellford out), Wellington 9, Tweed 4 (Wellington B Champs), Norwood 3, Madoc 1 (Norwood A Champs).

There were no fights during the whole tournament with very few penalties allotted. The style of play was excellent and the competition really tops. The turnout of fans was encouraging too.

The Most Gentlemenly

Player for the entire tournament was awarded to Madoc's Brennen Devolin.

A closer look at Madoc's three encounters:

First encounter - Madoc 6, Tweed 3.

Madoc boys pounced on Tweed and led 2-0 after period one.

Tweed brought the score 2-1 early in the second period. Before that second period ended Madoc had built up a 5-1 lead. Tweed narrowed it before two periods were up to a 5-2 tally.

One more goal for Madoc put the count 6-2 for Madoc in the third period. Tweed finished the scoring, getting one more, falling short, 6-3.

Scoring were: Byron Hobson, 2 goals, 2 assists;

Kevin Fox, Alex Love, Kevin Bertrand, 2 goals, 1 assist; Eric Brinks, 1 goal, 2 assists, Doug Reid, 1 goal; Brennen Devolin, 2 assists; Peter Brady, 1 assist; and Kevin Fox, 1 assist.

Second encounter - Madoc 4, Belleville 0.

First period score was Madoc 2, Belleville 0.

Second period score was Madoc 4, Belleville 0, and the third period was scoreless.

Eric Brinks was Madoc's MVP for this game.

This victory advanced Madoc into the "A" championship final bout of the night.

Point men were Doug Reid 2 goals, 1 assist; Bob Bronson, 1 goal, 1 assist; Eric Brinks, 1 goal, 1 assist;

This Tweed breakaway turned out a near miss, and Wellington (in the light uniforms) went on to defeat them 9-4 to take the B division title in last weekend's Madoc Midget Hockey Tournament.

Milk Committee gearing up for annual meeting

The Hastings County Milk Committee is gearing up for its annual milk producers' meeting, to be held in Ivanhoe Thursday, February 3.

The Committee approved a recommended budget of \$5,804, based on Ontario Milk Marketing Board grants of \$5.18 per producer, which are up 6 per cent from last year.

The controversy over the size of the Hastings Milk Committee may surface

again at the annual meeting. The Committee has 15 members, and says this is because Hastings is a large county, and an active dairy producing region. The

OMMB still grants the Committee money based on a membership of eight.

Committee elections will

be held of course, and the following directors of the Committee will be retiring: Harry Danford of Springbrook; Ross Twiddy of Madoc; Harold Bush of

Stirling; Glen Elliott of Stirling; and Rodney Moorcroft of Foxboro.

Five Gold Seal Certificates, signifying excellent

milk quality, will be handed out as well at the annual meeting. Another 39 general certificates of quality will be sent to Hastings producers through the mail.

Availability Day held in Peterborough

On Friday, January 14 and five of my colleagues from our government's Eastern Ontario caucus held an Availability Day at the Red Oak Inn, in Peterborough.

It was our purpose in holding this day to make ourselves available to interested local groups wishing to make representations to the government on matters of concern to them.

Three separate groups from my riding of Hastings-Peterborough took advantage of this opportunity.

Appearing first were representatives from Bancroft's Health Care Delivery Services Committee. The committee members stressed the need to establish a chronic care centre in the Bancroft District. At present there are few facilities for this type of care in the area. They suggested a chronic care facility could be accommodated by making an addition to either the Red Cross Hospital or the Centennial Manor and asked that the Ministry of Health take the appropriate action in this regard.

I would like to commend Dr. Hugh Johnson, Mr. Mike Burns and Mr. Jack Hutton for their excellent brief which they presented to our Eastern Ontario Caucus Chairman, Hon. Claude Bennett, Minister of Municipal Affairs and Housing. I am also forwarding their brief to the Minister of Health, Hon. Larry Grossman, for his

attention.

Stirling resident Al Watson also appeared before us. Since he has a skin condition requiring specialized treatment, he urged the government through us to allow the Roman skin specialist, Pavel Korak, to establish a clinic for skin disease victims in the Toronto area.

I also met a group of deputants from Havelock outside the meeting. Since

they were not scheduled to speak, they could not make a formal presentation. However, they requested that a black powder deer hunt be allowed in the Petroglyphs Park in Apsley area.

Since there is an overpopulation of deer in this park, a bow and arrow hunt is permitted out of season. The group asked that a black powder hunt take place for one week after the bow and arrow hunt ends. I

am passing their request, along to the Minister of Natural Resources, Alan Pope.

STIRLING CREAMERY RECEIVES GRANT

The Stirling Creamery Ltd. has received a grant of \$9,317 under the Ontario Cream Assistance Program to help with the purchase of butter wrapping equipment.

The \$1.5 million program

which is funded by the Board of Industrial Leadership and Development provides grants to cover up to one-third of the costs of upgrading butter wrapping equipment. It also helps creameries with the cost of installing mechanical refrigeration on trucks, upgrading of in-plant can washing equipment and the purchase of containers for shipping bulk cream to farm separated cream plants.

SHEPHERD'S NOOK

BY KEN YARROW

Once again, I am going to deviate from what is expected of me. I wish to make you aware of a service being provided to the many communities involved, one which many tend to view in a different manner. Adult Retraining Centres of ARC Industries is often viewed as a total burden, a charitable obligation, a political gambit, etc.

Primarily designed for mentally handicapped persons and many times in the past used and abused as a babysitting service, it can involve any person showing a high need.

Thanks to many highly motivated and dedicated persons, it has grown and is continuing to grow into a definite asset to any community - a definite credit to those persons whose original primary purpose was to simply get these people out of institutions.

We do not want to solicit your sympathy - rather your empathy - a world of difference. The big difference is in the long-range difference and repercussions in any community. If regarded in the wrong way, certain expectations will be looked for and commented on. On the other hand, if treated as equals, then positive things can be looked for and found.

Sure, it certainly costs a bundle to implement, but a smaller bundle than that required to provide institutional housing facilities.

Another little known fact is that much of the money required was originally earned by the association, not government. Government now plays a part, for sure, but there is a minimum percentage of all expenses that must be raised by any ARC shop.

With the basic funds provided, as things progress, then so must this percentage become larger.

Enough of outlining, it gets boring. The person involved attains a dignity previously out of reach. He or she gets up on a regular basis, goes to work and produces a visible and viable commodity or service marketable in some area. The people receive pay for this work and go into the community with buying

power. In other words, a normal and acceptable part of any community.

Using four local shops, I will show a variety of skills with very little overlap. It will be seen that these skills vary according to different towns and reflect the energy and ingenuity of those in charge. A definite need for each skill or product will be noted and that they are competitive (not undercutting) with other business in the district. In some areas,

basic skills in both vocational and life skills are being taught as an aid to better production.

Editor's note: Watch upcoming articles by Ken Yarrow in The Shepherd's Nook. "These articles are intended to benefit the handicapped and to attempt to better inform the public of their [ARC Industries] service to the communities surrounding them," Mr. Yarrow informed us.

OPP report

A total of 51 general occurrences were investigated by officers of the Madoc detachment, for the period of January 8 to January 15, 1983. Six charges of impaired driving

and five charges under the liquor licence act were laid. One person was charged with an offence under the Narcotic Control Act. Four break, enter and thefts, two thefts and one wilful dam-

age complaint were also investigated.

Four reportable accidents were investigated during the same time period, resulting in \$4,850 property damage and one person being injured.

On Saturday, January 8, 1983, at approximately 7:50 p.m., Bernhard Hartan of RR 1, Claremont, Ontario, was driving a 1979 Dodge van westbound on County Road 13 (Stoco Road) 3.3 km east of Highway 37. A pedestrian, Patrick Rush of RR4, Tweed, Ontario, proceeded onto the roadway in the path of the Hartan vehicle. The right front corner of the van struck Rush. Rush sustained major injuries and was taken to Belleville General Hospital by ambulance where he remains in satisfactory condition. The van received approximately \$500 damage. The accident was investigated by Constable N. Papi.

Safety Tip - If you have one last drink for the road, you could have a police officer for a chaser.

Green returned home Sunday after spending a week in Jamaica. Apart from a little rain on arrival the days were warm and very enjoyable. Mrs. Green reports, "Jamaicans have a very different way of life and we in Canada are very lucky," she commented.

Alan and Anita Bedore of Napanee were weekend guests of his parents, Mr. and Mrs. Fred Bedore.

Mr. Damien Cassidy of the Tweed area has taken up residence at Blue Spruce Haven.

Friends of Mr. John Craighead will be sorry to learn that he died at Belleville General Hospital last Wednesday evening, January 19. He was a resident of Blue Spruce Haven and Matthew Place

for some time.

Mr. and Mrs. Jim Martin visited their grandson, Ricky Martin, of Rednersville at Belleville General Hospital on Sunday.

Pam McIntroy of Queen's University, Kingston, spent the weekend with her parents, Mr. and Mrs. Eric McIntroy.

Recent visitors at Centre Hastings Nursing Home have been Norma and Roy Brickman of Crookston who visited Mrs. Margaret Fox; Irene Lynn and Olive Wallace of Tweed who called on their mother, Edith Holmes and Fred and Violet Jones of Bobaycon visited with other relatives.

It got cold enough in the Quinte area last week that Rawdon Creek even started to freeze up under Stirling's covered bridge.

OMMB chairman gives pessimistic speech

In his address to the Seventeenth Annual Meeting of the province's milk producers, Kenneth G. McKinnon, Chairman of the Ontario Milk Marketing Board, told producers that they must be realistic during these troublesome times.

"There's little hope over the next year of getting out of a hole by pinning one's hopes on significant market expansion or on higher total milk production," He indicated that, "milk producers should examine closely all their cost elements and ruthlessly pare down any items over which they have control."

McKinnon cited the following factors as having a major impact on the dairy situation.

A combination of world wide recession and rising milk production has resulted in large stocks of dairy products on the world market, especially in the USA and the EEC. This has depressed world prices for most dairy products and, as a result, significant levy increases have been imposed on Canadian dairy farmers to dispose of surplus products, especially skim milk powder.

Domestic milk production is also much too high in relation to demand and has

resulted in quota cuts as a warning for producers to curb production.

As well, consumption of milk and dairy products is likely to remain static during 1983 because of the Canadian economic climate.

In addition, the Board, and the dairy industry in general, supports the principle of restraint and is prepared to make its contribution to fight inflation and get the economy back on its feet by limiting price increases.

McKinnon was not totally pessimistic in his remarks and reminded producers to count their blessings too.

"Tough as our difficulties and challenges may be, the existence of your marketing board, the operation of a supply management program, the continuance of a fairly stable National Dairy Policy, and the fundamentally sound structure and well-thought out programs of this industry have all kept dairy farmers in Canada in better shape than in many other countries. Certainly, the Canadian Dairy Industry is better positioned than many other industries with in Canada."

Rylstone news

Mrs. Morley Finch is a patient in Kingston General Hospital and Mrs. Cecil Finch is a patient in Campbellford Memorial Hospital. We wish them a quick recovery.

Mr. and Mrs. Robert Spencer and Rozanne spent a recent Sunday with Mrs. Fred Husband of Napanee and visited Mr. Husband, in Napanee Hospital.

Mr. and Mrs. John Spencer and Mr. and Mrs. Marvin Cooney spent the weekend in Toronto, where they attended the boat show held in the Royal Coliseum and a hockey match in Maple Leaf Gardens.

They also visited Mr. and Mrs. Sam McIlwaine, Mrs. Barbara Amm and Mr. Douglas Bateman, all of Toronto.

Mrs. Ken McCaughen, Linda and Carlie, of Lind say, were recent visitors of Mrs. Clarence Thomson.

Mount Pleasant UCW

Our January meeting opened with dessert and coffee served at 7:30 p.m. This created a great social atmosphere and a pleasant change for the start of a new year.

President, Doris McAdam, welcomed the 21 members and one visitor, and read a poem entitled Faith for the New Year. Following a hymn, the secretary and treasurer reports were given as well as correspondence. Shirley and Phyllis reported for their committees re activities in December and January. Doris thanked those who helped with the

boxes prepared and delivered to the shut-ins and elderly people of our own community. Mary Hart presented the new budget with minor changes.

The executive was in charge of the program. Mary opened with a poem. Beatrice Harry read the scripture and the offering was gathered by Betty Hubble and Shirley Pyear. Dedicated by Barbara Jeffs. Doris gave the meditation based on the importance of our church and read from an article written by Reverend W. Cox who emphasized just how important a part the church plays in any

community. In a rural area, this is even more evident as the church and community are one. Sharing our varied talents, whatever it may be or how humble, is just one of the many ways that we can keep our church alive and well in this busy world of unrest and worry; we need the church more than ever. After a well known hymn, Mary closed with prayer.

Two contests created a great deal of fun which brought the first meeting of the new year to a close.

8th annual poetry contest

A \$1,000 grand prize will be awarded in the Eighth Annual Poetry Competition sponsored by World of Poetry, a quarterly newsletter for poets.

Poems of all styles and on any subject are eligible to compete for the grand prize or for 99 other cash or merchandise awards, totaling over \$10,000.

Says Contest Chairman Joseph Mellon, "We are encouraging poetic talent of every kind, and expect our contest to produce exciting discoveries."

Rules and official entry forms are available from the World of Poetry, 2431 Stockton Blvd. Dept. G, Sacramento, California.

Peterborough Orchestra to play

The Peterborough Symphony Orchestra will play in the Saturday afternoon Family Concert at PCVS Auditorium on January 29 at 3 p.m. Featuring TSO Trumpetist Mr. John Cowell and his "Great Trumpeters" act. And the Peterborough Youth Orchestra will join in the PSO for their first public concert.

Program will include Dvorak Slavonic Dances, Tchaikovsky Suite from Sleeping Beauty, Pachelbel: Canon, Berlioz: March from Damnation of Faust and Copland: Hoedown from Rodeo.

Tickets may be obtained from the Trent Bookstore or the PSO office, 180 Barnardo Avenue, weekdays 9-12 a.m. Children \$1, accompanying adult \$2.

John Cowell is the trumpeter, composer and arranger of music for the "Great Trumpeters" act. He played his first trumpet solo at the age of six.

Cowell played with the Toronto Symphony Orchestra for 28 years and has over 100 songs recorded, including Walk Hand in Hand which reached the top of charts in 1956.

Cowell wrote A Farewell Tribute to the Grand Old Lady of Shuter Street.

He played in the TSO's final concert held in Massey Hall last summer.

Ski clinic

Providing there is snow, the second annual "Cooper Capers" ski clinic will be held at the Cooper Community Centre on Saturday, January 29th.

Once again this will be an all day affair which will involve cross-country, ski instruction, ski films, a tour trail of 4 km or 10 km and will include lunch and supper.

The aim of the clinic is to give cross-country skiers a chance to learn some of the basic and more advanced techniques of skiing and at the same time provide an enjoyable day out on skis.

The cost of the clinic will be \$6 per person, and will include both lunch and supper.

Registration 9:30 a.m. for further information contact: Les Tarrant, 473-2304 or John Hastings 473-4847. All proceeds will go to Cooper Carnival Committee for Cooper Recreation Centre.

Ladies bowling

Royal Canadian Legion Ladies Auxiliary Bowling tournament was held in Tweed Saturday, January 15. Ten teams competed, with Tweed placing in first place. Madoc's team, consisting of Gert Kramp, captain; Betty LaPalm, Hermenke Howard, Rita Snider, Jean Bulley and Jean Rodgers came in second. The Tweed and Madoc teams qualify to go on to district competition held in March.

Location of the District Tournament will be announced at a future date.

MADOC CO-OP
473-4227

Tudor and Cashel Townships plan

On January 18, the Tudor and Cashel Township council held a special meeting for the purpose of applying for a federal provincial grant to build an addition on the township garage.

It was decided that the townships would build the addition on the west side of the garage. The 22 x 46 foot addition will house a municipal office. The work will cost an estimated \$26,265, providing the government gives a grant for 50 per cent of the construction costs.

The Tudor and Cashel Council met on January 11/83 at 7 p.m. with all members present except Councillor Henley.

The Moira River Conservation Authority will be asked to clean up cemeteries in the Township of Tudor and Cashel on their summer student program and for further particulars contact the representative.

The Crowe Valley Conservation Authority will be asked to clean up some of the shoreline and outlet on Wadsworth Lake and for

further particulars contact the representative.

The following persons have been appointed fire wardens for 1983: Chief Warden Arnold Burkitt, fire fighters William Gunter and R. Henley. Permit issuers are Maude Norman, Stan Robins and Mary Gunter.

A by-law for the purpose of authorizing the treasurer and reeve to borrow monies to meet current expenditures until the taxes are collected was read a first second and third time signed sealed By Law 1-83.

A by-law for the purpose of appointing municipal officials for the years 1983-84-85 was read a first second and third time signed sealed By Law 2-83.

Township road employees' wages were increased to the following rates for 1983: laborers 16.50 per hour, truck drivers and operators \$6.70 per hour, operators and assistant foreman \$7 per hour, Road superintendent \$15,506 per year.

The clerk treasurer salary will be increased to \$8,400 per year and the deputy

clerk treasurer increased to \$4,725 per year.

The 1982 tax arrears were turned over to the County Treasurer for collection on or before February 1/83.

Paul Whittaker and Ross

Sprackett were appointed members to the Wollaston, Limerick Tudor and Cashel Library Board.

Council adjourned to meet again February 1/83 at 7 p.m.

Thank You

The Madoc Midget hockey players would like to thank everyone who helped to make our tournament a success. Special thanks to those who donated trophies for us.

Happy Wanderers Club meets

The Happy Wanderers Senior Citizens Club 473 held their meeting of the New Year on January 12 in the church hall. There were 40 members and two visitors Mr. and Mrs. Wilfred Sager, organizers of the Senior Citizens in Shannonville. The new president Mrs. Burnice Clarke presided. A poem A Member was read followed by prayer. Sorry to hear some of our members are sick, the influenza is making its rounds again.

Thank you cards were received from Mrs. Mary Moorcroft, at home, Wilfred Forestell. The minutes were read by the new secretary Annie Alt, who has been in hospital. A card has been received from the Muirs in Florida. Mrs. Evelyn Rollins thanked members for kindness shown when she lost a son-in-law, Reg Wartman, asked the club to remember those who are in trouble as it means so much to them. Thanks was received from

Evelyn French for including her in our bus trips.

Rhonda Johnson sent a card of thanks to the club for a quilt she won a lucky ticket on Mrs. Hilda Anderson read a letter of rules given us for the use of the church hall.

The treasurer Mrs. Maude Deline gave the report on finances. Coston Parauik gave a bus report.

We have been invited to a skating carnival at Peterborough January 20 and will be shown on TV channel 6.

On our next meeting January 26, Kingston seniors will come and show us a film, and we will have our pot luck dinner. On January 31 there will be a bus trip to Belleville to visit the new Senior Citizens Complex and have dinner, then on to the Quinte Mall, leaving the Senior Citizens Apartments at 9:30 a.m. and 9:45 a.m. at the church.

The program followed with a reading, The Use of Our Bible read by Mrs. Helen Wanamaker. Mrs. Goldie Holmes read a poem about a Grandma taking dancing lessons at 72 years of age. Then singing a song about Mr. O Toole. Mrs. Boudles and Mrs. Spoddes. Mrs. Clarke read An Ode to a Grandmother. Mrs. Annie Alt read When Good Things Walk With Us. Grandfathers. Yuletide Wishes Sent to the PM was read by Mrs. Viola Wamma. Mr. Sager spoke on the work he does for Social Service for Senior Citizens in Thurlow and Tyndina ga. Mrs. Jessie Holmes won the door prize.

The meeting closed with God Save the Queen and lunch.

WILSONS OF

Madoc Atoms take Brighton Invitational Tournament

At Brighton, Saturday and Sunday, January 23 and 24, at the Brighton Invitational Atom Tournament, the outstanding Madoc Atoms came home with the cup. They played three games all told and won them all.

Game 1 Madoc 3, Scorers: Jason Bailey, 1

Frankford 0. Marty Shaw and Barclay Sexsmith showed great goal-keeping to gain the shutout win.

It was 2-0 after period one and 3-0 after the second, with no scoring in the third session.

goal, 1 assist: Derek Wood, 1 goal: Jim Bonter, 1 goal: Jeff Sawkins, 1 assist: and Paul McMaster, 1 assist.

Game 2 Madoc 2, Brighton 0.

Madoc advanced to the final championship game as a result of this shutout win.

Again, Marty Shaw starred between the pipes for Madoc blocking all shots his way to record the shutout. Madoc outshot Brighton 10-6.

Both goals came in the second period with Jason Bailey, scoring them, as

isted by Derek Wood and Jeff Sawkins. Shawn Chapman assisted on the second goal.

Game 3 Madoc 5, Picton 2.

This victory gave this great bunch of boys the Championship "A" Cup for

the tournament.

Both Brad Davidson and Marty Shaw shared the game in Madoc's net and both performed so well Picton had trouble even getting their two goals.

Madoc led 2-1 after one period.

Picton drew to within one early in the second making it 2-1. Before period two was over, the score was Madoc 4, Picton 1.

Both teams traded goals in the final period to end it 5-2 for Madoc.

Paul McMaster, who was not well and could only do two rounds on the ice in the second game, came back for the third anyway. He put on an unbelievable determined performance and assisted on four of the five goals Madoc got and played a steady defensive game. Great credit must be given to him for not letting anything defeat him and his team.

Scoring for Madoc: Ian Ketcheson, 2 goals; Jason Bailey, 1 goal, 2 assists; Jeff Sawkins, 1 goal, 1 assist; Derek Wood, 1 goal, 1 assist; Paul McMaster, 4 assists; and Pat Graham, 1 assist.

Jason Bailey was picked as Madoc's MVP for the entire tournament games.

Congratulations Madoc Atoms! Onward to the next test!

Madoc Novices win 7 straight

Napanee played, host to the red-hot Madoc Novices, Sunday, January 23, in Napanee. Madoc came out

victorious 4-2 in a thriller. Dressing only eight players, plus the goal keeper, the Madoc team, even

under this handicap, proved capable of the task, winning their seventh consecutive victory. They now have a near 8-1 season's record to date.

Charlie Bronson played a good steady game in goal, holding Napanee to a 2 goal total.

Counting 3 goals in the first period the short-of-players Madoc club held on through 2 periods to keep that score at the same 3-0.

Beginning the third period, Madoc made it 4-0 and then the outnumbering power began to show and with 10 minutes and 11 minutes respectively left in the game, Napanee got two back, but not enough as Madoc held on to win a big one 4-2.

Point gainers for Madoc were: Chad Bateman, 2 goals; Brad Phillips, 1 goal, 2 assists; Derek Davidson, 1 goal, 1 assist; Tim Bailey, 2 assists; and Brad Bateman, 1 assist.

Atom Selects lose

In Marmora, Friday, January 21, the Atom Selects from Madoc were edged 4-3 by Marmora. This was the team's 5th loss in six games played this year.

It was a hard fought encounter from the opening whistle.

Marmora grabbed two unanswered tallies in the first period.

Beginning the second period, Tim Bailey notched Madoc's first goal to tighten the score 2-1. Before period two died it was 4-1 for Marmora, who looked like they might run away with it.

All the scoring belonged

to Madoc in the last period, and they brought the contest to a 4-3 reading, although only 1½ minutes were gone in the last stanza. Brad Phillips and Angus McNeil were the sharp shooters. But try as hard as they could, the Madoc boys could not get that puck behind the Marmora goalie. It ended 4-3 for Marmora.

Point makers for Madoc were: Brad Phillips, 1 goal, 1 assist; Tim Bailey, 1 goal; Angus McNeil, 1 goal; Wesley Cromwell, Ashley Wilson, Derek Lucas, Larry Carswell and John Pack, 1 assist each.

Exhibition thriller

MADOC: Tuesday, January 11, Campbellford Midgers and Madoc Midgers tangled in Madoc. It was an exciting one right from the opening whistle.

Madoc rammed home four unanswered first period goals to lead 4-0 after one stanza.

Period two was a turn

around as Campbellford took their turn and scored five with no Madoc replies. Madoc ran into too many costly penalties and Campbellford took advantage to capitalize.

Eric Brinks from Byron Hobson and Kevin Bertrand tied the game in the third period. Bob Bronson put Madoc ahead 6-5 with his second goal of the night.

Campbellford would not tie easily and came to life to tie the thriller 6-6 with just 38 seconds left in the struggle.

Scoring points for Madoc: Doug Reid, 2 goals, 1 assist; Bob Bronson, 2 goals; Eric Brinks, 1 goal, 1 assist; Byron Hobson, 1 goal, 1 assist; Kevin Bertrand, 2 assists; and Mark Campbell, 1 assist.

OFA woman second Vice-President

A newly elected executive committee took charge at the Ontario Federation of Agriculture in December. Ralph Barrie, a dairy farmer from Perth, in Lanark County is president for his fourth term.

Barrie, 54, said he hopes the OFA will be able to make break-throughs in two major areas in 1983: in getting agri-bonds in place to fill the need for long term, affordable credit; and in helping farmers get an acceptable stabilization plan, like the market risk insurance proposed by the OFA.

Barrie divides his time between two full-time jobs being a farmer and being president of the OFA. He

can be reached at the OFA's head office, or at his farm.

The first vice-president for the fourth consecutive year is Ron White, a dairy farmer from Denfield, in Middlesex County. Besides having been actively involved in farm organization for over 15 years, White, 57, also served on the Middlesex County Council as deputy reeve for the Township of London for eight years.

This past year, White chaired the OFA's corn committee and was OFA's representative at several meetings on the Crow rate.

For the first time in its history, the OFA has a woman as second vice-president. She is Mary

Wicks of Bobcaygeon, in Victoria County. Wicks, 51, has been on OFA's executive for the past three years. She too is a dairy farmer, and winner of the Master Breeders' Shield. She is actively involved in promoting OFA memberships and in telling the farmers' story

to the general public.

Keith Buchner is on the executive for his third year. He is a dairy farmer from Brownsville in Oxford County. Buchner, 55, a licensed lay preacher with the United Church, has been involved in farm organizations for the past ten years. He was a

member of the OFA's Properties Committee.

Pork producer Merle Gunby is on the OFA executive for his second term. Gunby, 46, is from Dugannon in Huron County. He served with the Royal Canadian Air Force for three years. Gunby is

especially interested in absentee ownership of Ontario's farm land and conservation.

Harry Pelissier, 30, has just been elected to OFA's executive. The former president of the Niagara North Federation of Agriculture is an egg and replacement pullet producer. He is from St. Ann's and has been actively participating in farm organizations for seven years. He has a Masters of Business Administration from McMaster University.

Also newly-elected is Brigid Pyke, 35, of Wolfe Island, in Frontenac County. Pyke is a partner in a 170-head dairy operation. She served on OFA's Tax and Assessment Committee and its Public Relations Committee. She writes a regular farm commentary for the Kingston Whig Standard.

OFA's executive members are the spokesmen for over 25,500 Ontario farmers. They help develop OFA policy and ensure that the farmer's opinion is heard by government and business.

Lodge holds 114th installation

On Monday night, January 17th, Marmora Masonic Lodge held its 114th Installation of Officers for the year 1983. The meeting was held in the Masonic Temple on Burdett Street with a large attendance of members and visiting brethren being present. The Installing Officer was Worthy Brother F.R. Loveless being assisted by the Past Masters of the Lodge, Right Worthy Brother Jerry M. Howard, District Deputy Grand Master of Prince Edward District, proclaimed the Officers, duly installed and invested in the name of the Grand Lodge of Canada in the Province of Ontario. Right Worthy Brother R.E.

Neal, P.D.D.G.M., presented the Immediate Past Master. Worthy Brother John F. Green with his Past Master's Jewel.

Very Worthy Brother Maurice McLeod dedicated a new library bookcase, which was built and donated by Brother Robert Drummond in memory of the late Very Worthy Brother Sydney Sandham. After the closing of the lodge, the members and visitors enjoyed a delicious lunch, which was served by the Junior Warden, Brother Alan Fulton and his helpers.

The following officers were installed: I.P.M.

Worthy Brother John F. Green; W.M., Worthy Brother Rodney Tompkins; Senior Warden, Brother Robert Drummond; Junior Warden, Brother Alan Fulton; Chaplain, Worthy Brother Harold Mumby; Secretary, Worthy Brother Fred Crompton; Treasurer, Brother Garnett Howden; D. of C., Right Worthy Brother R.E. Neal; Senior Deacon, Brother Brian Neal; Junior Deacon, Brother Kenneth Smith; Inner Guard, Brother Howard Cole; Senior Steward, Brother Jon Connell; Junior Steward, Brother Roger Blowes; T. Brother, Roger Blowes; Tyler, Worthy Brother Gary Nobes.

CHSS to have activity night

On Thursday, February 24, the Centre Hastings Secondary School (CHSS) is having a student teacher, activity night at 7:30 p.m.

The evening will feature badminton, bladder ball, dancercise, games, a self-defence demonstration by Bob Walter, darts, cribbage, checkers, ping pong and a chess tournament. There will also be a computer display, art display and slide show. At the end of the night, coffee and donuts will be served at the cafeteria.

On February 10, at 7:30, CHSS will be holding a parent-student night for grade eight public school students who will be coming into the school next year.

Garry Allen, head of the CHSS guidance department says the meeting is to inform parents and students

of the type of courses offered and how to go about choosing them. Allen says these nights have traditionally been very well attended.

Also in February, CHSS will be holding a parent-teacher night concerning grade 9-10 students. Another separate information night for parents of students in grades 11 to 13 will be held also in February.

Queensboro W.I. meets

Mrs. Roy Rollins was hostess for the January meeting of the Queensboro Branch of the W.I. which was held in the WI Hall on Wednesday evening January 12.

Mrs. Rollins opened the meeting with a poem, the singing of O Canada followed by the Ode and Mary Stewart Collect. The roll call, How to make your home safer, was answered by 14 members and two visitors.

A thank-you was received from Earl Sager for a gift he received at Christmas time. A thank-you note was read from CNIB. The amount

collected for the CNIB was \$240.

A letter from Valerie Clark was read, regarding the spring training school.

Mrs. Robert McNeil and family and consumer affairs converter, was in charge of the program. She read a short selection, Think Average on the motto. Over eating is the destiny that ends our shape. She followed this with a very interesting talk on computers, how they work and how they affect our lives. This was quite instructive and enjoyed by everyone.

Current events were given by the members and

the meeting closed with the Queen and lunch was served by the hostess and her assistants.

River Valley Card Party

Guests came from many places to play euchre at "The Centre" on Friday, January 14. They were

welcomed from Brampton, Toronto, Wooler, Bayside, Anderson's Island, Mount Pleasant and Stirling.

Viola Noland was first for the ladies, and Marg Hare was second. Winnie Lipton defeated Viola Westfall on a draw.

Glenn Bennett held the high score for the gent's, and Alto Cour came in second. Low was George Heasman. Bill Payne's number was drawn for the lone hand prize. Lucky score cards were held by Mary Hoard and Evva Tucker. Jeannette Morrow found she had been drinking from a marked cup.

Our thanks to Betty Westfall for the extra prizes. There will be two more card parties in January.

OVER 200,000 READERS

**That's right! You can reach over
200,000 readers with our
1983 Summer Vacation Guide**

This is a great idea to reach not only the regular local market but mainly the thousands of tourists, campers and cottagers coming into this area.

⇒HOW!←

Simple! Just place your advertisement in our VACATION GUIDE which will be distributed from Peterborough on the West, to Tweed on the East, Belleville to the South and Bancroft to the North.

*Over 70,000 copies will be handed out FREE
from the Victoria Day Weekend in May
until the Labour Day Weekend in September*

There has never been such a powerful Summer Vacation Guide produced in the area before.

We will have maps of this area, historical articles of the villages and region and the most comprehensive list-of-events ever compiled.

For more information on how you can take advantage of this unique opportunity, please call and we'll have Gary McPherson come out and see you with more details and advertising rates.

CARD OF THANKS

I wish to sincerely thank all my relatives, friends & neighbours for cards, flowers, fruit, books, phone & personal calls during my stay in hospital & since returning home. A special thank you to doctors & nurses in Emergency, I.C.U., 6th level at B.G.H. & to all the kind people for transportation for Laura & Colleen. Thank you all. Allan Sine

I would like to thank relatives & friends for their prayers, visits, gifts & cards while I was a patient in BGH.

A sincere thank you to my relatives, neighbours & dear friends for the prayers, cards, flowers, gifts & goodies sent me, also visits while in hospital & since returning home. Special thank you, Father Carly, Dr. Parkin & the prompt response of the Marmora Fire Department with oxygen. God bless you all. Ada Brady

To my dear friends in Marmora & district, I would like to extend my sincere gratitude for the many cards, letters & prayers sent to me during my stay at Princess Margaret Hospital Lodge. Thank you! Gran Glover

I want to thank all the kind friends who visited me while in hospital & those who sent cards, all meant so much to me. Your kindness will never be forgotten. God Bless you one & all. Hazel Vineill

MEMORIAMS

KELLY, Donnah Mae - In
loving memory of our daugh-
ter who passed away Jan. 29,
1980.
God looked down upon the
earth.
And saw you getting tired.
When a cure was not to be,
He closed his arms around
you.
And whispered "come to
me".
You did not deserve what you
went through.
And so He gave you rest.
Gods garden must be beauti-
ful.
For He only takes the best.
Loved by Mom & Dad,
CHECK & Loren Wellman 11

Hastings Atoms improve defensive play

HASTINGS: The Hastings Atoms have improved their defensive play since Christmas managing to keep the lid on Warkworth's Wayne Clark on January 20th, holding him to only three goals on the night unlike the other occasions when the two teams have met and Clarke has put in as many as 9 goals, and personally defeating the entire Hastings team. This was not the case though on the 16th. He accounted for all 3 of Warkworth's goals not only managed to rick out a run on the strength of his last minute unassisted effort.

Hastings opened the scoring on a three way passing play that concluded with a goal by Brian McMillan assisted by Gary Wainman and Steve Austin at 11:32. Eleven minutes of scoreless hockey followed. Quite an accomplishment against a dominant offensive players like Clarke.

Kirk Fleming put Hastings up to within 3 seconds left in the first period assisted by Sean Seaborn and PJ Scudds.

Clarke got on the board at 7 of the second period with an unassisted goal leaving Hastings up 1 at 5:07 of the same period assisted by Sean Seaborn.

Hastings then settled into a defensive mood and held Warkworth until 5:30 of the final period when Clarke put

his second unassisted effort by Joey Smith in the Hastings nets. Five minutes later Clarke scored the tying goal.

On January 16, Hastings romped over Douro 7-2 in Douro. As usual, Brian McMillan and Kirk Fleming

led Hastings to the victory. Fleming put in the first marker at 8:40 of the first period, assisted by PJ Scudds. Then, McMillan, assisted by Sam Fazzari, at 8:18 Douro responded at 6:42 with a goal by Steve Towns assisted by Shaun

Beyer. Douro then scored its final marker at 5:25 scored by Chris Westlake assisted by Kirby Scott and Shaun Beyer.

All the rest was Hastings as they scored five unanswered goals starting with Sam Fazzari's unassisted

effort at the end of the first period.

by Dean Christian at 6:34.

Then, McMillan and Fleming completed the scoring. Fleming from PJ Scudds at 8:22 of the second period, McMillan assisted

The Douro team held Hastings until 6:45 of the third when McMillan scored assisted by PJ Scudds and again at 2:35 assisted Fleming.

Peewee As win two exhibition games

BY SUSAN M. CUDDY

MARMORA: The Marmora Peewees played an exhibition game on Monday, January 17th while waiting for the playoffs to start. The aggressive Peewees downed Brighton 11-3.

Scoring for Marmora were Steven Bedore with 3 goals and 3 assists, Stephen Pascoe with three goals and two assists, Mario Bertrand with two goals and three assists, Stephen Coens with two goals and one assist, Terry Deline with one goal and one assist and Kevin Doyle with three assists.

To keep the boys in shape, Coach Den Doyle had another exhibition game lined up for Friday night. This time the victims were Trenton. Terry Deline assisted by Tim Cassidy and Mario Bertrand, assisted by Stephen Pascoe and Kevin Doyle, put Marmora on the board but Trenton answered back with one goal to make the score 2-1 at the end of the first period. Marmora came back with three more goals in the second period. Scoring were

Kevin Doyle assisted by Stephen Pascoe and Mario Bertrand, Mario Bertrand assisted by Terry Deline

and Steven Bedore, and Stephen Pascoe assisted by Steven Bedore and Terry Deline. Trenton scored one

goal in the second period, one in the third, and Marmora finished the game with a goal by Steven

Bedore assisted by Stephen Pascoe and Tim Cassidy, assisted by Doug Prindle and Jamie Nicolson.

Atom selects compete at Apsley

Saturday, January 15 in Apsley, the Madox Atom Selects, competed in a Novice Atom House League Tournament and won one and lost two.

Peterborough Ross, TV Atoms (10 year olds) defeated Madox 4-2 in the first game for Madox. Peterborough led 2-1 after period one, 4-1 after two periods and 4-2 at the end.

Madox marksmen were Tim Bailey, 1 goal, 1 assist, and Derek Lucas, 1 goal. Madox romped to a 6-0 victory over Lakefield in game two played.

Period counts were 2-0, 5-0 and 6-0.

Robbie Lake and Pat Mahoney shared shutout honors in goal for Madox. Goal and assist makers

were Tim Bailey, 2 goals, Brad Phillips, 1 goal, 2 assists, Jeff Wiggins, 1 goal, 1 assist, Larry Carswell, 1 goal, Ashley Wilson, 1 goal, and Dale Sager, 1 assist.

The final game of Action

for Madox was again against Peterborough's Ross TV.

Peterborough won it 8-1 to put the Madox boys out of the running.

Dale Sager counted Madox's only goal in the first

period. Peterborough had a 3-1 first period lead and led after the second period. Four unanswered markers in the final period gave no doubt who was the winner. Peterborough 8-1.

CVL results

are still in first place with 21 points, but it is a close battle from there in the standings. Marmora ESSO and the Polaris Stars are

tied for second with 14 points while the Marmora Woodchoppers and Cordova are tied for third with 10 points.

Havelock Bantams win

A solid team effort,

combined with the superb goaltending of Jason Ward led Havelock Bantams to a 7-3 win over Otonabee Sunday in Keene. For Havelock, Terry Caton had 4 goals and David Taylor 3. Otonabee scorers were Jason Campbell, Scott John-

ston and Kevin Jones.

In Saturday league action, Otonabee Bantams stopped Havelock with a 2-0 win in Havelock. Greg Elmfirst and David Chase netted a goal each for Otonabee with Troy Field recording the shutout.

Personal harassment guidelines introduced

The federal government has taken the lead in combatting personal harassment in the workplace with recent introduction of policy guidelines for the Public Service.

Treasury Board President Herb Gray and Minister Responsible for the Status of Women, Judy Erola, announced the policy today, announced the policy recently, following the im-

plementation of an awareness campaign directed at federal public servants.

The measures under the policy are designed to foster a working environment where personal harassment will not be tolerated. Mechanisms have been introduced to provide for enforcement of the anti-harassment policy.

A brochure has been distributed to all federal public servants outlining

the policy on harassment, making clear that any act of personal or sexual harassment as defined will be subject to serious disciplinary measures.

"Because it is a sensitive and highly personal subject, and one that most employers are just coming to recognize, I want our employees to understand what is meant by harassment and how adversely it affects the workplace when

it occurs," Mr. Gray said.

Mrs. Erola said that she hopes other Canadian employers will follow the federal government's example in recognizing personal harassment as a serious form of misconduct.

"I intend to refer private sector employers to the federal government policy as a model which they can adapt to their own circumstances," she said.

Under the policy, personal harassment is defined as any behaviour that is directed at and is offensive to an employee or endangers an employee's job, undermines the performance of that job or threatens the economic livelihood of the employee.

Sexual harassment includes offensive sexual comments, gestures or physical contact that is considered objectionable or offensive; it is behaviour that is deliberate, one-sided and both males and females can be victims of it.

Departments and agencies have been asked to establish a redress system with a senior officer responsible for resolving complaints of harassment. This person will report directly to the deputy head and, preferably, will not be part of other redress areas such as staff relations.

Employees who feel they are being harassed should make their feelings known to the harasser and, where there is more than one incident, keep a written record of the instances. At any time, employees may report the matter to their supervisors; if the supervisor is the person doing the harassing then the employee may go directly to the departmental contact. Such complaints are to be treated in confidence and no record will be placed on the complainant's personal file. If the employees are not satisfied with action taken by their department, they may refer the complaint to the Anti-Discrimination Branch of the Public Service Commission or to the Canadian Human Rights Commission.

Energy Issues

BY JOHN GORMAN

At the expense of saying something that has been said many times before, the industrialized world is going through a phase of dramatic economic change. Times will eventually get better, but it is unlikely we will see again the rapid industrial growth which characterized the post Second World War period until the end of 1980.

At the root of all this upheaval is crude oil, the fundamental commodity which fuels the world's industrial machine.

During the days before Christmas, the members of OPEC, the Organization of Petroleum Exporting Countries, held special meetings in Vienna searching for ways to hold the cartel together in a period when slackening demand for crude oil is pressuring the

prices downward.

The temptation for some of the weaker members of the cartel to undercut prices and increase their share of a decline in market is attacking the very foundation of the organization.

As Venezuelan Oil Minister Humbert Calderon Bertu said at the time: "We know times are difficult, but we have to prove that OPEC can work under difficult circumstances."

While nothing was etched in stone, the members came away from their pre-Christmas meetings agreeing to work together and compromise where necessary in order to maintain their stronghold on world oil pricing.

How OPEC handles its internal affairs during these times of economic decline is not nearly as significant as how the consuming nations handle their oil policy decisions at home.

At their peril, the United

States and Canada could choose to de-emphasize the domestic exploration and development effort in favor of waiting for OPEC to crumble and to reveal in the buyers' market which would follow.

It would be a short party indeed. Somewhere below the U.S. \$34 per barrel, the market will decide what the real price of a barrel of oil is. What that happens, the economies of the industrialized world will begin to stabilize, the demand for crude oil will strengthen and OPEC will again be as sound as a dollar once was.

When all of this happens, as it invariably will, the OPEC members will hold yet another meeting in Vienna or some other appropriate spot to decide how best they can make up for the discounts they allowed during the decline period.

And when that happens, it would be well for Canadians to have their exploration and production machinery in place, oiled and running. It will be their only defence against another round of crude oil price spirals.

Wellman's Corners

A baby boy, Ryan Craig, was born to Craig and Valerie Morton recently. Proud grandparents are Mr. and Mrs. Glenn Morton and Mr. and Mrs. Bob Barons of Springbrook. Another great grandchild for Mr. Bill Morton of Rylstone. Congratulations to the happy family.

Mr. and Mrs. Wally Jackson, of Oshawa were Saturday overnight guests of her parents, Mr. and Mrs. Fred Petherick.

Members of the Rylstone Women's Institute were guests of the Wellman's WI last Wednesday, for a potluck supper and a meeting following.

Those attending from RWI were: Mrs. Paul McKeown and Angela;

Mrs. Percy Reid; Mrs. Jack Watson; Mrs. Marjory Boise; Mrs. Mervie Sweet; Mrs. Clara Anderson and Mrs. Dorothy Thomson.

Mrs. and Mrs. Fred Petherick visited Mr. and Mrs. Raymond Begg of Norwood last Monday afternoon.

Mr. and Mrs. Robert Spencer, Roxanne and Rozanne were Sunday evening guests of Mr. and Mrs. Dale Reid, Sabrina and Shayne of Stirling, for a birthday dinner. Belated birthday greetings, Fran.

Mrs. Clarence Thomson, Steven, Mark and Michael, all of Rylstone, and Mr. and Mrs. Charles Taylor of Peterborough, were Sunday supper guests of Mr. and Mrs. Joseph Taylor of Peterborough.

Obituaries

MALCOLM "JACK" GREEN

Malcolm Green, of 19 John Street, Stirling, passed away December 31, 1982, at Belleville General Hospital, aged 71. He was the son of the late Mr. and Mrs. Milton Green, of Rawdon Township.

Mr. Green is survived by his wife, Margaret Esther (nee McDonnell), two sons, Kenneth and William, both of Stirling, and two sisters, Edna Crawford of Peterborough, and Dorothy Pammett of Peterborough. He was predeceased by his brother, Earl.

Raised in the Stirling

area, Mr. Green had retired from the Ministry of Transportation and Communications.

Funeral services were held January 3, 1983, at the William J. Thompson Funeral Home and at Bethel Cemetery, officiated by the Reverend Alan Lauder.

JOHN SEEMORE CRAIGHEAD

John Seemore Craighead of 46 Matthew Place, Marmora, passed away at Belleville General Hospital on Wednesday, January 19, 1983 at the age of 85. Mr. Craighead was born in Percy Township, Northum-

berland County, son of John Craighead. He was predeceased by his wife, the late Louise Maude Cook.

Mr. Craighead is survived by his two sons, A.M. Craighead and J.M. Craighead, both of Oshawa, as well as three grandchildren and five great grandchildren.

Mr. Craighead, retired, was educated in Stirling, was a member of the Free Methodist Church and was a veteran of the first World War.

Funeral services were held on Friday, January 21, 1983 at the Cassidy Funeral

Home in Marmora with Reverend J. Mervin Cooke officiating. The ashes are to be buried at Maple Vale Cemetery in Smith Falls.

JESSE MELVIN REID

At the age of 88, Jesse Melvin Reid of 207 Durham Street, Madoc, died. He passed away December 30, at Hastings Manor.

Mr. Reid was born in Huntingdon Township.

His wife (now deceased) was Edna Reid. He is also predeceased by brother William Arthur Reid, formerly of Millbrook and Luella (Reid) Varty, formerly of

Ajax.

Mr. Reid was a member of Trinity United Church, International Order of Odd-fellows Lodge 179, Oakdale Rebekah Lodge 134, Madoc, and the Madoc Masonic Lodge No. 48.

The 1 p.m. funeral was held January 3, at Trinity

United Church. The officiating clergymen were: Reverend Roy McGrath and Reverend Gordon Adams. Interment was at Lakeview Cemetery. Pall-bearers were: Edlbert Carman, Lyn McCoy, Eugene Pigden, T.A. Ross, Ronald Treverton, and Cecil Hagerman.

Cyril Shaw's rink was the Mixed Bonspiel held in runner-up in the first division of the Molson's Marmora last weekend.

Watch ads

Newspaper ads being run by a new breed of con artists are preying on people caught in the jaws of the economic crunch.

They're calling themselves financial consultants, financial advisors or cash finders. They promise to arrange loans...any loan, regardless of amount, venture or credit rating.

All they want in return is a little upfront 'good faith' money. It could be \$100, \$200 or \$2,000...whatever the client can afford.

"They'll take anything," warns Ontario Consumer Minister Dr. Robert Elgie, "because, when you come right down to it, they're giving nothing in return."

Dr. Elgie said his ministry has received numerous complaints from consumers who have advanced up to \$10,000 to secure loans. In all cases, the clients signed contracts and were assured that the loans could be arranged.

"On paper everything looked above-board and people walked away thinking their financial problems were over. Little did they know they were just beginning."

In one case a man asked a financial consultant for a \$300,000 loan to buy out his partner and pay off some outstanding business debts.

He paid \$1,000 upfront for the loan.

When his bills came due, the financial consultants balked saying he couldn't come up with the loan as promised. Before the man could make other financial arrangements, his creditors put the business into receivership to recoup their losses.

"We've had at least seven ads pulled over the last two weeks because the companies were not registered. And we have greatly appreciated the co-operation of the newspapers involved. We're hoping other newspapers will help us monitor this problem province-wide."

In addition, ministry investigators are looking into the situation.

During the Men's Beauty Pageant held at the Madoc Hotel last Friday night, Steve Johnson (Happy

Hooker) stole the show, winning the prize for best overall and skimpiest dress.

Legion bowling

Howard Trotter bowled a 287 to win the men's high single score during the Legion Bowling meet held January 3. Men's high

triple was won by Ron Smith with 741.

The ladies high single went to Betty Smith who scored 228. Ladies high triple was won by Ona Gordon who scored a 579. Bowling scores over 200 were: Ona Gordon with 212; Ron Moon, 207, 209; Gary Landry with 222 and 223; Gert Kramp, 209; Brian Sharpe, 219; Nanda Smith, 214; Lorne Muir with 201; and Lloyd Watson with a 230 and 201.

The first series champions of the league are the "Five In A Row" team with 39 points. The six man team have the following bowlers: Ona Gordon, Grant Blanchard, Ron Moon (captain), Barb Ramsay, Michelle Burris, and Fran London.

Second in the series were the "Side Winders" with 38 points, third were the "Expos Two" scoring 34. "Sluggers" with 26, "Ups and Downs", 24½ points and "C-Misses", 19½ points.

During the January 10 Legion bowling meet, Betty Smith won the ladies high triple with 532. The ladies high single was won by Ona Gordon with 244 points.

The men's high triple was won by Ron Moon with 710 and Brian Sharpe scored 281 for the men's high single.

Ladies scoring over 200 were: Betty Smith, 263; Dorothy Blanchard, 219; Ann Moon, 212; and Ona Gordon, 201. Men scoring over 200 were: Garth Chapman with 272, 212; Harold Ramsay, 253; Ron Smith, 237; and Doug Chapman 216, 212.

Standings in the first week of the second series are: C-Misses first, Side Winders second, Sluggers third, Five in a Row, Expos Two, and the Ups and Downs last.

Glen Rollins was the draw winner.
